Sport and Recreation Tasmania Major Grant Success

SUPPORTED BY

The Club Committee was delighted to hear that our application for a State Government grant to re-surface courts 3 and 4 and improve our court lighting was successful!

A sub-committee has been established to manage the project and keep club members informed of progress. Thanks to Pauline, Judy and Sandy who organised the morning tea for the Member for Bass and Minister for Health – Michael Ferguson who announced the grant of \$52 000 on Saturday 18 February 2017.

Tennis Etiquette

A number of club members have asked that the club focuses on tennis etiquette to ensure that all of our players have a good understanding of the game's manners. Tennis Australia has developed a short video and web page on this subject – why not take a few moments to check your knowledge of tennis etiquette?

This week's message:

NO RETURN NECESSARY!

If your opponent serves a first-serve fault, don't hit a return back unless the call was so close that you had no option but to hit the ball.

New Shade Sail

Special thank you to Owen Geale, Ben Holden (and his Dad!) who designed and built our wonderful new shade sail to replace the shade provided by the tree that was removed last year.
