

Late Registrations:

All players that were not registered as original players in the team (base players) are classed as late registrations. The link is set up now for you to add any new players you may have since we closed team off for the season. This is the link:

https://docs.google.com/forms/d/e/1FAIpQLSfH-krAw4zzCJFVepkdMTtHmtMa01Gy9bpk-fkL98-4zyWPiQ/viewform?usp=sf_link

The TG rules require you to register all players that play in the TG competition. Late regos need to be registered on the Google Doc form by 9 am Sunday, which is the cut-off for entering scores. Please note if you wish to play a boy in a girls team or visa versa, you need to get prior permission by emailing juniors@tennisgeelonginc.com.au or phoning me, 0400 078 337, before the child takes the court. If this is not done or if a late rego is not completed, as required, the child is unregistered and will forfeit their sets. Please make sure all your TMs are aware of this too so they don't just grab a sibling/friend to play without telling you. We also ask you to add any late regos into LM prior to the match starting as we don't want opposition clubs entering opposition players.
