Victorian Community Tennis Checklist

TENNIS VICTORIA

PUBLISHED: 9 SEPTEMBER 2021

How to use the Victorian Community Tennis Checklist

The **Victorian Community Tennis Checklist** is designed to support anyone involved in the delivery of tennis activities, to do so within Victorian COVID-19 Restrictions.

Tennis has an important role to play in helping people be active in this new phase of the COVID-19 Pandemic. This is as long as Victorian Government restrictions are adhered to, and public health and safety is considered a top priority.

All clubs are required to have a COVIDSafe Plan. You can use [this guide](#) to assist in ensuring your Tennis Club is COVIDSafe. Alternatively, applying these guidelines, in conjunction with the [Victorian Community Tennis Guidelines](#), can be your club's COVIDSafe Plan. Please always have your COVIDSafe Plan accessible.

Follow the COVIDSafe principles:

- Face masks are required for situations when 1.5m physical distancing cannot be maintained.
- Do not play if you are sick or unwell.
- Collect details for contact tracing purposes by using the [Victoria Government QR Code Service](#).
- Cough or sneeze into your elbow or tissue.
- Use good hand hygiene.

Tennis clubs, associations, coaches, operators and local councils across Victoria operate in many different ways and within different surroundings and communities. Therefore, making an assessment of whether tennis can be provided safely will be dependent on a range of factors, varying across each council area and specific to each venue. It is the responsibility of each council, coach, club and operator to work together to make this assessment based on individual circumstances.

Below is a checklist and links to resources to support Clubs, Centres, Coaches and Associations to consider when returning to play, to ensure the safety of all participants and the community:
