

TENNIS VICTORIA COUNTRY WEEK

WODONGA - FEBRUARY 9 - 14, 2020

Welcome to all players, supporters and spectators attending the Tennis Victoria 2020 Country Week.

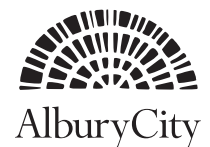

Albury Wodonga has always been a meeting place of two cities and two states, across the mighty Murray River. Today that proud historic duality has made it a special place with heritage charm and modern sophistication in equal measure.

Whether you prefer taking it easy in our award-winning restaurants, cafes and pubs, or something more adventurous on boats, bikes and golf buggies – there's an activity here to suit everyone.

Wander through the galleries and the gardens, browse the boutiques, sample the regional produce, listen to live music and get back to nature.

For more information on places to visit and things to see and do, visit us at the Albury Visitor Information Centre or go to visitalburywodonga.com
