Congratulations Country Week Legends of 2019

Yesterday saw us induct 5 new Country Week Legends.

L-R – Greg Tarrant, Chris Rye, Jenny Reid, Yvonne Child, Graeme Barned

Chris Rye – Mud Island

Chris started his Country Week journey playing at the Junction Oval, however, his first regional event was in 1996 at Swan Hill. He hasn't missed a Country Week since, despite snapping his Achilles on day one of competition in Wodonga. Organising the Mud Island team, he has seen it grow from two teams to seven. He is nicknamed the 'Raging Bull' for his ferocious serve and volley game.

Jenny Reid - Tongala

Jenny has ventured to Country Week for almost three decades, missing only one during that time. Her dedication is exemplified by her many years of service to the Tongala team. She has also introduced people to the event and enjoys the friendships made along the way.

Graeme Barned – Albury Crocs

A passionate Albury Crocs team member, Graeme Barned has made Country Week a permanent fixture on his summer calendar. He enjoys the banter the event brings and makes a point of catching up with as many Country Week participants as possible.

Greg Tarrant – Swan Hill

Greg Tarrant has played since the 1991 event. He has won many grade premierships and considers Country Week an incredible event to be a part of. Now a Kyabram local, it doesn't matter where the event is held you can always count on him to be present. Playing more than 25 years consecutively, Greg truly embodies what Country Week is about.

Yvonne Child – Tongala Green

Yvonne has is celebrating her 30th consecutive Country Week event. A splendid achievement matched only by her immeasurable efforts to ensure her team has been taken care of. She's also encouraged others to take part in the event because of the considerable amount of fun she's had over the years.

Uniforms

A highlight of Country Week is always seeing what uniforms will be worn proudly. Leongatha are hard to miss in their hot pink shirts—the envy of many.

The Mt Prospect Beavers are back, this year as flight attendant Beavers who work for Virgin Airways... They've been

construction beavers, smokin' beavers, and this year they're the Virgin beavers.

This year for our uniforms we decided to go with one colour for the week, so if you need help at any stage this week, look out for us in our purple shirts. I got the inspiration for the colour from an old childhood friend.
