

## SRT Tasmania Grant Project

The new surface on courts 3 and 4 is looking good! Please play on them as much as possible as it will take a couple of weeks for the sand to fully bed in. SGST will be back in a mid-February for a final touch up and re-sanding.

Please note cleaning and re-sanding of courts 1 and 2 scheduled for this Monday 29 and Tuesday 30 January 2018.
