Overview

The Rafa Nadal Tour is a junior tennis circuit launched in Spain in 2014. It has a strong focus on sport and education combining the tournament aspect with dynamic and fun educational activities for the players aiming to establish strong fundamental values, this involves teaching and working towards the 4 main pillars of the tour.

Rafa Nadal Tour Values

These values are qualities that the Rafa Nadal Tour think can help all players both on and off the court. The current values are as follows:

Humility

Humility is the capacity to live your life with freedom from pride or arrogance, the quality or state of being humble.

Resilience

Resilience is the ability to recover quickly from difficulties; to show toughness in adversity.

Commitment

Commitment is the players' capacity to acknowledge, get involved and accomplish something that has been previously agreed to.

Sportsmanship

Sportsmanship is the appropriate and correct behaviour during the practice of any sport, as well as the acceptance of adverse situations willingly.

Values Activities

During the tournaments there will be numerous fun learning activities run by the mentors from the Rafa Nadal Tour, focusing on the four key values of the circuit. These will be in the form of classroom activities sessions and fun activities helping the players learn the importance of teamwork, and warming up and cooling down. There will be one of each type of activity for each age/gender group for two days of each event.

The Trophy of Values

The Trophy of Values aims to recognise and reward those players at the Rafa Nadal Tour who put into practice the Rafa Nadal Tour values - positive values, attitudes and behaviours that are essential to helping the players' relevant personal and athletic development. The Academy facilitators, coaches, officials, and Tournament Director will be observing all players on court, during the Values activities and on-site generally and a consensus decision will choose the Values winners. Non-attendance of the Values sessions means it is unlikely that player will be chosen as a Values winner.

Prize Winners

The winning players from each 12/u & 14/u singles State Premier events held, as well as all selected winners of the Trophy of Values, will progress to the end of circuit Australian Rafa Nadal Masters event. The Trophy of Values recognises a player from each age/gender group at each event that shows a positive attitude and behaviour on and off the court, and who exhibits the values of the Rafa Nadal Tour.

The Rafa Nadal Australian Masters event is scheduled to be held in Melbourne early January 2026 (final dates and location to be confirmed). A maximum of sixteen (16) players will be invited to compete in each 12/u & 14/u boys and girls Masters event.

All participants at the Masters events will get further activities and Rafa Nadal Academy related prizes, and the four winners of the events also win flights to Spain and two free weeks of training at the Rafa Nadal Academy in Mallorca later in 2026 (all subject to confirmation).

Eligibility

The Rafa Nadal Tour will consist of 8 qualifying events (1 in each state and territory) for 12/u and 14/u players each year.

For 2025, the Rafa Nadal Tour events sit as stand-alone events outside of the De Minaur Junior Tour. As such, the tournaments will not have any De Minaur Junior Tour points attached to them but matches will still count towards a players UTR.

Players will have the ability to enter any eligible age group at Rafa Nadal Tour qualifying events on the Australian Competitive Play endorsed calendar. For the purpose of these regulations, the player's age as of the last day of the month that the event finishes shall be used for entry into the Rafa Nadal Tour qualifying events.

There will be an end of season Rafa Nadal Masters event held in early January of the year following the qualifying events. Eligible winning players from the qualifying events as well as the chosen Trophy of Value winners will be invited to the end of season Masters event.

However, for the purpose of the Rafa Nadal Tour Masters event conducted each year in January, the player's age category and eligibility will be based on the player's age as at the last day of the year in which the qualifying events were played. This means that all winning players from the qualifying events along with the chosen Trophy of Values winners, must have competed in the correct age category as at the age they will be on the 31 December of the current year.

Eligible winners of the Tournament and winners of the Trophy of Values from each tournament will be invited to compete in the Masters event in Melbourne in January 2026. The winner of each Masters event will be offered the ultimate prize which is a two-week training camp at the Rafa Nadal Academy, all expenses paid. To be eligible for the Rafa Nadal Academy prize, you must be an Australian resident and be a member of a TA affiliated club. Full details of the prize will be confirmed by TA.
