Court Set Up

For clubs that do not have blended lines, please read instructions below on court set up for both doubles and singles matches. Please note a doubles court and singles court are different, so it is important that the correct court set up is followed for consistency every match.

Singles and Doubles Court (refer picture below)

For the baseline, measure 270cm from the outer edge of the main baseline as per the doubles court set up. Using a tape measure, measure 86cm from sidelines starting at the outside of the inner tramline (singles court). Place drop down lines on both sides of the singles court (refer to orange court picture below). The full standard service box/square is used for serving.

Net Height

The net should be lowered to 80cm.

Support from Parents

- Parents are asked to attend each match and support with court set up, on court scoring and score entry through League Manager.
- While matches are in progress, parents who are helping with scoring or ball pick up are only allowed on court, all other parents and children must be off court.
- For parents on court helping must be on the sidelines, no parents should be behind the baseline.
- **Each team is required to have one appointed Team Manager.**
