# TENNIS SA PRESIDENT REPORT

On behalf of the Tennis SA Board, I am pleased to present the President's report for the 2020 - 2021 financial year, the sixth of my term. Well, what an exciting and challenging year it has been with the incredible highs of 'A Day at the Drive' and our second Adelaide International balanced by the pausing of tennis caused by the global COVID-19 pandemic and the consequent travel restrictions preventing many of our players travelling to compete.

I can report the Board met each month during the year, except January, and discharged its governance obligations with diligence and enthusiasm. I thank my fellow Board members for their outstanding commitment, in an entirely voluntary capacity, to the sport of tennis in South Australia. A very big thank you to Philip Roberts for his most significant effort as Vice President during an even more hectic year.

After more than a decade of work, Tennis was duly recognised at the FY21 State Budget with a \$44M grant from the SA Government for the second phase of redevelopment of Memorial Drive. Physical work commenced in March this year and

will result in a brand new North Stand and East stand joined by a concourse wrapped around both, along with new seating in the South Stand. I greatly appreciate the effort that many people have put in over a significant period to reach this point including past President Bill Cossey (dec), past CEO's Steve Baldas and Ali MacDonald, Deputy President Philip Roberts and many Board and staff members. Thank you to the project team ably led by Lynton Franzi, Cox Architects, Kennett Builders and many partners. I am positive all South Australians will be extremely proud of what is being built, with final completion expected mid 2022.

At one stage, we were concerned that there would be no professional tennis at Memorial Drive over the summer. What instead happened was rather miraculous with the best players in the world quarantining in Adelaide and then playing to two sold out sessions at Memorial Drive - followed by a WTA only Adelaide International post the Australian Open. More details can be found in the CEO report but I would like to sincerely thank the SA Government through South Australian Tourism Commission, Debbie Sterrey, Ali MacDonald, our Tennis SA/Tennis Australia event staff and volunteers for the incredible amount of effort they put in to allow a once in a lifetime opportunity for South Australians that really put Adelaide on the global events map.

Tennis SA's Mission is to showcase, promote, develop and manage the game of tennis in SA so significant time is spent on policies and activities in support of this. The Tennis SA Board has always seen the objectives of encouraging greater levels of participation, as well as nurturing talented young players in their quest to become their best as complementary elements. The Day at the Drive and

Adelaide International provided much-needed platforms to help stimulate both these important areas and I expect tennis in SA will see significant benefits over coming years. The Board, CEO and senior staff have also worked on a new 2021-24 Strategic Plan which will be released shortly.

The National Academy in South Australia is continuing to produce elite young tennis players and the direction taken by Sandon Stolle and the team is proving invaluable, particularly in broadening the base of the talent pool by working directly with our affiliates. Whilst Covid prevented our players from representing Australia like in normal years, I would like to acknowledge the following SA players for their significant achievements: Charlotte Kempenaers-Pocz, Alex Bolt, Luke Saville, Li Tu and Thanasi Kokkinakis. More information on their achievements can be found in the high performance report.

Given the events restructure and impacts of COVID-19, the annual edition of the Ken McGregor Fund (KMF) luncheon was not held this year, but I am sure it will return. Instead, the team worked on other opportunities to raise funds for the important work the KMF perform. Thank you to the committee members of the KMF, led by Rick Baldock.

Our Diversity and Inclusion board sub-committee's first focus some time ago was gender equity but it's second focus in the last year or so has been on Indigenous aspects. A significant amount of work has gone into understanding what is required and then developing our first Reflect Reconciliation Action Plan (RAP), which I am pleased to advise has recently been endorsed by Reconciliation Australia. More news on this to follow in the coming year but thank you to the effort of those on our D&I committee.

The Board is mindful Tennis SA is essentially “owned” by our member Associations. The Board, in various forums, met with Association representatives throughout the year, with the aim of supporting their endeavours at grass roots levels.

On behalf of the Board, I thank Premier Steven Marshall, Minister for Recreation, Sport and Racing Corey Wingard and Kylie Taylor, Chief Executive of the Office of Recreation, Sport and Racing, for their outstanding support. We have also enjoyed excellent support from the City of Adelaide, the City of Unley, Adelaide Oval SMA, Next Generation Clubs Australia, Memorial Drive Tennis Club and many other organisations.

I thank the Board and staff at Tennis Australia for continuing to provide funding for a number of our activities and to work so constructively with us. TA’s ability

to fund member states in FY22 has decreased significantly due to the cost of running the 2021 Australian Open and this means that TSA will have to utilise some of its financial reserves to fund us this coming year, but TA still look for opportunities to help where they can.

Our CEO, Debbie Sterrey, has continued to show great leadership and endeavour in all of her activities and has admirably led what we consider our greatest asset, our dedicated staff. Thank you so much Debbie. The relationships our staff have fostered with so many partners are crucial to our success in the development of our sport as well as with the new Adelaide International, so I sincerely thank them for this. I also thank our past players and affiliated Associations and Club representatives with whom we have been able to work so positively with each year.

Thank you for the privilege I enjoy in serving tennis in South Australia as we look forward to another successful year.

**Kent Thiele**

# TENNIS SA CEO REPORT

On behalf of the staff of Tennis SA, I am pleased to present my CEO report in my second year of service for 2020/21.

It has been another challenging year as we all continue to adapt to the way COVID-19 has changed all our lives.

We kicked off the new financial year with the Tennis SA Awards Night, presented virtually from Memorial Drive. The virtual format ensured that we could still celebrate the outstanding achievements of our players, coaches, clubs, communities, volunteers and officials, albeit from a distance.

The UTR Pro Tennis Series hit Memorial Drive in July and for the first time our team learnt the biosecurity measures required to ensure that professional tennis could safely return to court. These events also marked the beginning of Li Tu's return to the professional tennis circuit. Li went on to claim all three events held at Memorial Drive.

Our ANZ Tennis Hot Shots District School Carnivals continue to go from strength to strength with 49 held around the state, an increase from 33 in 2019/20. Over 5,500 students picked up a racquet as part of the pathway designed to

transition students from interschool sport to their local tennis club.

ANZ Tennis Hot Shots Racquet Roadshow kicked off in September with 75 Reception students at Reidy Park Primary School given brand new racquets thanks to ANZ and Tennis Australia. As part of the event, tennis legend Todd Woodbridge made his very first virtual appearance through a video call, something that would become a regular occurrence at Racquet Roadshow events around the country. An additional 97 schools in South Australia received racquets thanks to the initiative.

South Australia's second annual tennis tournament for players who are blind or have low vision was held at Memorial Drive, in conjunction with Somerton Park Tennis Club. The open mixed tournament saw 17 players take part in matches.

The State Foundation Cup was held in Berri for the seventh time in October, with 152 regional players taking part in the event. Hills Fleurieu claimed the overall teams championship, while Upper Northern and Yorke walked away with their first State Foundation Cup age group win in the 13-and-under division.

Summer competitions also commenced in October, with Tennis SA administering competitions for Southern Districts, Eastern Districts and North East Tennis Associations. Tennis SA State League, Junior State League and Green Ball Junior State League competitions continued to go from strength to strength.

The inaugural South Australian Teams Challenge was held at West Lakes Tennis Club in December. The event saw representative teams from Regional South Australia and Metropolitan South Australia take on each other in 13/u, 15/u and 17/u age groups, forming the

innovative next step in the pathway for regional players while interstate travel was not possible. Regional South Australia claimed the title in its first year.

Players from South Australia and the Northern Territory took part in the UTR Junior State Performance Championships at West Lakes Tennis Club, replacing the annual December Showdown this year due to the ongoing impact of COVID-19.

Over 230 players from 12 Regional Associations participated in the Tennis SA Country Carnival at Kensington Gardens Lawn Tennis Club and Tranmere Bowling and Tennis Club. The John Fitzgerald Shield for most represented and best performed was awarded to Barossa and Light Tennis Association.

We were thrilled to see Thanasi Kokkinakis and Alex Bolt be awarded Australian Open main draw wildcards, with 16-year-old Charlotte Kempenaers-Pocz receiving a wildcard into Australian Open qualifying.

In March, summer competitions wrapped up with Seacliff Tennis Club claiming both the boys and girls Tennis SA Junior State League titles, along with their very first men's Tennis SA State League title. Glenlea Tennis Club claimed back-to-back Tennis SA State League women's titles.

The UTR Pro Tennis Tour returned to South Australia in May, with the tournaments held at West Lakes Tennis Club. Li Tu and Alexandra Bozovic claimed back-to-back titles, and for Li this made it five from five titles on home soil.

In June, Naracoorte Tennis Club was announced as one of ten lucky recipients to receive a \$10,000 grant through its ANZ Community Tennis Grants initiative, helping support and develop local tennis clubs who deliver the ANZ Tennis Hot Shots program. The club will

be using the funds to upgrade six courts in order to continue to grow their program.

## RALLY AS ONE

Rally as One, a national program to support bushfire affected communities, was launched at Stokes Bay Beach on Kangaroo Island in November. As part of the launch, primary students from the Kangaroo Island Community Education, Parndana Campus were presented with brand new racquets and had a hit of beach tennis. ANZ Tennis Hot Shots Racquet Roadshow, ANZ Tennis Hot Shots District School Carnival and Rally as One Community Tennis Night events were all held as part of the visit to the Island.

Stokes Bay Tennis Club also received \$40,000 to support the rebuild of tennis facilities, thanks to the Australian Tennis Foundation.

As part of Rally as One, the Tennis SA team joined with the Adelaide Hills community at the Mount Torrens Tennis Club and Football Oval in February for a day of ANZ Tennis Hot Shots, social tennis, fun activations, raffles and giveaways.

## A DAY AT THE DRIVE AND ADELAIDE INTERNATIONAL

We announced in November that the Australian Open lead in events would be played in Victoria, but little did we know the turn of events that would follow.

In early 2021, we received the surprise news that we would be hosting Serena Williams (USA), Rafael Nadal (ESP), Novak Djokovic (SRB), Dominic Thiem (AUT), Simona Halep (ROU), Naomi Osaka (JPN) and Jannik Sinner (ITA)

in South Australia ahead of the Australian summer of tennis.

After announcing the event on 9 January, our team worked tirelessly to get Memorial Drive ready for quarantine and the players arrived in Adelaide just five days later.

After 14 days of mandatory quarantine and with just 18 hours to take the venue from quarantine to event ready, the players were joined by World No.1 Ash Barty (Qld) for A Day at the Drive, one of the first sporting events in the world to welcome back spectators.

With 67 Grand Slam singles titles between them, this is a sight I am quite sure we will never see at Memorial Drive again.

The Adelaide International WTA tournament returned after the Australian Open, with Iga Swiatek (POL) defeating Belinda Bencic (SUI) 6-2 6-2 to claim the title.

Our sincere thanks to the South Australian Government and South Australian Tourism Commission for their unwavering support and their vision to bring international tennis back to South Australia.

## MEMORIAL DRIVE CENTRE COURT REDEVELOPMENT

The South Australian Government's State Budget was unveiled in November and along with it came the announcement of \$44 million in funding for the stage two redevelopment of Memorial Drive.

The updated architectural 3D images were revealed in February, before demolition of the North Stand commenced in March, just two weeks after the last ball was hit at the Adelaide International.

Minister for Recreation, Sport and Racing Corey Wingard joined us

in April to launch construction and turn the sod on the project, with first foundations poured in May.

Our sincere thanks to both Premier Marshall and Minister Wingard for their continued support in the redevelopment of Memorial Drive.

It goes without saying that 2020/21 has been difficult for everyone. COVID-19 has changed our lives in ways we could not have even imagined two years ago.

We thank our clubs and associations for their cooperation and understanding as we continue to navigate the situation at hand.

I would like to thank Tennis SA President - Kent Thiele, Vice President - Philip Roberts and the entire Tennis SA Board for their support throughout the year.

Congratulations to our Leadership Team consisting of Matt Fitzgerald (Tennis Development), Dylan Hicks (Tournaments, Competitions and Officiating), Bianca Marron (Marketing and Communications) and Brett Hidson (Operations and Venues) for the great work they have done throughout the year.

I also wish to acknowledge the entire Tennis SA and Adelaide International team for their tireless work over the past 12 months. You should all be very proud of your achievements.

## CEO REPORT

### A CHALLENGING YEAR FULL OF ACHIEVEMENTS ON AND OFF THE COURT...

This past 12 months has tested the entire tennis community – no one more so than our coaches and venue owners, who have spent so many days off court.

In that time, we've faced countless challenges - from cancelling tournaments mid-event in a desperate rush to get home before border closures came into effect, to the steady stream of press conferences announcing new restrictions, which are followed by teams of people trying to work out what that means for coaches, clubs and players.

Our lives have changed so much over the past year and a half. Our physical world has shrunk, sometimes limited to just that 5km radius from our homes. We've contended with home schooling, single person bubbles and non-stop Microsoft Teams calls, WhatsApp messages, emails and texts.

At the same time, we've also achieved more during this time than any of us would ever have thought possible. Instead of stopping and waiting for the world to return

to normal, we've persevered and created our new normal.

We increased participation in our sport by more than 15 per cent this last year. Despite all the lockdowns and restrictions, there are now more than 1.33 million Australians playing tennis. Tennis has emerged as one of the most COVIDSafe sports and our team has worked tirelessly to deliver better outcomes for coaches, clubs, players and officials, nationwide.

We successfully hosted international tournaments and safely delivered an extensive quarantine program at the height of the pandemic, gaining the respect of the world. These events gave our Aussie athletes opportunities to compete and show everyone what their years of training and our support have meant. We also introduced the UTR Pro Series to give our players opportunities to compete on home soil.

And our players have well and truly delivered. We have two world No.1s in Ash Barty and Dylan Alcott. Ash broke the 31-year drought between Australian female champions at Wimbledon. Dylan is on track to complete the Grand

Slam having won in Melbourne, Roland Garros and Wimbledon. Ash and John Peers are Olympic bronze medallists and we are only just getting to the US hard-court season.

We designed and developed the new Health Indicator of Tennis (HIT) tool which will enable our teams to have more informed conversations with clubs, coaches and local councils about the "health" of tennis and then seamlessly feed into action plans. We also launched the Play Tennis digital platform, which connects more than 75 per cent of the country to online court bookings.

We rolled out a new player development strategy and opened the National Tennis Academy. There are now National Development Squads and Zone Squads set up in every state and territory, with plans to expand these further as we move into the summer. We've assembled a team of world-class coaches, health and wellbeing experts and sport science and medical staff to support our athletes on their quest to become the best they can be.

We placed every aspect of our sport under a microscope through

the coach and competitive play reviews. We have also looked at processes to find new ways to work smarter and have examined our set-up and how we work together as a team. We achieved our overall objective of financial viability and keep people in jobs in spite of the pandemic. Although we said farewell to some of our team, we also welcomed new team members.

We established a national gender equality taskforce to create a Women and Girls plan to drive change and opportunity across our sport. We are also putting the Federal Government's 2019 funding to good use in increasing the number of women and girls who participate in tennis.

We launched a venture capital fund and invested in a new technology, SwingVision, which is set to revolutionise our sport through the gamification of tennis.

We also rolled out Rally as One and delivered on our promises to bushfire affected regions in Victoria, SA, Queensland and NSW.

### THANK YOU

It has been a challenging journey and we still have more to accomplish. But it is a real privilege to work with each of you and continue to grow together. I am once again humbled and so deeply proud to be associated with a sporting community that has worked so collaboratively and with

great compassion with one another in the face of the most difficult circumstances.

Thank you, your staff and Board, for your tremendous contribution to those achievements.

Stay safe and take care.

## AFFILIATION AND MEMBERSHIP

Tennis SA with full support and significant investment from Tennis Australia is pleased to continue the simple annual affiliation fee based on the number of tennis courts at the club. There were 321 affiliated bodies with Tennis SA in 2020/21, including 282 clubs across 39 associations.

Tennis SA and our affiliates registered a total of 15,685 club members. The per court affiliation fee model offers a more flexible and innovative option and encouragement to record all club participants.

## ORGANISATION STRUCTURE

The last year proved challenging as we navigated our way through many changes in our team. Scott King (School Development Coordinator Country North/West) made the decision to return to his natural calling in teaching in Whyalla. Amelia Waters (School Development Coordinator Metro South) welcomed another beautiful baby boy to the Waters family. Amelia was on maternity leave for the past year and ultimately made

the decision to move back into teaching following her maternity leave. Erin Haines (Regional Tennis Manager Metro) was presented with the opportunity of General Manager of Netball SA and decided to take up this role directly after the Adelaide International finished in March. Tennis SA wishes Scott, Amelia and Erin all the very best in their new roles.

These vacant positions created challenges but ultimately galvanised the team into a team first mentality with everything we did. A small structure change was required in the country team where we combined the Club Development Officer and School Development Officer roles. These roles becoming Regional Officers in their respective regions, servicing their clubs and schools.

## CLUB DEVELOPMENT AND REGIONAL OFFICERS

With the support of Tennis Australia, Tennis SA has appointed Club Development Officers who are employed to work collaboratively with our affiliate members to improve access to our clubs, courts and the sport, as well as innovate

in the delivery of tennis wherever possible.

The Club Development Officer role is to be the first point of call to assist clubs, councils and coaches to work collaboratively in their region. The team servicing our metro clubs in the past 12 months included Adrian Dezen (Metro South) and Andrew Fitzgerald (Metro North).

The Regional Officer role is a newly created combined/hybrid role of the Club Development Officer and School Development Coordinator. This requires the Regional Officers to facilitate school carnivals where required in their assigned regions, working closely with Troy McNeil who sets the strategy for schools in our country regions. The Regional Officers who serviced country South Australia were Troy McNeil (Country East) Hayley Allen (Country South) and Giles Ellis (Country North/West).

Our Club Development/Regional Officers conducted 385 face-to-face visits (up by 31 visits previous year) with our affiliates during the financial year to develop strong relationships with our tennis community that resulted in 15,685 registrations for 2020/21 – excluding ANZ Tennis Hot Shots registrations. Important relationships were also developed with non-affiliated clubs which has resulted in new affiliates coming on board this past financial year.

## SCHOOL DEVELOPMENT COORDINATORS

Shane Leathem and Troy McNeil did an amazing job in the school's space in the absence of Amelia and Scott. Shane led all communications across metro areas and brought on five university placement students from UniSA. Corey, Ryan, Gary, Lee, and Will were a fantastic help to the team, we thank them for their contributions and wish them all the

best on completing their studies. Troy led the strategy in the country team working with Hayley and Giles to ensure schools were serviced to the highest standards.

Tennis SA is pleased to report we had 250 primary schools registered as part of the Australian Sports Commission Sporting Schools (Partnership and Play program) during 2020/21. Tennis SA also had 37 secondary schools register. Through these programs, Tennis SA engaged 45,452 students across the state. We also travelled to 17 different schools presenting racquets to reception students in conjunction with the local coach, Todd Woodbridge and of course ANZ.

Tennis SA also held 49 district schools competitions (up from 33 in 2019/20) across the state, including hosting our largest ever in participation numbers (320 students at the Riverland District Carnival). Due to the overwhelming numbers, we decided to add a year 5/6 carnivals to some district days which gave more students the

chance to participate.

Winning schools from their respective district were invited to a metro and country final, to be played over two days at the Tennis SA Clay Courts. Torrens Valley Christian School were awarded champions of the metro competition and Cobdogla Primary the champions of the country competition.

## SYSTEMS

The new kid on the block is Club Spark which will be superseding My Tennis in the coming months. The team has been working hard behind the scenes to get clubs and associations on boarded to become digitally enabled. This will ensure reduced administrative workload for volunteers and increased visibility to the public, encouraging new participants and potential members to clubs. We currently have 65 clubs that have made the transition to date.

ClubSpark is a digital solution that makes tennis more accessible online.

For consumers (tennis players) it provides easy access and seamless experiences to tennis activities such as finding and booking a court, joining a club or registering for an open day event.

For club administrators it provides simple to use tools to manage club activities, such as managing memberships, communicating with players, timetabling & website updates.

## CLUB DEVELOPMENT WORKSHOPS

Due to COVID-19 restrictions in place, Tennis SA implemented an online Club Development Workshop Series to keep our affiliates up to date with new programs and systems.

Key topics discussed during the series included Club Spark (online operating system) Grants and fundraising initiatives through Australian Sports Foundation. Match Centre upgrades presented by Tennis Australia and COVID-19 operating requirements for clubs, members, and coaches to ensure

# PARTICIPATION REPORT

information was up to date to keep everyone safe

## OPEN COURT SESSIONS

Open Court Sessions continued its second year in encouraging new and inactive participants back to tennis in a social, fun environment.

No gear? No problem, everything is supplied for an Open Court Session and you don't need to dress like a Grand Slam champion to join in. Just wear comfortable clothes (think sneakers) and arrive at the session, where racquets and balls (including the cool compression ones) will be provided and courts (both full size and mini versions) are all set up and ready for your hit.

Forget the traditional tennis thinking of a full-size court, serious scoring and hitting the right shot at the right time. With an emphasis on fun, Open Court Sessions included activities like triples (doubles, with

room for one more!) and pickleball – one of the fastest-growing racquet sports in the US, pickleball is played with paddles rather than racquets, and a plastic ball on a mini court.

## DIVERSITY AND INCLUSION

Tennis SA continues to work with clubs and coaches to ensure tennis is open and accessible to all. We strive to ensure pathways for each segment are provided.

The Pride Tennis club, supporting the LGBTIQ+ community is a new affiliate with Tennis SA. We look forward to working together in future activations to ensure tennis is inclusive and played in a safe and welcoming environment.

Blind & Vision Impaired championships were held under the roof at Memorial Drive. We were fortunate our borders were

open with NSW which saw a record number of participants for the event. Nick Bradley (Somerton Park TC) champions this space and was tournament director on the day. Unfortunately, the Peter Smith Intellectual Disability championships were unable to be held due to border closures. We are hopeful we can run the event later in the year.

Tennis SA is very proud to announce the finalisation of our Reflect Reconciliation Plan (RRAP). This RRAP will guide us on our journey to learn more about Aboriginal and Torres Strait Islander cultures and provide more opportunities to Aboriginal and Torres Strait Islander peoples. We look forward to providing unique opportunities in the coming years to get more people playing tennis.

# RALLY AS ONE REPORT

Bushfires raged across Australia in January 2020, with the worst affected regions in South Australia including Kangaroo Island and Adelaide Hills.

## KANGAROO ISLAND

48% of Kangaroo Island was devastated by the bushfires, with two tennis clubs directly impacted.

Stokes Bay Tennis Club received \$40,000 in September to help rebuild after the Tennis Club and Community Hall was partially destroyed by fire, including the hall, clubrooms and kitchen, along with the playground, tennis courts, nets and fences.

Tennis SA, on behalf of the Australian Open and Australian Tennis Foundation, visited Kangaroo Island in November to launch the Rally as One program in support of bushfire affected communities.

The initiative came after the global tennis community united to raise more than \$6 million in

January as part of the Australian Open's Aces for Bushfire Relief initiative.

The Rally as One National Launch saw Year 3/4 students from the Kangaroo Island Community Education, Parndana Campus presented with brand new racquets before participating in beach tennis with members of the Kangaroo Island and tennis communities.

40 Reception students at Kangaroo Island Community Education Kingscote Campus received brand new racquets thanks to ANZ Tennis Hot Shots Racquet Roadshow initiative. Tennis legends Todd Woodbridge and John Fitzgerald will make a special virtual appearance, with an in person visit from Sandon Stolle.

110 Year 3/4 students took part in the ANZ Tennis Hot Shots Kangaroo Island District School Carnival, with all receiving brand new racquets to take home.

The Rally as One Community Tennis Activation was open to all

members of the community, with activities including ANZ Tennis Hot Shots, Cardio and Social Tennis.

## ADELAIDE HILLS

The Cudlee Creek fire took hold just days prior to Christmas in 2019, with towns such as Lobethal, Woodside, Brukunga, Harrogate and Mount Torrens in its path. The fire was declared safe two weeks later having destroyed over 23,000 hectares, 98 homes, over 500 buildings and more than 300 vehicles. Tragically, one life was lost.

As part of Rally as One, the Tennis SA team joined with the Adelaide Hills community on Sunday 21 February at the Mount Torrens Tennis Club for a day of ANZ Tennis Hot Shots, Social Tennis, inflatables, raffles and giveaways.

Tennis SA will continue to support the rebuild, as well as deliver tennis programs to assist both communities in the years to come.

## BOOK A COURT

Book a Court is an online court booking and payment platform, which is integrated with pin pad technology placed on a court entry gate. When players book and pay for court hire online, they receive a PIN that allows them to access their court and turn on court lighting if required. The system aims to provide flexibility and ease of access to players wishing to hire a tennis court, while increasing court hire revenue and decreasing the administration burden on club volunteers. Book a Court is a priority program following outstanding results from interstate regions that have embraced the system.

At the time of reporting, Tennis SA has supported the installation of the system at the following venues:

- Ascot Park-Vermont Tennis Club (Woodforde Family Reserve)
- Bellevue Heights Tennis Club
- East Adelaide Payneham
- Greenacres Tennis Club
- Hectorville Tennis Club
- Littlehampton Tennis Club
- Lockleys Tennis Club
- Lutheran Tennis Club (Murray Bridge)
- Morphetville Park Tennis Club
- Port Augusta Tennis

- Tennis SA Clay Courts
- Tennis World Millswood\*
- Victor Harbor Tennis Club
- Warradale Park Tennis Club
- Willunga Tennis Club\*
- Woodville Orion Tennis Club

(Smith Reserve courts)

\*Installation to be completed

The Book a Court system continued to see an increase in bookings across the state and country during the 2020/21 financial year. The COVID-19 lockdown restrictions were reduced which saw more people

engage with the system booking a court and enjoying the social, mental and physical benefits of tennis. Data obtained from Tennis Australia's award-winning Book a Court online booking system has shown a sharp increase in the number of people playing tennis during the 2020/21 period compared to that of the previous financial year. The Book a Court figures in SA also dramatically increased with both venues and number of bookings seeing a rise in uptake. Tennis SA were successful in receiving funding through the State Government's Office for Recreation, Sport and Racing to install the system in 15

more venues over three years, which concluded in 2020/21. Tennis SA will continue to work with clubs, local councils, and Tennis Australia, in the expansion of this program.

## FACILITY AUDITS

Tennis SA conducted 211 facility audits during the past financial year. Consisting of club and community access venues in both metro and regional South Australia. The facility audits assist Tennis SA to update our register of infrastructure and amenities at each venue. This in turn helps to support strategic planning initiatives and applications for funding to government and

other agencies. Facility Audits also form part of the Tennis SA Places to Play Strategy for 2019 -2022 to help us identify where we need to maintain, sustain and improve tennis in South Australia.

## TENNIS SA PLACES TO PLAY STRATEGIC PLAN 2019-2022

The Tennis SA Places to Play team is part of a national team that supports participation sustainability and growth through a network of welcoming tennis venues and deliverers. Tennis is played at over 600 venues across Adelaide and South Australia, all offering a variety of facilities and services. The Tennis SA Places to Play Strategic Plan 2019-2022 has been developed to guide the accountable provision and sustainable management of places where tennis is accessible so to benefit the whole community.

The plan delivers a set of broad expectations for Tennis SA affiliated bodies, all levels of Government and other key stakeholders to work collaboratively and clearly communicate on proven and innovative actions that will:

- Improve the quality of existing facilities
- Enhance our partnerships
- Ensure an appropriate spread of quality venues across the state
- Plan and develop new facilities in major growth areas, schools and community spaces

## VENUE DEVELOPMENTS

Despite the restrictions that COVID-19 imposed on infrastructure projects during 2020/21, many venues around South Australia were developed or upgraded, with funding assistance from parties including local councils, Office for Recreation, Sport and Racing

(ORSR), Tennis Australia and the respective clubs. South Australian tennis clubs again received wonderful support for community tennis infrastructure projects with \$4.6 million provided through the ORSR Infrastructure Projects Fund (announced May 2021). This funding program comprised of Community Recreation and Sport Facilities Program, Regional and Districts Facilities Program and the Grassroots Facility Program.

Due to the financial impact of COVID-19 Tennis Australia's National Court Rebate Scheme (NCRS) has been placed on hold. Prior to the NCRS program being paused Tennis Australia supported community tennis infrastructure projects and participation initiatives via the NCRS and contributed \$73,000 towards projects in SA.

# COACH DEVELOPMENT REPORT

At the end of the 2020-2021 financial year there were 208 financial coaches in South Australia comprised of 52 business, 92 qualified and 64 trainee coach members. 31.2% of these coaches are female coaches. Tennis Australia continues to maintain the highest possible standard in professionalism by having all qualified coaches compliant. Qualified coach members must hold a recognised first aid qualification, a National Police Check and Working with Children Check as a compulsory requirement of coach membership. Ongoing professional development has remained a focus for the Coach Development team with 14 workshops presented in the last 12 months, including a virtual workshop which was viewed by

coaches from across Australia at a time when most of the nation was in lockdown. Three workshops were delivered regionally.

Following the highly successful Coaches Conference in January 2020, unfortunately due to COVID-19 there was no such event in 2021. The 'Women in Tennis Coaching' networking event was this year held in line with "A day at the Drive" where 18 key female South Australian coaches attended. Olympian, Jess Stenson (Marathon runner) addressed the group this year, she spoke about her journey and her excitement of representing Australia again at the Olympic Games in Tokyo later in the year. This was followed by lunch before joining a virtual workshop that was being viewed across Australia at similar Female networking events.

Another fantastic event bringing female coaches from across South Australia together.

The Coach Development team continued with the 'Industry Leaders' meetings throughout the year, this group of leading operators around the state gathers in an effort to drive the sport of tennis forward, particularly through this COVID-19 time which has seen tennis coaching thrive. 64 unique coach check-ins were conducted with 14 of these being with regional coaches. Coach check ins are an opportunity to meet with these coaches in their club environments, talk through any challenges they are facing and help them improve their day to day running of their business operations. For the second year in a row all 12 Foundation Cup coaching positions were filled

with regional coaches. Once again there were three regional coaches becoming qualified this year, the competition for these coaching positions moving forward will continue to get stronger.

Courses: In 2020-21, five Foundation Coaching courses (up from 2 last year) were held with 38 participants. This course is a five-hour course targeting young aspiring coaches who are predominantly assistant coaches at their club. The Community Coach Course (CCC) was delivered once in the last year to a total of 19 participants. This is a three-day course focusing on the delivery of ANZ Tennis Shots. There was one Junior Development Course (JDC) delivered which incorporates a

Certificate III in Sports Coaching and is delivered over a six months period. While two courses were initially offered (a weekend and Monday course), unfortunately only one course was ultimately delivered due to the lack of resources, however the number of participants increased by 50% to see 18 coaches currently completing this course with seven female coaches and two regional coaches. As is tradition, the Club Professional Coaching (CPC) course is offered every year, but generally the numbers to conduct this course are only achieved every second year, in 2021 we have 8 coaches completing the course (seven males and one female coach). The 'Presidents Women in Tennis'

scholarship is available for Females the participate in either the Junior Development Coaching course or the Club Professional Coaching course, this year 3 coaches received assistance through the scholarship (2 in the JDC and 1 in the CPC).

While the threat of COVID-19 is still real, in South Australia the coaches have been the least effected of any coach cohort across Australia and similar to last year, a big congratulations should go out to all coach members following the professional manner in which they have conducted themselves and their businesses.

## STATE LEAGUE

The 2020/21 State League season was another strong display of high-level tennis played between the best players in South Australia. 8 teams competed in the State League Men's competition and 6 teams in the Women's competition.

In the men's competition both Seacliff and Glenlea earned their way into the Grand Final. In a very tense affair Seacliff were able to secure the win after winning 3 of the singles rubbers and winning a set in both of the doubles rubbers to clinch the State League Men's Premiership.

In the women's competition it was again Glenlea and Seacliff in the Grand Final. In a tightly fought contest Glenlea were too strong winning 4 rubbers to 2 securing their second consecutive State League Women's Premiership.

Jack Schipanski from Glenlea won the Men's State League Player of the year while Jasmine Adams from Seacliff won the Women's award.

Tennis SA would like to acknowledge the State League Advisory Group made up of Mike

Daws (Chairperson), Michelle Leyden, Neville Messenger, Kimberly Absalom and Vittoria Peresano.

## JUNIOR STATE LEAGUE

The 2020/21 season of Junior State League consisted of players competing against the best juniors in South Australia over a 14 round season.

The Boys competition comprised of eight teams with four making the finals. Seacliff and Trinity Gardens both won their way through to the Grand Final. In a very close affair, after splitting the singles evenly Seacliff was able to come out on top winning both doubles matches to claim the Junior State League Boys Premiership.

The Girls competition consisted of eight teams with four making the finals. Seacliff and Athelstone were both able to win their way through to the Grand Final. In a close and tight matchup, Seacliff were able to remain composed winning 4 rubbers 2 and securing their second

consecutive Junior State League Girls Premiership.

Lachlan Brain from Seacliff won the boys Junior State League Player of the Year while Cydney Crumbie and Georgia Plunkett from Seacliff shared the girls Junior State League Player of the Year

## METRO LEAGUE

In 2020/21 the men's competition consisted of four divisions comprising 32 teams. The women's competition consisted of two divisions and 16 teams.

Tennis SA hope that all participants enjoyed their time competing in the across Association competition.

Patrick Luke from Memorial Drive won the Men's Player of the Year and Sarah Mildren from Glenlea took out the Women's Player of the Year.

Tennis SA would like to acknowledge the Metro League Committee made up of Neville Messenger (Chairperson), Anne Morgan (SDTA), Brandon Oster

(NETA), Darren Wunderer (WDTA), Ann Langman (Metro Lawn), Gary Stratford (EDTA) and Roger Davey (GDTA).

## 10/u GREEN BALL STATE LEAGUE

This is the third season Tennis SA has delivered this competition. This season consisted of a full 13 week season, linking with the Junior State League competition.

It's exciting for junior tennis, with some of Adelaide's best 9 and 10 year olds involved. This is not only exciting for the sport but exciting for the participants as they are playing kids the same age, similar ability and on the correct modified ball, beneficial for their development.

The competition consisted of 8 teams. In the grand final, Broadview were too strong for Seacliff winning 4 sets to 1.

The player of the year was awarded to Josh Nguyen from the Broadview Tennis Club.

# COMPETITIONS REPORT (continued)

## ANZ TENNIS HOT SHOTS MATCH PLAY LEAGUES

During the 20/21 summer season Tennis SA continued the delivery of ANZ Tennis Hot Shots Match Play Orange Ball Leagues in Glenelg Districts Tennis Association and Western Districts Tennis Association.

The response to the Orange Ball competition continues to be positive with the WDTA orange ball league consisting of 14 teams comprising of three players each, and the GDTA orange ball league consisting of 10 teams comprising three players each.

These Match Play Leagues were term length seasons, with a home and away format. The key difference was having the final round matches at one location to act as 'super rounds'. The feedback overall was very positive, with the kids loving the super rounds and the presentations, and these Match Play Leagues have continued to run throughout winter in both associations.

## EDTA/NETA SENIORS

# EVENTS REPORT

## STATE FOUNDATION CUP

The 2020 Foundation Cup was played over four days on the courts of the Berri Lawn Tennis Club in perfect weather conditions.

Six regions, Eyre Peninsula, Upper Northern and Yorke, Lower Northern, River Murray, South East and Hills Fleurieu competed in the teams format combining the boys and girls in each age group for 13-and-under, 15-and-under and 17-and-under.

With nearly 150 of the best regional juniors in South Australia battling it out, the standard of tennis throughout the event was extremely high. Spectators were spoilt for choice with sensational matches taking place on the many courts.

This year for the first time coaches were allowed to speak with their players during change of ends and the end of sets. This was a change that was very positively received with both players and coaches enjoying the greater access throughout the matches.

Upper Northern and Yorke were thrilled to walk away with their first State Foundation Cup age group win in the 13-and-under division. Lower Northern and Hills Fleurieu were dominant taking out the U15's and U17's age groups. Hills Fleurieu once again claimed the overall State Foundation Cup team championship.

One player from each division was awarded the prestigious Kevin Schwarz Sportsman Award. This award is presented to the boy and girl who demonstrate exceptional on court behaviour and is voted on each round by the opposing team. The huge spread of votes across such a large number of players spoke volumes of the professional and respectful manner in which players were participating in, and was a credit to all involved.

Congratulations to our sportsmanship award winners:

### 13/u

Boys – Jamie Burdelof (Lower Northern) and Lenni Rodwell (Lower Northern)  
Girls – Lucy Handbury (South East)

### 15/u

Boys – Lachlan Maywald (Hills Fleurieu)  
Girls – Sophie Nettle (River Murray)

### 17/u

Boys – Arley Byass (Eyre Peninsula)  
Girls – Olivia Wuttke (Lower Northern)

## SOUTH AUSTRALIAN TEAMS CHALLENGE

The inaugural South Australian Teams Challenge was held in Adelaide at the West Lakes Tennis Club.

The South Australian Teams Challenge saw representative teams from Regional South Australia and Metropolitan South Australia take on each other in 13/u, 15/u and 17/u age groups. Players were involved in both a teams component as well as an individual event to

provide further competitive play opportunities for participants.

The event is the next step in the pathway for regional players, with the top three participants in each age group selected from their performance in the individual component of the State Foundation Cup held in Berri in October. In the past, selection has seen players earn the right to represent Regional South Australia at the national level, however this was not possible in 2020 due to the COVID pandemic.

### 13-and-under Regional State Team

Bryan Dickson (Lower Northern)  
Cooper Ferme (Upper Northern and Yorke)  
Lucy Handbury (South East)  
Eva Schmucker (Eyre Peninsula)  
Maria Tzanavaras (River Murray)  
Dylan Wilson (Hills Fleurieu)

### 15-and-under Regional State Team

Adele Inglis (Upper Northern and Yorke)  
Lachlan Maywald (Hills Fleurieu)  
Sophie Nettle (River Murray)  
Benjamin Siedel (Hills Fleurieu)  
Olivia Wuttke (Lower Northern)

### 17-and-under Regional State Team

Jake Baker (Hills Fleurieu)  
Jenna Barry (Hills Fleurieu)  
Arley Byass (Eyre Peninsula)  
Emily Edwards (South East)  
Callum Hillier (Hills Fleurieu)  
Georgia Tregaskis (Hills Fleurieu)

### 13-and-under Metropolitan State Team

# TOURNAMENTS REPORT

## AUSTRALIAN RANKING TOURNAMENTS - JUNIOR TOURNAMENTS AND AUSTRALIAN MONEY TOURNAMENTS

2020/21 has been another busy year for the tournaments team in South Australia. UTR Tournaments continued in popularity in the second half of 2019 while Australian Ranking Tournaments continued to be suspended due to COVID-19. 1 January 2021 saw the commencement of Australian Ranking Events across the country. The Australia Pro Tour was put on hold due to COVID-19 and therefore no Pro Tour Events were held in SA over the past 12 months. UTR Pro Tennis Series Events were introduced to provide playing opportunities to those unable to travel overseas and compete due to COVID-19.

## JUNIOR TOURNAMENTS

Between July - December 2020, 19 UTR Tournaments were offered to players across SA while Australian Rankings Events were suspended due to the continual impacts of COVID-19. 1173 participants were involved in these tournaments over the 6 months.

On January 1, 2021 Australian Ranking Tournaments recommenced. 15 Junior Tournaments (JTs) took place over the first six months of 2021 with participant numbers totalling 1160. A Female Only Event was held at West Lakes which saw 37 girls participating. A Doubles Only Trial Tournament was also held and attracted 16 pairs. Regional JT's were again held in Renmark, Berri and Mount Gambier with numbers consistent to those of 2020.

## AUSTRALIAN MONEY TOURNAMENTS

Australian Money Tournaments (AMT) also recommenced on

January 1 2021 with 6 events being held over the first 6 months of 2021. A total of \$21,500 in prizemoney was earned by players. Due to COVID-19, only one of the 6 events was a Gold level AMT and this event was held at Happy Valley Tennis Club. No Platinum level events were held.

## JUNIOR DEVELOPMENT SERIES

Junior Development Series (JDS) Events recommenced in late 2020 and nine events were scheduled between December 2020 - June 2021. Metropolitan numbers increased to an average of 63 players per event while regional number were slightly lower than previous year averaging 62 players per event. Regional JDS Events were held in Lucindale, Renmark, Loxton and Port Lincoln with all regions using these events as a part of their Foundation Cup pathway.

## AUSTRALIA Series

### UTR PRO TENNIS TOUR

Two UTR Pro Tennis Tour events were held back-to-back at West Lakes Tennis Club from May 24 – June 6 2021. The UTR Pro Tennis Tour events were introduced following the successful rollout of the tour in 2020. The format featured a singles only competition for men and women based on Universal Tennis Ratings (UTR), and featured a player group round robin followed by a World Cup-style playoff format.

In week 1, Li Tu (Royston Park, SA) defeated Omar Jasika (Vic) 5-7 6-0 6-2 to win the men's tournament, his fourth UTR Pro Tennis Tour title in his home state. In the women's, Bozovic defeated Belinda Woolcock (Vic) 6-2 6-3 to

take the win.

In week 2, Tu defeated Scott Jones (WA) 6-3 2-6 6-4 to win the men's tournament, making it five from five UTR Pro Tennis Tour titles in his home state. In a rematch of Week 1's women's final, Bozovic defeated Belinda Woolcock (Vic) 7-6(2) 6-2 to take the win.

### BALLKIDS

There were 136 expressions of interest to be a Ballkid at the 2021 Adelaide International. Due to training commitments, age criteria and the 2021 event falling during the school term, only 63 participated during the week. Ballkids attended a minimum of 4 and maximum of 7 training session in the second half of 2020. Ballkids

were provided with 1 hat, 2 shirts, one pair of shorts, 2 pairs of socks and a water bottle as uniform for the tournament. They had to provide their own shoes. Lunches and dinner were also provided to ballkids for the duration of the event. Each Ballkid rostered on centre court was allocated one complimentary ticket per shift, and for ballkids rostered on outside courts, they were given two complimentary tickets per shift. These were used by parents and they were very appreciative. Jntary ticket per shift, and for ballkids rostered on outside courts, they were given two complimentary tickets per shift. These were used by parents and they were very appreciative.

# OFFICIATING, POLICY AND EDUCATION REPORT

## OFFICIATING

In 2020/2021 the following accredited courses were run in South Australia:

- Chair Umpire Level C course
- Court Monitor course

These courses were well attended and were followed by training and assessments resulting in:

- Two new Chair Umpires with five more continuing their training to reach accreditation later in 2021
- Four new Court Monitors
- Two Court Monitors progressed to Court Supervisors.

Marija Lentic and Serena Jakob were accepted into the TA Referee Development Program. Multi-disciplined official Ian Curran won the Tennis SA Excellence in Officiating Award as well as the prestigious Phil Read Trophy for Outstanding Service in Officiating in SA. Once again, several SA line umpires, chair umpires and Referees excelled on the international stage and were selected for A Day at the

Drive and the Women's WTA500 Adelaide International, as well as the UTR Pro Tennis Tour.

## POLICY EDUCATION

The position of the Policy and Education Officer is designed to guide and educate clubs throughout SA in implementing policies approved by Boards at both national and state level ensuring tennis is played in a safe and enjoyable environment.

Child safety continues to be monitored by the TA Integrity department and the Policy and Education Officer at Tennis SA with support from Tennis SA staff. Compliance with national policies and state government legislation through appropriate screening and Child Safe Environments further accentuate the emphasis on all participants feeling safe in our tennis environments.

Working with Children Legislation Implemented by the SA Government was communicated to all clubs and associations in SA in

accordance with Child Protection in Tennis.

The Member Protection and Disciplinary Policies were also enforced through investigation and hearings of player, parent, and spectator behaviour.

## TOURNAMENT SERVICING

Tennis SA were able to meet service requirements at all Australian Rankings Tournaments including tournaments in regional areas at Renmark, Mount Gambier, and Port Pirie. Tennis SA continued to service tournaments with Chair Umpires and Line Umpires at an 85% efficiency rate. The minimum servicing of these tournaments with referees and court supervisors was also met. Court Supervisors were also used at all State League Men and Women minor rounds, as well as all finals. Officials were also used at various junior association events and at the Junior State League and Green Ball Grand Finals.

# MEMORIAL DRIVE CENTRE COURT REDEVELOPMENT REPORT

\$44 million in funding for stage two of the Memorial Drive Centre Court redevelopment was announced as part of the South Australian Government's budget in November.

Planning commenced immediately and updated architectural 3D images were revealed in February, ahead of the project beginning in March.

Demolition of the North Stand commenced just two weeks after the last ball was hit at the Adelaide International. Kennett Builders and McMahon Services Australia, two South Australian-based companies, joined forces to complete the demolition process.

Minister for Recreation, Sport and Racing Corey Wingard joined Tennis SA CEO Debbie Sterrey, Tennis SA President Kent Thiele, Vice-President Philip Roberts and four up-and-coming junior tennis players to turn the sod on the project in April.

This project has created 85 full-time jobs and employed a minimum

of 350 people in a variety of roles. Twenty one new apprenticeships have been created.

Construction has continued throughout 2021 with over 4,600 cubic metres of concrete installed.

The upgrade will allow Memorial Drive to host a wider variety of community, sporting and entertainment events, as well as make the venue an attractive proposition for other high profile tennis events such as Davis Cup and Billie Jean King Cup (formerly Fed Cup). Tennis Australia has confirmed world-class tennis will be staged at the venue for 10 years.

The venue will be event ready for the Adelaide International in January 2022, with project completion expected in mid-2022.

## THE \$44 MILLION STAGE PROJECT INCLUDES:

- The demolition of the North Stand
- Construction of new Northern and Eastern Facilities linked by a concourse level, with enhanced patron amenities, food and beverage facilities
- Northern Facility to include a Media and Sports Technology Centre, with broadcast facilities, media lounge and space for high performance sports research and development
- Eastern Facility to be integrated with the Adelaide Oval Southern Plaza, incorporating high performance training facilities, premium multipurpose event and function spaces
- Northern and Eastern Facilities fully accessible to all levels
- Addition of rigging points on the roof and feature lighting.

# MARKETING AND COMMUNICATIONS REPORT

The last year has been unique in many ways with COVID-19 continually changing the landscape for our sport and the community. Through these challenging times, our team has worked tirelessly to ensure our courts are open, tennis is promoted and accessible for all, and we are adapting and launching new initiatives to see tennis thrive.

## A DAY AT THE DRIVE

What an event to promote! The Day at the Drive marketing was simple – promote the best players in the world. We used digital and social to create event awareness, with the ticketing message only live for one day given the event sold out in under ten minutes. Our team was also responsible for all PR and media, event and quarantine signage, socials and content, Centre Court management and production.

## ADELAIDE INTERNATIONAL

The marketing campaign for year two of the Adelaide International looked very different as the event was held after the Australian Open and was added to the calendar with a shorter lead time. The

campaign was heavily focused on digital and radio, and the strategy was to promote the later sessions in the week with a focus on rich player content including grabs from players encouraging people to come along. Our team was also responsible for the management of all media, socials and content, event signage, entertainment including Kids Zone and the Racquets and Strings Festival, TennisFest, Centre Court management and production, and fundraisers and events, making for another exciting experience for all involved.

## GRASSROOTS MARKETING

Our aim is to get more people playing more often. With this in mind, we strive to provide an ‘always on’ approach to our participation marketing initiatives so there is always a way to play.

Some key highlights:

### Book a Court School Holiday campaigns

Supporting all venues will be the book a court technology across the school holiday period with paid

social and local area marketing initiatives. This year our December campaign saw the best results with 684 bookings. The campaigns had 4651 impressions on Facebook with a reach of 9373 and gained us 74 followers.

### ANZ Tennis Hot Shots District School Carnivals

We were delighted to promote and support over 59 carnivals in the 2020/21 year. The Riverland Carnival in August was the biggest one yet, and we developed up a School Carnival video to promote this key pathway for future initiatives.

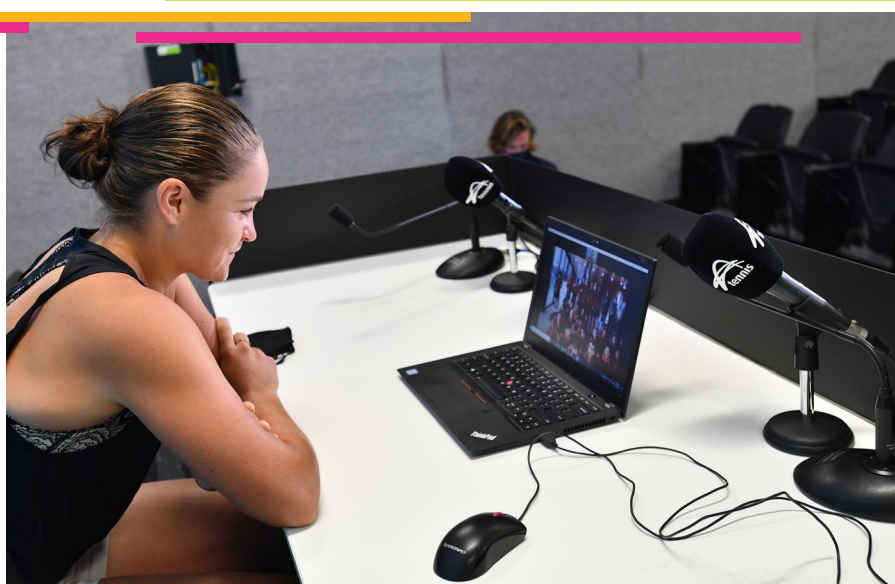

### ANZ Tennis Hot Shots Racquet Roadshow

We were pleased to host the first virtual ANZ Tennis Hot Shots Racquet Roadshow at Reidy Park Primary School in Mount Gambier. This was the first of many ANZ Tennis Hot Shots Racquet Roadshows, putting racquets in the hands of students at 98 schools around South Australia.

### Release the Player Within

The national marketing team presented a new participation marketing campaign – Release the Player within. The campaign aims to attract new participants to the sport and promotes tennis as a sport, focusing on key participation products including Open Court Sessions, Cardio Tennis and ANZ Tennis Hot Shots. Our team used the campaign to locally promote all initiatives, a key highlight being our Roland Garros Open Court Session which we hosted at the Tennis SA Clay Courts.

We also ensured we focused our content marketing around celebrating our community, including posts for Volunteer Week, NAIDOC week and Reconciliation

Week. We helped to drive our Females in Tennis development camps, posted weekly results and updates for our State League, and continually covered all of competitive offerings highlighting the amazing talent in our state.

### **Tennis Design Hub**

Finally, we launched Tennis Design Hub, a new initiative that allows Clubs, Associations and Coaches to receive professional and specially designed marketing material. There is a whole suite of new marketing assets that are able to be personalised ready for clubs to promote all of their offerings. Our next year will see us drive this through clubs and associations with the aim to increase their digital presence and get more people playing.

### **TENNIS SA AWARDS NIGHT**

In a time of uncertainty, we were proud to present our biggest ever Tennis SA Awards Night, with 308 confirmed attendees. The 2021 Tennis SA Awards Night was held on Saturday 1 May 2021 at the InterContinental Adelaide Grand Ballroom, and recognised players, coaches, clubs, communities, volunteers and officials for their service to the sport in South Australia. The marketing campaign focused heavily on nominations and the categories open and saw our largest number of nominees with 73 individual nomination submissions coming through. A big well done to our event team Breanna Hassam, Stav Mylonopoulos, Rennaha Cavallaro, Sarah Horgan and Bianca Marron for delivering the event, and

to our two hosts Tom Rehn and Shane Leatham.

### **TENNIS SA WEBSITE**

The Tennis SA website had over 74,500 users, a 4.9% increase from last year. We peaked in December and February, both months coinciding with pre-promotion and real-time promotion of our two events, Adelaide International and Day at the Drive. During the 2020/21 financial year, our website saw over 21,900 return users (25.2%) of to our website, leaving a massive 65,000+ new users (74.8%).

Our homepage had the highest number of views, with over 51,000 (18%) clicks. Following this, our Tournaments Calendar was the most popular subpage, receiving over 17,700 views (6.24%).

# PUBLIC RELATIONS AND MEDIA REPORT

## TENNIS SA

Major media events and topics included:

- Memorial Drive redevelopment
- National launch of Rally as One on Kangaroo Island
- ANZ Tennis Hot Shots Racquet Roadshow
- ANZ Tennis Hot Shots District School Carnivals
- Tennis SA Awards Dinner

## A DAY AT THE DRIVE

A Day at the Drive is an event that is unlikely to ever be replicated at Memorial Drive and will be remembered for quite some time to come.

The arrival and 14 day quarantine period for players attracted significant media attention worldwide.

A media opportunity on the banks of the River Torrens on

the morning of the event was a particular highlight.

A tweet on the Australian Open account showcasing Memorial Drive and heralding the return of crowds to sporting events saw a total of 1,320 retweets and was liked 8,200 times.

An analysis of the coverage for A Day at the Drive found almost 5,200 media items, with 90% of coverage having neutral or positive sentiment.

## ADELAIDE INTERNATIONAL

In person appearances were not possible until mid-way through the tournament due to COVID restrictions, however highlights included:

- Virtual draw ceremony with Olivia Gadecki
- Ash Barty Zoom call with

students from Torrens Valley Christian School

- Coco Gauff Zoom call with National Academy athletes
- Danielle Collins Zoom call with Port Lincoln Tennis Association
- Shelby Rogers visiting ANZ Tennis Hot Shots Schools State Final
- Champions photo shoot with Iga Swiatek at the Elder Park Rotunda

Once restrictions were lifted, players visited a number of restaurants and activities, showcasing Adelaide to the world through their social media channels.

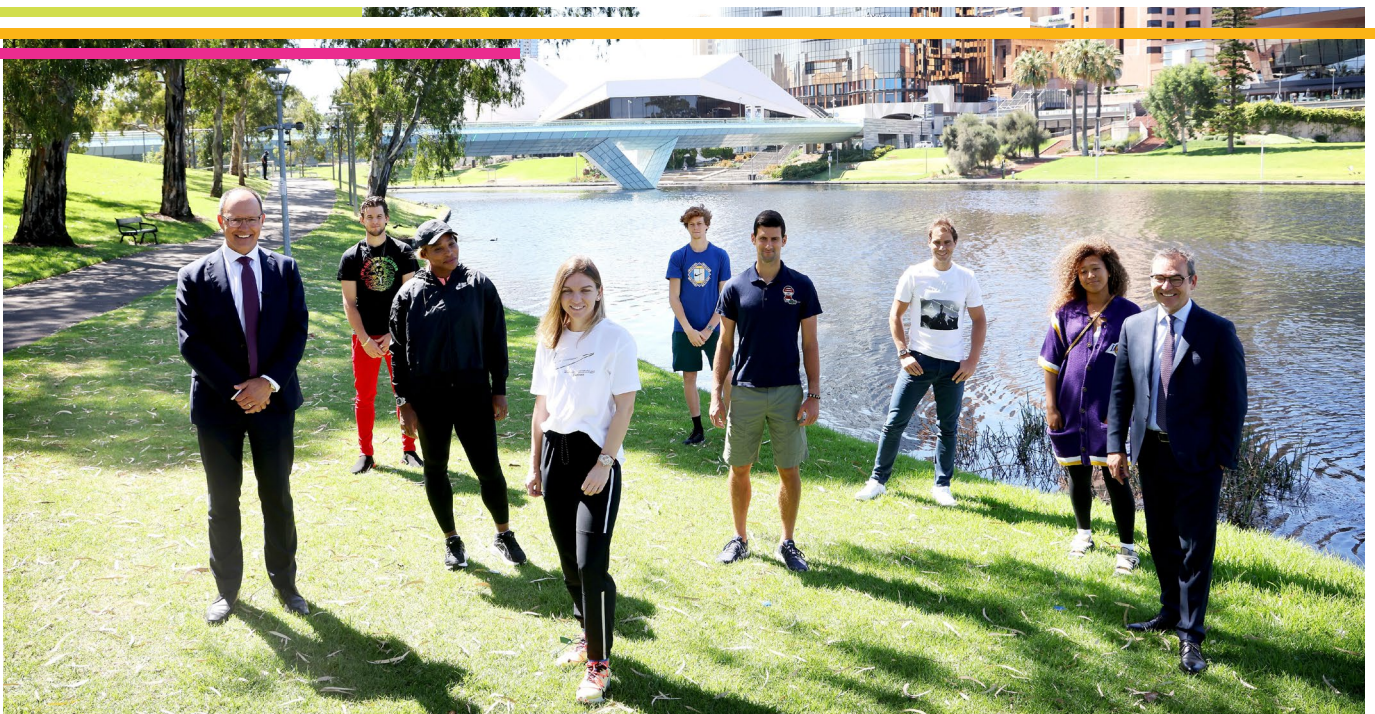

An analysis of coverage for the Adelaide International found around 4,600 media items, with 99% of coverage having neutral or positive sentiment. #AdelaideTennis trended on 28 February 2021.

## A DAY AT THE DRIVE

---

**“THE LAST TWO WEEKS HAVE BEEN GREAT; WE CAN’T THANK ENOUGH SOUTH AUSTRALIA AND TENNIS AUSTRALIA FOR ALL THE POSITIVE THINGS THEY MAKE.**

**“I THINK FOR BOTH OF US IT’S BEEN AN AMAZING PLEASURE TO BE HERE IN ADELAIDE FOR THE FIRST TIME IN OUR LIVES. HAS BEEN AMAZING TO PLAY AGAIN IN FRONT OF YOU GUYS, WE MISSED A LOT.”**

**- 20-TIME GRAND SLAM SINGLES CHAMPION, RAFAEL NADAL**

---

A star-studded field including Ash Barty (AUS), Serena Williams (USA), Rafael Nadal (ESP), Novak Djokovic (SRB), Dominic Thiem (AUT), Simona Halep (ROU), Naomi Osaka (JPN), Jannik Sinner (ITA) and Filip Krajinovic (SRB) headlined A Day at the Drive, the official curtain raiser to the Australian summer of tennis in 2021.

The one-off event was held at Memorial Drive Tennis Centre in Adelaide on Friday 29 January in support of the Australian Tennis Foundation and featured a total of nine players with an impressive 66 Grand Slam singles titles between them.

The event was announced on Saturday 9 January by Premier Steven Marshall MP and Minister for Recreation, Sport and Racing Corey Wingard MP.

The group of international players

arrived in Adelaide just five days later on Thursday 14 January before undertaking mandatory quarantine for 14 days. International arrivals for the Australian summer of tennis were over and above the numbers of returning Australians to the country during the COVID-19 pandemic.

Players and their support teams stayed in North Adelaide and trained at Memorial Drive, with access to two practice courts and six individual gyms.

The quarantine requirements for this event were delivered in a true collaboration between South Australian Government, SA Health, South Australian Police, Tennis SA and Tennis Australia. South Australian Police indicated it was one of, if not, the best international sporting event delivered in COVID-19 times.

A Day at the Drive featured two sessions with reduced venue capacity to 4000 (75%) in line with State Government requirements to ensure the safety of all patrons.

Tickets went on sale on Thursday 21 January and the allocation was exhausted within 30 minutes.

Memorial Drive was released from quarantine in the afternoon on Thursday 28 January and in less than 18 hours the venue was transformed ready to host the first tennis event in front of fans in almost 12 months.

Williams, 23-time major winner, won a blockbuster clash against reigning US Open champion Naomi Osaka 6-2 2-6 [10-7] in the first of the women’s singles matches.

It followed a victory to the Serbian duo of Djokovic and Filip Krajinovic, who each played a set in a 6-3 6-3 win over Italian rising star Jannik Sinner.

The night session kicked off when Nadal and Thiem met in a rematch of their high-quality AO 2020 quarterfinal. But unlike that

occasion, it was Nadal who came out on top at Memorial Drive with a 7-5 6-4 win.

In the highest-quality match of the day in Adelaide, Barty’s power initially proved too strong for Halep until the Romanian’s consistency saw her race through the second set to force a match tiebreak. Halep eventually came out on top of to record a 3-6 6-1 [10-8] triumph.

The vision of A Day at the Drive was broadcast globally, and the world’s best players spoke to the international audience in glowing terms of Adelaide and South Australia.

The overriding takeaway from the day’s play was the joy the players clearly derived from competing for the first time in months, in front of crowds, in one of their favourite parts of the world – and the similar joy fans experienced witnessing the sport’s superstars up close at Memorial Drive.

A sincere thank you to the entire team involved in making this event possible. What a way to celebrate 100 years of professional tennis at Memorial Drive.

---

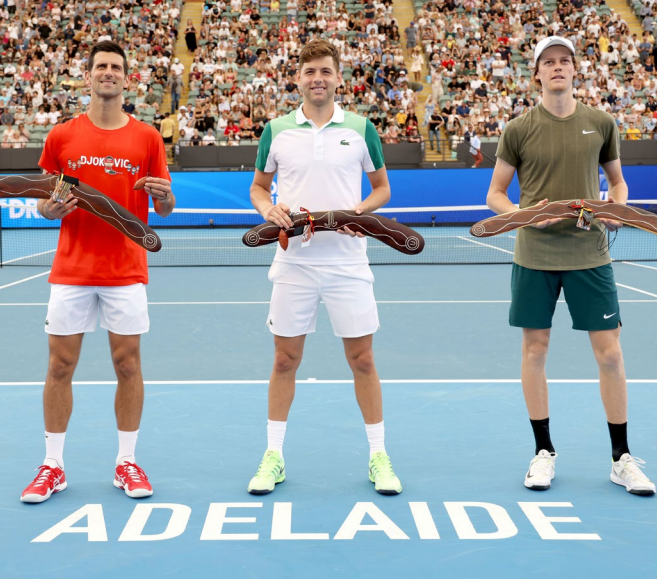

**“WE HAVEN’T PLAYED IN FRONT OF A CROWD IN OVER A YEAR, SO THIS IS REALLY COOL.**

**“AND THEN FOR HAVING US AND TRUSTING US WITH YOUR LAWS, WAS GREAT - WE WERE SO HAPPY JUST TO BE HERE, AND NOW IT’S WORTH IT.”**

**- 23-TIME GRAND SLAM SINGLES CHAMPION, SERENA WILLIAMS**

# ADELAIDE INTERNATIONAL REPORT

The second year of the Adelaide International looked very different with COVID-19 impacting all major sporting events across the globe. We were very proud to be able close out the summer of tennis with the WTA only event held from 22-27 February and welcomed some of the best females in the world back to Memorial Drive, including world No.1 and defending champion Ash Barty.

Delivering an international COVID-19 safe event with a very short turn around could not have been possible without a high level of stakeholder engagement. We would like to thank the SA Government, the South Australian Tourism Commission, SA Health, Office for Recreation, Sport and Racing, Adelaide Oval, SAPOL Next Generation Health Clubs, iEDM, our event partners, and the staff on the ground from both Tennis SA and Tennis Australia.

The 2021 Adelaide International ran across 10 sessions with a sold-out Saturday twilight final the perfect ending for the summer of tennis in Australia. The event was also broadcast globally reaching around 200 territories and was

domestically delivered into our lounge rooms through our partner in Channel 9.

2020 Roland Garros champion Iga Swiatek (POL) took out the title in a thrilling week of tennis at Memorial Drive, defeating Belinda Bencic (SUI) 6-2 6-2. An ecstatic Alexa Guarachi and Desirae Krawczyk defeated Hayley Carter and Luisa Stefani 6-7 (4) 6-4 [10-3] for the doubles title.

The finals were the culmination of eight days of tennis including qualifying and involved over 80 players from all over the world. The overwhelming feedback from the players were that they were very grateful to play in front of crowds again, and what an amazing atmosphere it was under the roof at Memorial Drive.

Even with the lens of COVID-19, the Adelaide International again proudly supported over 20 acts from the local music industry in the second year of our Racquets and Strings festival. Located in The Lawn area, performers played to the crowds as they relaxed with some food and beverages.

A live DJ wowed the centre court crowds for the final day before,

during, and after play adding to the amazing atmosphere and sold-out venue. In addition to great live music, we were proud to be able to provide unique player experiences for young fans, with virtual zoom calls with high profile players such as Ash Barty, Danielle Collins and Coco Gauff, plus a special socially distanced visit with Shelby Rogers (USA) to our ANZ Tennis Hot Shots Schools State Final at the Tennis SA Clay Courts.

Our Nielsen research suggests that the Adelaide Public are loving the tennis which provides great confidence for the team to continue to build on the Adelaide International for years to come.

A big thank you to the world class team at Tennis Australia and Tennis SA who delivered the event with such commitment and enthusiasm. Furthermore, our wonderful 200 plus volunteer army were so welcoming to both our players and

fans which has already established this event on the international calendar.

Again, this event would not have happened without the support of the South Australian Government and we should be thankful that

when the opportunity arose, with short timelines, Adelaide was able to feature on the global tennis calendar during the pandemic.

Here's to the future of international tennis at Memorial Drive!

---

**“ONCE THE 10-POINT BREAKER STARTED, EVERYBODY WAS UP, EXCITED, CHEERING, I KIND OF GOT THE CHILLS. AS A DOUBLES TEAM, WE REALLY DON'T GET THAT MANY FANS.**

**“IT WAS AWESOME TO HAVE THAT EXPERIENCE, TO GET THIS CROWD GOING, GIVE THEM A GOOD MATCH. I THINK WE DID THAT.”**

**- DESIRAE KRAWCZYK, ADELAIDE INTERNATIONAL DOUBLES CHAMPION**
