

# Country Week

Daily News - Wednesday 14 February

Hosted by Swan Hill Lawn Tennis and Croquet Club

## Happy Valentines Day!

Here we are for Day 3 and we're getting to the business part of the week—both on and off the court. It seems the Monday night might have caught some of you off guard with some early morning shenanigans taking place. I'm told by many of you though that you play better after a late night / early morning! We'll see if that's still true at the end of the week.

## Guess who?

Which player served a whole game of double faults yesterday? Probably not the best way to defend the title of last year...

## Competitive rivalry

When two teams from the one club are scheduled to play each other, you'd probably expect a bit of banter but a match to be played in good spirits. Or would it? It seems there were two teams from the one club scheduled to play each other in the 9am match yesterday and strangely enough, one of the teams had a flat tyre in the morning. We're not pointing any fingers but we'll let you decide if it was sabotage or not!

## HAPPY BIRTHDAY!

Happy Birthday to Tournament Referee Adam Crameri. If you see him in the Tournament Box today wish him a Happy Birthday!

## Listening Post

Today we will host the first ever 'Listening Post'. Come and share your stories or thoughts on what matters to you for the good of tennis in regional Victoria. What would you like to see more of, what needs addressing and how. From 4pm to approximately 5:30pm outside the clubhouse, join Tennis Victoria President Gary Clark, CEO Matthew Kennedy and other Tennis Victoria Board Directors and Staff to come and talk about all things tennis in a relaxed informal format. You might be a player at a country club, you might be a committee member or just a die hard tennis fan that just loves the sport like we do. You don't need to RSVP—please just join us at your leisure and some refreshments will be provided.

## Congratulations

Congratulations to Swan Hill's own Trevor Holt. After being inducted as a Country Week Legend on Monday, Trevor and his family were also honoured by the Swan Hill Lawn Tennis and Croquet Club with the naming of the new pavilion as the Holt Pavilion.

## Nets

Do you need some tennis nets for your club? Swan Hill are selling the Country Week nets from the bar. They're \$135 each and are made by Henderson's Canvas manufacturers of Bendigo.

## Did you see?

Kaz Copeland from Wonthaggi is now taking bookings for drumming gigs after her debut on stage with the band at the Commercial Hotel. Turns out Kaz has performed in bands for many years which was a big surprise for the band. Seems she's not just a good tennis player!

Nick was pleased to meet Mick Keogh from Wangaratta Rust yesterday. At the impressive age of 80, we think Mick might hold the title as the most senior Country Week player!
