CLUB INSURANCE PACKAGE

All Tennis SA affiliated clubs will enjoy coverage under the Tennis Australia national insurance program for the following categories:

PUBLIC LIABILITY INSURANCE

This insurance can help protect your club against the financial risk of being found liable to a third party for death or injury, loss of or damage to property or 'pure economic' loss resulting from negligence.

MANAGEMENT LIABILITY

This insurance can help cover a range of financial risks for your club's directors and officers including some of the costs associated with any fraudulent activity.

PERSONAL INJURY INSURANCE

This insurance is designed to help offer some peace of mind to members, participants, volunteers etc. of your club by having protection against costs related to an injury sustained whilst involved in a tennis related activity.

All registered players should be entered into ClubSpark Tennis SA Membership database.

Associations will also benefit from the above insurance benefits.

All schools and self-insured facilities are charged a lower fee on the provision they are attached to another (or multiple) sporting codes at their venue that have sufficient insurance because of their affiliation with adjoining sports at their facility. They will not be covered through their Tennis SA Affiliation for Public Liability and Professional Indemnity, Management Liability or Cyber Risk. Please refer to the next page for further information.

All queries regarding the insurance cover should be directed to our broker:

TENNIS SA'S COMMITMENT

SAFEGUARDING CHILDREN AND YOUNG PEOPLE

Tennis SA in conjunction with Tennis Australia and Member Associations in other states aim to provide children and young people with a positive tennis experience and environment that provides for their physical, social and emotional wellbeing.

Tennis SA has a zero tolerance approach to any form of child abuse and is committed to ensuring that child safety is embedded in our organisation's culture and reflected in our policies and procedures. We expect all affiliated members to adhere to the highest possible standards with respect to safeguarding children from abuse.

SAFEGUARDING CHILDREN GUIDELINES

Tennis SA must comply with, and ensure compliance with the TA Safeguarding Children Guidelines. Tennis SA affiliates in turn should ensure compliance of their members.

To support compliance, TA has developed resource kits to provide club administrators and parents/guardians with the tools they need to ensure a child-safe environment.

The resources have been developed in association with the Australian Childhood Foundation (ACF) and are based on nationally recognised standards for the ACF Safeguarding Children program.

These resource kits are not meant to act as stand-alone documents, but are part of a bigger safeguarding children training campaign.

Resources can be found at:
www.tennis.com.au/childsafes

WORKING WITH CHILDREN CHECKS

Valid Working with Children Checks (WWCC) are a requirement of Tennis SA affiliation.

All committee members, coaches and anyone else in close contact with children must obtain or have a current WWCC. Failure to do so may result in your Club/Association not being entitled to affiliate with Tennis SA.

Your Club should maintain a register of those who have, and those who will need a WWCC and be able to produce this register on request from a Tennis SA representative.

Working with Children Checks are free for volunteers and can be applied for through the following link: <https://screening.sa.gov.au/applications/application-information-for-individuals> or contact your Club Development or Regional Officer for more information.
