

CLOSING ENTRIES FOR INDIVIDUAL EVENTS FOR FIRST IN FIRST SERVED

Closing Entries for Individual Events for First in First Served

Internet → Publish → Events Tab → Untick Event Checkbox

Update message on homepage (under general tab) to indicate entries have closed for that particular event → Publish

The screenshot shows the 'Tournament Online' software window. The title bar is 'Tournament Online'. The interface has a red header bar with a globe icon and the 'tournament software' logo. Below the header is a tabbed menu with 'General', 'Online Entry', 'Online Results', 'Events', 'Regulations', 'Availability', and 'Payments'. The 'Events' tab is selected. The main area contains the text 'Please check the events players may enter online.' and a list of events with checkboxes:

Event
<input checked="" type="checkbox"/> 18 & U Boys Singles
<input checked="" type="checkbox"/> 18 & U Girls Singles
<input type="checkbox"/> AMT Mens Singles
<input checked="" type="checkbox"/> AMT Womens Singles
<input checked="" type="checkbox"/> AMT Mens Doubles
<input checked="" type="checkbox"/> AMT Womens Doubles

At the bottom of the window are 'Publish' and 'Close' buttons.
