Message from the President of Tennis Victoria

I am pleased to welcome all players, officials, volunteers, staff, friends, family and spectators to the 62nd annual Inter-regional Country Championships, hosted by the Wodonga Tennis Centre.

Tennis Victoria is very proud of this historic event and pleased to see it continue to be supported by country regions. Thank you to each region who have hosted the event in the past six decades, and I would like to make special mention to our 2018 host region the North East Region and our host venue the Wodonga Tennis Centre.

Having grown up in the country myself, the Inter-regional Country Championships are very special to me and I am thrilled to see 250 junior and open players entered for this wonderful event.

I am sure there will be plenty of quality tennis, and hope everyone enjoys the event and play's at their best. Good luck to all regions and participants.

Message from the Country Advisory Group

It is my pleasure to welcome everyone to the 62nd staging of the Victorian Inter-regional Country Championships at the fantastic Wodonga Tennis Centre. This event continues to build a proud history, and is unique in the blending of individual events with players also gaining points for their region.

It is not an easy task putting together a team, and I thank the tireless work of our Country Regional Networks and team managers in putting all this together. In addition, I wish to acknowledge in advance the work of our Tournament Director Andy Reynolds, assisted by Shelly Hart from Tennis Victoria and Referee Robert Kane for continuing to fill these important roles. The support of Tennis Victoria staff, in particular Adam Crameri and the regional Participation Leaders has been instrumental in ensuring a smooth lead up, and the successful conduct of the event.

I also encourage country tennis administrators to take the opportunity to network together, and engage with Tennis Victoria staff to share ideas and best practice to take back to your club/association.

In our individual sport, events like the Inter-regional Championships are always a great chance for players to enjoy some great team camaraderie, and celebrate what's great about country tennis.

We thank the Wodonga Tennis Centre staff and committee for being our hosts this year. It is a wonderful place, with great facilities for an event of this type, and we look forward to an enjoyable event.

Simon Meadows

*Country Advisory Group Chair
Tennis Victoria Director*

Message from the Wodonga Tennis Centre President

Welcome to the 62nd Inter-Regional Country Tennis Championships. Our club is once again delighted to host this prestigious event in partnership with Tennis Victoria. We hope you enjoy the action on court and the festivities off court. Our Curator Shayne Reid has prepared our wonderful grass courts to once again be in excellent condition for this event.

We are proud of our facilities here at the club and are looking to improve these over the next few months. It is our goal to offer the opportunity for all players and family members to relax and be social at this event. Breakfasts will be available each morning along with the Dinner on Friday evening.

The Wodonga Region offers some excellent opportunities outside of the tennis complex to further relax and enjoy. Whether that be a visit to the Hume Weir, relaxing on the banks of the Murray River, visiting the surrounding wineries or enjoying the new shopping centre within the Wodonga City Centre, there is much to enjoy in our region!

Congratulations to all players selected to represent your various regions. It is undoubtedly a real honour to play in such an event. With Tennis Victoria in the Tournament Box and our Club Members in the bar and kitchen; we are certain the event will not only run professionally but in a very social and relaxed manner as well.

Have fun & Good Luck!

Craig Farrar
