

FREE CLUB SIGNAGE – ORDER TODAY!

Tennis Victoria is offering a free corflute sign to assist your club in showcasing the programs and competitions on offer at your venue. The sign can be customised to include your club's website and contact email address also.

The sign is 1800mm (H) x 600mm (W) in size. A total of six club offerings can be selected.

The first four must be selected from the drop down list. The last two can either be selected from the drop down list or use the 'Other' option to enter a custom alternative. If you have more than six items to select, you will need to choose your best six.

Please only enter custom text if the offering is not included in the drop down list. This space is designed for club offerings only, and is capped at 20 characters. Other text will be removed.

There are two spaces to include club contact information. Select two of website, email address, Facebook page or phone number. Only list a phone number if you do not have other methods of contact.

In the interest of increasing the longevity of the sign, please list a club email address in favour of a personal email. Don't include names of coaches or committee members.

You must have completed your 2017/18 affiliation for your sign order to be accepted. This includes both payment of the affiliation invoice and completion of the online affiliation steps on My Tennis.

Please allow 4-6 weeks for delivery of your sign.

For assistance please contact Narelle Holding (Club Services Officer) at nholding@tennis.com.au or 8420 8410.
