TENNIS SA'S COMMITMENT TO SAFEGUARDING CHILDREN AND YOUNG PEOPLE

Tennis SA in conjunction with Tennis Australia and Member Associations in other states aim to provide children and young people with a positive tennis experience and environment that provides their physical, social and emotional wellbeing.

Tennis SA has a zero tolerance approach to any form of child abuse and it committed to ensuring that child safety is embedded in our organisation's culture and reflected in our policies and procedures. We expect all affiliated members adhere to the highest possible standards with respect to safeguarding children from abuse.

SAFEGUARDING CHILDREN GUIDELINES

Tennis SA must comply with, and ensure compliance with the TA Safeguarding Children Guidelines. Tennis SA affiliates in turn ensure compliance on their individuals.

To support compliance, TA has developed resource kits to provide club administrators and parents/guardians with the tools they need to ensure a child-safe environment.

The resources have been developed in association with the Australian Childhood Foundation (ACF) and are based on nationally recognised standards for the ACF Safeguarding Children program.

These resource kits are not meant to act as stand-alone documents, but are part of a bigger safeguarding children training campaign. Resources can be found at <https://www.tennis.com.au/childsafes>

WORKING WITH CHILDREN CHECKS

Valid Working with Children Checks (WWCC) are a requirement of Tennis SA affiliation.

All committee members, coaches and anyone else in close contact with children must obtain or have a current WWCC. Failure to do so may result in your Club/Association not being entitled to affiliate with Tennis SA.

Your Club should maintain a register of those who have, and those who will need a WWCC and be able to produce this register on request from a Tennis SA representative.

Working With Children Checks are free for volunteers and can be applied for through the following link: <https://screening.sa.gov.au/applications/application-information-for-individuals> or contact your Club Development or Regional Officer for more information.
