Tennis Etiquette

A number of club members have asked that the club focuses on tennis etiquette to ensure that all of our players have a good understanding of the game's manners. Tennis Australia has developed a short video and web page on this subject – why not take a few moments to check your knowledge of tennis etiquette?

This week's message:

BE CAREFUL OF KARMA

Make line calls clearly and promptly and give your opponent the benefit of the doubt if you're unsure.

Tennis karma is a powerful force and no one wants to give an opponent short shrift only to find themselves deep into a third-set tiebreak with the tennis gods frowning down on them!

Inter-Club Pennant

Congratulations to our two Riverside teams who played the first semi-final against each other on Monday night in a great spirit. The closely fought matches and BBQ were enjoyed by a number of spectators and supporters! Best of luck to Riverside 1 next Monday!
