Undertake and acknowledge:

1. That, subject to medical, injury or other special circumstances preventing my ability to play, I will play in at least 5 (five) minor round matches in the State League season if selected by the Club.

2. That I am aware that if I fail to meet the obligation in the preceding paragraph, then:

   (a) if the Club is one of the top four State League teams at the end of the minor round making the team eligible to play in the finals, the Club team may have premiership points deducted at the end of the minor round which may render the Club team ineligible to play in finals;

   (b) if the Club is not one of the top four State League teams at the end of the minor round, and the Club is selected to participate in State League competition in the following season, it may have premiership points deducted in the following season;

   (c) that in either event my failure will be taken into account by the State League Committee when assessing whether to admit a club team into the State League competition in the following season; and

   (d) My failure will be taken into account in assessing whether this Club or any other club which nominates me in a playing list in the following season will be accepted into the State League competition in future seasons.

3. That all National Policies promulgated by Tennis Australia or Tennis SA, including the Code of Behaviour, current at the time of any incident apply to me and I will abide by all of those National Policies and that I am subject to discipline and penalties as set out in those National Policies.

This Player Undertaking is given subject to the Club's nomination for a Men's/Women's Team being accepted into the Tennis SA State League Competition.

If the Club's nomination is not accepted by the State League Committee then I am released from the undertaking to this club. I am entitled to seek to join the playing list of another club but before playing I will sign a Player Undertaking in favour of the new club.

It is understood that this Player Undertaking is for the purpose of the Club's nomination to play in the State League Competition and does not constitute the entire arrangement between myself and the Club which may be in another document.
