The umpires/referee shall report any untoward incidents to the Competition Committee for consideration. Lack of umpires shall not be an acceptable reason for refusing to play any set or sets.
- 3.6.7 Each team is to submit a separate team sheet to the umpires.
- 3.6.9 The weather committee will discuss on Tuesday when the weather is doubtful and an email shall be sent to Midweek Representatives OR allocated email addresses approx. "Knock out" system – 1 meets 4 and 2 meets 3 in the semi finals; a cancellation will result in – 1 and 2 playing in the grand final
- Should the grand final be cancelled then the highest team on the ladder will be deemed the winner.
For sections with a lesser number of teams the structure of the final series will be determined by the Competition Committee, with the same format applied as above.
- However, if a match has not commenced or is interrupted by bad weather and play is impossible to continue, the match must be completed by the Friday following the appointed day. Results must be hand delivered immediately on completion of the match.
- If play has not commenced due to adverse weather, players and umpires are to remain at courts until 12.30p.m. as quite often the weather has improved enough to then commence play.

Note

If you need to make a time to play a final by Friday following the match as per rule 3.6.9, you do not need to play the remaining sets at the same time, i.e. if players can make it Wednesday to play a set and the remaining four can play on Thursday, then this is totally acceptable. Do what needs to be done to complete the match.
