Trying to improve his own dental health was one of the lads from the Beveridge A Grade Mens team. I'm sure keeping his teeth clean at 1pm on a Wednesday had nothing to do with the Tuesday night shenanigans the night before.

THANK YOU AND GOOD LUCK

We wanted to take this opportunity to thank all 1237 of you who participated in Tennis Victoria Country Week this week. We've had a great time here, chatting to many of you, hearing your stories, watching you play and sharing a boogie on the dancefloor.

OVERHEARD

Arthur Perry from Hamilton Woolly Wanders has coined a new term for when he needs his back cracked. He heads to Choir Practice... not the Chiropractor.

Thank you to Ken and the team at Printworks in Corio Street Shepparton for printing these newsletters each day
