3.6 FINALS:

- 3.6.2 The Competition Committee shall allot two courts for finals use, which must be used unless otherwise mutually agreed to by the opposing captains.
- 3.6.3 Clubs should make sure their clubrooms, courts and facilities are open early for visiting teams. Clubrooms are to be left in the condition they are found.
- 3.6.4 Competing teams are each expected to supply new tennis balls (as stipulated in rule 3.10), a score sheet and afternoon tea supplies including milk, tea, coffee etc.
- 3.6.5 The time for starting all finals matches shall be 10.30am or 1.00 p.m. depending on the appointed starting time by the committee. If a match has not started within 15 minutes of the appointed starting time the referee/umpires shall penalise the team refusing or unable to play by awarding the set or sets in question to the team ready to play, six games to love. The umpires/referee shall report any untoward incidents to the Competition Committee for consideration. Lack of umpires shall not be an acceptable reason for refusing to play any set or sets.
- 3.6.7 Each team is to submit a separate team sheet to the umpires.
- 3.6.9 The weather committee will discuss on Tuesday when the weather is doubtful and an email shall be sent to Midweek Representatives OR allocated email addresses approx. TWO hours before the appointed starting time denoting the cancellation of that final. A notice will also be posted on the website and Tennis Geelong Facebook page. In the event of the COMPETITION COMMITTEE cancelling a final the team highest on the ladder competing will be deemed the winner.
- i.e. "Page" system – in the semi finals 1 meets 2, and 3 meets 4: a cancellation will result in 1 going straight into the grand final with 2 playing 3 in the preliminary final. 4 is knocked out.
- in the preliminary final a cancellation will result in the highest on the ladder going straight into the grand final
"Knock out" system – 1 meets 4 and 2 meets 3 in the semi finals; a cancellation will result in – 1 and 2 playing in the grand final
- Should the grand final be cancelled then the highest team on the ladder will be deemed the winner.
For sections with a lesser number of teams the structure of the final series will be determined by the Competition Committee, with the same format applied as above.
- However, if a match has not commenced or is interrupted by bad weather and play is impossible to continue, the match must be completed by the Friday following the appointed day. Results must be hand delivered immediately on completion of the match.
- If play has not commenced due to adverse weather, players and umpires are to remain at courts until 12.30p.m. as quite often the weather has improved enough to then commence play.
- 3.6.11 If a finals match is tied at the completion of play the teams shall immediately play an additional tie break SET to determine the match result. The choice of partners shall be at the discretion of each captain, provided both players have participated in the match.

Note

If you need to make a time to play a final by Friday following the match as per rule 3.6.9, you do not need to play the remaining sets at the same time, i.e. if players can make it Wednesday to play a set and the remaining four can play on Thursday, then this is totally acceptable. Do what needs to be done to complete the match.
