

Tennis West Equipment Booking Form

Tennis West offers affiliated clubs and partnership schools the opportunity to hire the Speed Serve Radar Gun or Hit The Target free of charge, for use at club/school and community events. This equipment may also be borrowed by Local Government Authorities and other community groups, however fees may apply. Please contact Tennis West to discuss further.

Please note that organisations that have overdue debts to Tennis West may not hire equipment, until all overdue debts are paid in full. Due to high demand, organisations may only hire one piece of equipment at any one time.

Organisations that wish to make use of this equipment should note the following conditions of hire and should return the completed booking form to Tennis West. Equipment booking is not confirmed until advised by Tennis West via email.
