

## WELCOME TO COUNTRY WEEK 2018!

What a great week we have coming up! We are back in sunny Swan Hill, who according to our records have been the host of Country Week the most times of any club. This year we have over 1100 players competing in 199 teams - the most teams in over a decade! 93 magnificent grass courts are ready for play! Swan Hill has 51 permanent grass courts, with another 42 created on the soccer field next to the club.

### Introducing the Tennis Victoria team

Tennis Victoria are proud to continue the tradition of running this fabulous event. Check out the faces you will see around the courts this week!
