Raise funds for your club

ANZ's Home Loan Introducer Program is a way of rewarding local tennis clubs for referring customers.

What's in it for you? It's simple. You could earn additional income for your club by introducing potential customers to ANZ's home loans. Introducers will receive a one-off upfront commission for every member they introduce to ANZ who applies for and draws down a qualifying ANZ Loan[^]. Which means your club could benefit from additional revenue streams.
