

## **WINTER SEASON HITS OFF**

The winter season of Tennis Geelong competition hits off on Saturday next with 78 senior teams in 11 sections taking part with six teams namely Waurin Ponds, St Albans, Grovedale, Highton, Newcomb Maroon and Newcomb Blue making up the top section.

In the absence of top players who are involved in Tennis Victoria Melbourne Pennant during winter, both Newcomb teams should be the front-runners in Section 1 with the young Waurin Ponds and Grovedale teams challenging.

In Section 2 the summer premiers Hamlyn Park are outright favourites once again, however All Saints Anglican could surprise with Clifton Springs a close third.

In juniors 120 teams will commence competition on Saturday in 16 sections with strong competition in all sections likely.

Finals in both senior and junior Tennis Geelong Competition will be staged on August 17<sup>th</sup> with grand finals on August 24<sup>th</sup>.
