TENNIS WEST

Tennis West is Western Australia's governing body for tennis, and manages all aspects of the sport, from elite player development, to growing participation within the affiliated club network and community.

Tennis West is headquartered at the State Tennis Centre on the Burswood Peninsula, with affiliated bodies located as far north as Kununurra, south as Albany and as far inland as Kalgoorlie.

HERITAGE

Tennis in Western Australia had its beginnings in the family homestead environment in both metropolitan and country areas. With the gold rushes in the last decade of the nineteenth century came the growth of tennis clubs. After two unsuccessful attempts a tennis association was established to arrange inter-club competition and determine the status of tournaments.

On 17 April 1903, a motion was passed 'that an Association be formed to be called the Lawn Tennis Association of Western Australia (LTAWA)'. The new LTAWA then confirmed its decision, on 14 October 1904, to join the Australasian Lawn Tennis Association (ALTA).

It was in 1912 that the name Western Australian Lawn Tennis Association (WALTA) was adopted. In the 1990s, in keeping with a move by the National body to use the trading name Tennis Australia, the acronym WALTA was cast aside for Tennis West.

During the 1980s, the prospect of the Association having its own offices and tennis complex always appeared to be just around the corner. On 20 September 1994, the new State Tennis Centre was officially launched on the Burswood Peninsula.

From uncertain beginnings, with the strains of the war and the division between amateurs and professionals, the Association has grown from a few small clubs conducting winter pennant tennis to administering one of the state's major sports.

[Reference: Phillips, Harry (1995) Tennis West: A History of the Western Australian Lawn Tennis Association from the 1890s to the 1990s. Sydney: Playwright Publishing]

VISION STATEMENT

A thriving tennis culture in Western Australia

MISSION STATEMENT

To create a comprehensive support system for tennis in Western Australia

ORGANISATIONAL STRUCTURE

The Tennis West Council consists of members representing all Affiliated Tennis Clubs in WA. The number of representatives from a Metropolitan Club is derived from the number of members the Club has during that financial year.

The Country Clubs are represented by Zone Delegates. These delegates are appointed by the individual Tennis Zone committee. The number of Zone delegates is derived from the number of Club members within the Zone. The Tennis West Council meets on a bi-monthly basis.

The Tennis West Board of Directors is made up of 9 members. The Board of Directors is voted to office by the Council on a 2-year tenure. Any vacancies arising are appointed by the existing Board of Directors to a casual position until that position comes up for renewal at the next AGM. The Tennis West Board of Directors meets on a monthly basis.

The Tennis West Chief Executive Officer is appointed by the Board to oversee the operations of the Association.

I hereby present the 108th Annual Report, including the Audited Financial Statements for the year ended 30 June 2011.

This, the second term of my Tennis West presidency saw the focus remain firmly on grassroots tennis. Tennis Australia has committed increased funding to our Community Tennis operations and this has enabled us to put another Community Tennis Officer on the road (Paul Oldfield) as well undertake other initiatives in the area.

There has been considerable focus during the year on modernizing and improving Tennis West's governance. Following a Tennis Australia funded governance-benchmarking exercise, undertaken by KPMG across a number of Member Associations, the Board committed to working with the conclusions therein and addressing the governance reform that is required of the organization. This has involved careful consideration of the way the Board works, its relationship with Members (Council) and the constitution that embodies many of the governance arrangements in place. This is work in progress, and is being undertaken in consultation with clubs and other stakeholders.

The financial result for the year, showing a net surplus of \$133,915 was close to budget and a very satisfactory performance. Tennis West is appreciative of the financial support provided by all its sponsors and its main funding partners. Grant income from Tennis Australia and the Department of Sport and Recreation exceeded last year's levels, and Tennis West was able to invest this in additional programming and much needed capital works at the State Tennis Centre.

The year was notable for the speculation on the future of the State Tennis Centre. With the CEO Andrew Stanbury, I have had regular contact with the State Government to keep abreast of the discussion around the new oval stadium for Perth and plans for it to be located at Burswood. The Board is making preparations in the event that this location results in the State Government asking Tennis West to re-locate. We still have 37 years to run on our lease, are in a strong position to secure a good deal for tennis and have the assurance from government that this is what they will deliver.

Reforms to Tennis League were trialed with the support of Council, including shorter seasons for greater player flexibility. As promised we then reviewed these reforms at the summer season's end, undertaking a comprehensive survey of the changes that was, pleasingly, completed by well over 700 people. It was clear from the response that a return to previous formats was, in the main, preferred. This has been implemented for the 2011-12 season. The process, informed by the GEMBA research was worth undertaking nonetheless.

I would like to thank BGC, new naming rights sponsor of Tennis League with the Brikmakers brand, for their support and commitment to the sport in WA. BGC is an iconic name in the WA business sector and we hope to build a very successful partnership with them over many years. There were some tremendous highlights during the year in Brikmakers Tennis League. The State League Finals were won by Hensman Park TC and Cottesloe TC in the Men's and Women's events respectively.

Tennis West President, Dean Williams

Hensman Park TC deserves special mention. Their men's team looked weaker on paper than in recent years but they showed tremendous spirit in taking the title, a fifth for the club in this event in six years.

Pro Circuit events at Kalgoorlie and Esperance again brought top class tennis to regional WA, which gives the sport statewide a real boost. Matt Ebden followed up his success of the previous year with some great performances on the ATP circuit. He continues to improve his world ranking and is not too far short of the top. Of course, Casey Dellacqua's success in winning the Mixed Doubles at the French Open was a great reward for her after an injury-ravaged couple of years, and it was another great fillip for WA tennis – the first Grand Slam title for a West Australian since Liz Smylie back in 1985.

The WA Tennis Industry Awards Night in May was at the South Perth Yacht Club, which turned out to be a fantastic venue for the event. It was a great night in a wonderful setting. We said a special farewell at the event to long-time Tennis League administrator (and Women In Tennis committee stalwart) Deanne Maloney, who will be greatly missed by all involved in League.

I wish to thank the Board and the staff of Tennis West for their support and their contribution to Tennis West through the year. A great deal has been achieved. We have sought to continue to strengthen relations with our affiliated clubs and I believe this has been achieved. We are privileged to have so many wonderful volunteers in tennis in WA, and I am delighted we were able to recognise a number of them at such events as our Volunteers Cocktail Party and in Tennis West's Hopman Cup Box. We need to continue to work together to reinvigorate tennis in WA and I will strive in my presidency to ensure that this happens.

Dean Williams
President – Tennis West

Chief Executive Officer's Report

The 2010-11 financial year was an exciting one for Tennis West and tennis in Australia.

Tennis Australia continued to increase its investment in grassroots tennis and the Member Associations. Tennis West benefited across a number of areas, notably with increased funding into Community Tennis and improved resourcing in Marketing and Player Development.

Tennis West's strategy focus remained our core business – servicing our clubs and the community, offering quality competition opportunity for all, and managing the State Tennis Centre (STC) bottom line to ensure it does not put a strain on Association finances.

The State Tennis Centre proved to be a major talking point throughout the year, as speculation persisted as to the likely location of a major oval stadium in the Burswood precinct. This speculation was confirmed with a government announcement late in the year. As such, there is considerable uncertainty surrounding the future of the State Tennis Centre. The Board has engaged with the government and has investigated its options in the event that the government requests that Tennis West vacate the site, notwithstanding the fact that the STC lease has 37 years to run.

The year produced a net surplus of just over \$133,915 in aggregate, driven in the main by larger than budgeted grant income, from Tennis Australia and the Department of Sport and Recreation (DSR) in particular. Tennis Australia grant income was boosted by a full year of the Community Tennis grant designed to invest in people on the ground, as well as a new Local Area Marketing grant. DSR grants exceeded last year's levels, largely due to funds received for a new irrigation system, but assistance was also provided for court resurfacing at the STC. It should be noted that effective expense control was again a feature of the net result. Tennis West remains grateful to its main funding partners – Tennis Australia, DSR and Healthway – as well as all its commercial sponsors. The world remained in the grip of uncertainty – with concerns over government debt levels in particular affecting markets – but Tennis West managed to get through unscathed, managing its investments prudently and continuing to replenish its reserves. After some difficult years

BGC through the Brikmakers brand completed their first year of Tennis League sponsorship. We were delighted to have them as naming rights sponsor, and the awareness and appreciation of Brikmakers in the WA tennis community was very evident at the WA Tennis Industry Awards Night in May. The latter event was sponsored for the first time by Chambers Investment Planners and we look forward to a rewarding association in coming years.

The D'Arcy Slater Foundation provided additional sponsor funds for an inaugural Country Boys Camp, for which we were very grateful, and we continue to appreciate the support of CBH, Linneys, and our other sponsors.

Tennis League is a major focus of what we do. This year Brikmakers Tennis League featured a number of format changes, the most prominent of which was the trial of two shorter League seasons through summer. Many of the changes implemented to League were made in response to conclusions drawn from the GEMBA survey into tennis participation in Australia – chief among them, the desire in today's market for more limited commitment. The results were mixed, but we still enjoyed over 844 teams in the summer leagues and an estimated 5,000 players, making our League the largest single pennant competition, we believe, in the country.

Brikmakers' State League was won by Hensman Park TC and Cottesloe TC in the Men's and Women's divisions respectively.

The Brikmakers' Junior State League titles were won by UWA TC in the Boys event and by Reabold TC in the Girls event.

Of Western Australia's top professional players, Matt Ebden was the stand-out player across the year as a whole, being the first WA male to reach the quarter final of an ATP Singles event for many years. Casey Dellacqua had mixed results in a year, sadly, again plagued by injury. However, she became the first West Australian for many years to win a Grand Slam title, taking out the Mixed Doubles, partnered by Scott Lipsky (USA) at the French Open.

The Pro Circuit again featured two combined Men's and Women's Pro Circuit events, in Kalgoorlie and Esperance. Thanks are again extended to Goldfields TC and Esperance TC, in particular, for the effort they put in to hosting these events. Esperance TC was nominated at the inaugural Australian Tennis Awards as a finalist in the 'Best Event' category, for which they should be congratulated.

These events featured Community Action Programs, funded by DSR, which sought to leverage the tournaments for the benefit of tennis in the local community. Amongst other initiatives schools were brought to the events for Hotshots and Hotshots Challenge events.

Hotshots, Tennis Australia's flagship program for kids (aged 7-12 years), was a major success in WA this year. Over 30,000 kids in total experienced Hotshots sessions, the majority in schools now that the program is targeted to them.

Tennis West also continued to develop the 2020 Tennis Facilities strategy in WA, working with eight Regional Tennis Centres (clubs) – Alexander Park TC, Blue Gum Park TC, Midland TC, Reabold TC, Sorrento TC, Goldfields TC (Kalgoorlie), Geraldton TC and, the most recent recruit, Busselton TC. This is only the start of a long process designed to improve our tennis facilities and the way they are managed. Those clubs selected in this process to date are all proactive clubs and we thank them for their commitment to working with us. The National Court Rebate Scheme continued to assist WA club infrastructure projects, demonstrating Tennis Australia's commitment to improving facilities nationally.

Other highlights included the appearance of both Liz Smillie and Alicia Molik as our 'Legends' at the January Legends Breakfast during the Hopman Cup. They were great value bringing life on the women's tour, over two generations, into sharp contrast.

Tennis West's Academy program, now ostensibly run by Tennis Australia under Michael Robertson and Callum Beale again produced excellent results.

Finally I would like to extend my thanks to the staff for their commitment and hard work, and to all the volunteers at our affiliates, who are the life blood of their clubs and the sport in WA. My thanks also go to President Dean Williams and the Board for their continued support of me and, more importantly, tennis in WA.

A handwritten signature in black ink, appearing to read "Andrew Stanbury".

Andrew Stanbury
Chief Executive Officer, Tennis West

In my sixth year as chief executive officer of Tennis Australia, I am proud to report strong performance and healthy success in all aspects of our business this year.

We continue to grow as a vibrant and dynamic organisation, striving towards our shared goal to showcase the sport at the highest level.

A focus of the past twelve months has been to ensure a cohesive approach among each and every member of the Tennis family, and I am happy to say that Tennis West has been and will continue to be a major part of our efforts.

Tennis West was once again well represented in March at the second Australian Tennis Conference in Melbourne. Revolving around the theme of *"courting the path to success"*, the conference gave us the opportunity to share and workshop ideas with other members of the wider Tennis community, and fine tune some of the existing good work done at all levels to create consistent growth in the sport.

The conference was also a timely occasion to present the key findings from our market research project conducted with sports marketing group Gemba in regards to Tennis participation in Australia.

The study importantly found that only 22% of Australians from five to 75 years old had picked up a racquet in the last 12 months and 80% of Australians who can play tennis, started before the age of 16. Based on these findings a major participation drive was launched at the conference to underline two key programs: the starter program for beginners – *MLC Tennis Hot Shots* – and a new fun fitness tennis program, *Cardio Tennis*.

The impact of our renewed focus is already evident. In the past twelve months, the number of Hot Shots participants has risen from around 170,000 to almost 250,000 and there are now nearly 950 local venues nationwide hosting the program.

Western Australia is especially fortunate to have a leading deliverer of the program in Matthew Bull, who was recognised for Coaching Excellence in MLC Tennis Hot Shots at the inaugural Newcombe Medal, Australian Tennis Awards.

Our goal now is to introduce a Hot Shots program lasting five weeks into almost a quarter of all primary schools by next year – which will be a significant step towards building stronger grassroots interest in the sport.

In addition, a pilot program for Cardio Tennis is already underway and the response from prospective deliverers has been overwhelmingly positive.

Under the banner of *Places to Play*, the National Court Rebate Scheme has now generated more than 1,000 courts and a total investment of approximately \$156.4 million in tennis facilities. The scheme has been welcomed in every region and is having a profound economic and social impact in the community.

In nurturing *talent* among our athletes, across the nation we now have more than 3,000 registered Tennis Australia coach members with access to the best practice education and expertise at all levels of the game. We have a consolidated development pathway in place and a passionate group of former players working with our future stars within a responsive athlete management system. Most importantly, the success of this framework has certainly been reflected on court in the past twelve months.

Jarmila Gajdosova broke into the world top 30 for the first time after claiming her second career WTA title, while Jelena Dokic returned to the top 100 after winning her first WTA title in nine years. Local hero Casey Dellacqua returned to Grand Slam® action to win the mixed doubles at the French Open, and Samantha Stosur reached the

quarterfinals of the US Open before achieving her career high ranking of No.4 in February.

Bernard Tomic became the only teenager ranked in the top 100 (and the highest ranked Australian) after a thrilling yet mature performance at Wimbledon, and marked his place on the world stage by becoming the youngest male to reach the quarterfinals since Boris Becker in 1985.

History was also created when Australia claimed the boys' and girls' singles titles at Junior Wimbledon, the first time both titles have been won by Australians in the same year. Luke Saville was crowned as the boys' champion while 15 year-old Ashleigh Barty became the first indigenous Australian to win at Wimbledon since her hero Evonne Goolagong Cawley.

Former world No.1 Pat Rafter became Davis Cup captain in October and was joined by Tony Roche as coach. Already, the duo has led Australia to the World Group Play-off which will be played in September. The Fed Cup team were unluckily defeated in their play-off in April, and will be keen to return to the World Group under the guidance of captain David Taylor.

Both the Junior Davis Cup and Fed Cup teams finished top spot in their qualifying events and will now progress to the world final later this year.

The Commonwealth Games tennis team covered themselves in glory with an outstanding performance in Delhi, collectively winning several medals including three of the five gold medals up for grabs.

Daniela Di Toro ended 2010 ranked No. 2 in the world and was a finalist in wheelchair singles at the US Open in 2010 and Australian Open 2011.

Today, Tennis Australia has a total of 205 staff, an estimated annual turnover in excess of \$150 million and financial reserves of approximately \$28 million, while the Australian Open prize money pool was \$25 million in 2011 – the largest in the event's history.

As the Grand Slam of Asia Pacific, creating a stronger presence in *Asia* is also one of our strategic priorities and is a vital element in the success of our tournament. All you need to do is consider the millions of Chinese viewers who tuned in to watch Li Na in this year's Australian Open final to realise the importance of the region's support in years to come.

A notable addition to Tennis Australia this year was our new president, Steve Healy. The former Tennis NSW president has been a longstanding supporter of boosting participation and increasing the number of Australians competing among the world's elite, and this is certainly mirrored in the new and exciting direction of our organisation.

I have been really pleased with the progress toward many of our organisation's priorities, and much of our effort will continue to be working hand-in-hand with Tennis West to sharpen those goals and accelerate that progress.

A united approach at all levels of governance can only strengthen the well-being of our sport, and we are most fortunate that our financial position has allowed us to continue delivering programs at the highest level.

To the West Australian tennis family, thank you the part you have played in growing the sport. I am very proud to work alongside such a committed and focused group of people, and I look forward with great confidence to embarking upon the next chapter of our country's tennis story.

Steve Wood
Chief Executive Officer, Tennis Australia

CLUB CONFERENCE

The Tennis West Club Conference continues to be a valuable opportunity for tennis club representatives to network and discuss developments, opportunities and challenges with Tennis West staff and Directors. There were 97 attendees at this year's forum; "Develop, Survive and Thrive" and the main focus was in the form of a presentation by Tennis West on the findings of the GEMBA report on tennis in Australia.

Tennis Australia contracted GEMBA, a sports marketing company to undertake what was to be the largest survey in sport in Australia. The GEMBA Report provides very clear evidence that as a sport and as clubs we need to develop to ensure survival and, more importantly, to thrive and grow. It offers insight as to the kinds of directions we need to head in to develop and thrive.

Clubs were invited to bring ideas and experiences for discussion around what their club is currently doing to attract new people to the club, do they offer different membership options, what are their club coach arrangements and are their options for social and competition opportunities. There were a number of presentations and discussion held over the conference, with clubs and Tennis West to work collaboratively to ensure Tennis survives in the future.

SUNSMART CLUB CONNECT PROGRAM

Healthway once again provided support for the 2010/11 SunSmart Club Connect Program. Affiliated clubs were given the opportunity to apply for a \$200 grant (\$250 as of 01/01/2011) to support a club-based event aimed at increasing club membership and promoting the SunSmart message.

Thirteen metropolitan clubs were awarded the SunSmart Club Connect grant throughout 2010/11. Club activities conducted with the funding included a Family Fun Day, a Corporate Day, an Open Day, a Memorial Tournament, a Smash Cancer Day and a Sponsors Evening. These activities in aggregate exposed over 850 people to the sport of tennis.

The following metropolitan clubs successfully applied for a 2010/11 SunSmart Club Connect Grant: Madia Vale, Lesmurdie, Kardinya, Maylands, Melville-Palmyra, Wanneroo, Scarborough & Floreat (Joint event/funding), Brixton Street, Bayswater, East Fremantle, Bull Creek, North Beach and Next Generation Perth South, Bibra Lake.

All successful clubs were provided with a SunSmart pack consisting of a SunSmart sign and Sunsmart collateral to use as prizes and giveaways at the event.

SunSmart Junior Tournament at Next Generation Perth South

TENNIS FOR PEOPLE WITH INTELLECTUAL DISABILITIES (ID)

The State Tennis Centre and Brixton Tennis Centre played host to four group coaching programs per term during 2010/11. On average, a total of 25 participants, ranging in age from 6-50 years old took part in the programs each term.

The weekday program at the State Tennis Centre has proven to be one of the most popular programs on offer. This program is specifically targeted at adults with an intellectual disability, and has doubled in participant numbers since its inception twelve months ago. Owing to this rise in demand, a second timeslot has been introduced.

WHEELCHAIR TENNIS

Wheelchair Tennis commenced in Term 1, 2011 with a Wheelchair Tennis Coach Development Clinic attended by six club coaches. This clinic was aimed at educating coaches on the techniques and skills involved in coaching wheelchair tennis.

Subsequent to the Coach Development Clinic, the Term 1 coaching program was launched at the State Tennis Centre with a Come and Try Evening attended by eight wheelchair athletes and four able-bodied players. These players ranged in age from 9yo - 40yo. The evening not only introduced the sport to new wheelchair tennis players, it also helped the able-bodied players develop a new appreciation for the sport after a one hour session in the chairs.

The free 6-week group coaching program was promoted and delivered in collaboration with Wheelchair Sports WA, who marketed the program to their extensive database of participants. At the conclusion of the program a mini-tournament was held for all players.

Wheelchair Tennis Come and Try Evening at the State Tennis Centre

SPECIALIST TENNIS HIGH SCHOOL PROGRAMS

Tennis West have continued to be involved with the schools that have a Specialist Sports Program Status. The specialist tennis schools include: Kent St Senior High School, Applecross Senior High School and John Forrest Senior High School.

Tennis West is involved in the endorsement process with exists every 3 years and work with these schools on program content, recruitment and other initiatives.

INDIGENOUS TENNIS PROGRAM

The Indigenous Tennis Program continued to be one of Tennis West most successful participation programs. The 2010/11 program, supported by Tennis Australia, the Australian Sports Commission and the Department of Sport & Recreation, ensured Indigenous children across the State had the opportunity to participate in tennis. The program comprised of tennis in schools sessions, club scholarships and the annual Harmony Day tournament.

Throughout 2010/11, seventeen schools took part in the Indigenous Tennis-in Schools program – eight regional and nine metropolitan. This program exposed a total of 1,851 participants to the sport of tennis, an increase of 611 participants from 2009/10. The schools involved were: Queens Park, Bentley, St Josephs, Middle Swan, East Maddington, Clayton View, Gosnells, Moorditj Noongar, Beachlands, Rangeway, Spencer Park, Mt Lockyer, St Cecilia's, South Hedland, Waddington, Balga and Koondoola.

In line with the Department of Sport and Recreation's direction of linking more Indigenous children into the club system, individual coaching scholarships were awarded to successful applicants. Scholarships included club membership, pennant subsidies and a choice of private or group coaching lessons. In total, thirteen scholarships were awarded to individuals at Gosnells Memorial Park, Mosman Park, Goldfields and Maida Vale Tennis Club.

HARMONY DAY TOURNAMENT

The State Tennis Centre played host to the annual Harmony Day Tournament (Indigenous Interschool Tennis Tournament) on March 23 with three schools - Bentley Primary School, Carlisle Primary School and Clayton View Primary School all competing for the 2011 title.

The event is designed to give the children who had been participating in the 2010/2011 Indigenous Tennis in Schools program an opportunity to put their coaching lessons to the test in a competitive, yet fun environment. Participants thrived on the opportunity to represent their schools, with Carlisle Primary School ultimately claiming the coveted title.

All participants received a prize for their participation and were invited to a BBQ and presentation at the conclusion of the tournament. Overall, the event was a huge success and an enjoyable experience for all those involved. All schools received funding to cover bus travel and teacher relief.

2011 Harmony Day Tournament

MLC TENNIS HOT SHOTS

Tennis Hot Shots is a fun way for kids to learn how to play tennis, using smaller courts, nets, racquets and low compression balls making learning easy. The 2010/2011 program consisted of club programs, challenge events (see below), schools sessions and the Active After Schools Program. Tennis West have had a great year with MLC Tennis Hot Shots with a massive increase in schools program including

- School Program - 213 schools, 25454 participants
- Club Program – 104 clubs, 2968 participants
- Active After Schools Program – 1967

The feedback from schools has been positive, with many schools continuing to deliver the MLC Tennis Hot Shots Program in school. Schools were offered a discount on equipment and were provided a DVD resource with lessons plans to assist with the continued delivery of the program. The conversion from tennis in schools participants to children joining a club program at their local Tennis West affiliated club is 11%, which is positive.

MLC TENNIS HOT SHOTS CHALLENGES

MLC Tennis Hot Shots Challenge Events evolved from First Game Tournaments and are designed to complement the MLC Tennis Hot Shots weekly coaching program. Challenge Events provide young players with a first tournament experience in a positive, friendly club environment.

In 2010/11 the number of Challenge Events held throughout the State increased by 61% from 2009/10. In total, 31 Hot Shot Challenge events were conducted throughout the year at the following clubs and centres: Next Generation Perth South, Sorrento, State Tennis Centre, Goldfields, John Forrest Senior High School, Tennis at Spearwood, Margaret River, Mingenew, Onslow Park, Mosman Park, Kojonup, Merrifield Park, Greenwood, Esperance, Busselton, Dalkeith and Blue Gum Park.

The country challenge events at Mingenew and Kojonup were particularly well received with 80 participants enrolled at each venue. Both clubs used the challenge event to conclude the coaching term and provide the participants with a first tournament experience.

Hot Shots Challenge Event at Mosman Park Tennis Club

VOLUNTEER INVOLVEMENT PROGRAM

Tennis West recognises the hard work that volunteers contribute to our game. The Volunteer Involvement Program gives each affiliated tennis club the opportunity to nominate their club or someone within their club to receive awards at the Annual Tennis Industry Awards Night.

This year saw a very high standard of nominees from all over Western Australia. The 'Sports Trophy Club of the Year' recognizes the exceptional commitment and achievements of a Tennis West affiliated club. The 2010/11 recipient of this award was Reabold Tennis Club, who have embraced their Regional Tennis Centre status and have actively participated in many Tennis West initiatives.

The 2010/11 'Houghtons Classic White Volunteer of the Year' was awarded to John Pritchard from Wembley Downs Tennis Club. John's contribution to the club in the last year has been immense. He worked tirelessly and showed great leadership at an important time in the Wembley Downs club's history.

The 'Dunlop-Slazenger Service to Tennis Award' was presented to Diane Warburton from the Upper Great Southern Zone and Ken Brown from the Alexander Park Tennis Club. Both Diane and Ken have each devoted over 10 years of voluntary service to their clubs and to tennis in WA.

AUSTRALIAN OPEN TROPHY TOUR

For the first time in the Australian Open history Tennis the winner of the 2011 Men's and Women's singles titles will take home an exact full-size replica trophy instead of a miniature replica that past champions have received. To celebrate, the trophies hit the road on the first nationwide Australian Open Trophy Tour. The trophies debuted at the Australian Open Launch, then headed to South Australia, stopping off at the Port Pirie Tennis International for the tournament's 20th anniversary, and then visiting destinations including Adelaide, Hobart, Darwin, Perth, Esperance, Sydney, Canberra, Rockhampton, Brisbane and Bendigo before finishing their journey at Melbourne Park on 17 January, day one of Australian Open 2011.

Western Australian Tennis fans were lucky enough to have their very own photo opportunity with the Norman Brookes Challenge Cup (men's trophy) and Akhurst Memorial Cup (women's trophy).

Whilst in WA, the trophies first stop was Esperance. The trophies were featured at Twilight Beach, the Sailing Club for the Cliffs Esperance Tennis International Official Draw and the Esperance Tennis Club for the Official Opening.

Alicia Molik was in Esperance and had this to say about the trophy tour. "You really can't get any closer to the trophies than the Australian Open Winners themselves. It's such a great opportunity for kids and tennis enthusiasts to have a photo with the prized possession. Twilight Beach in Esperance, this really has to be one of the most iconic and beautiful places in Australia, so feel very lucky to be involved at ground level."

The Trophies then travelled back to Perth, where they were featured at Kings Park with local Reabold Tennis club members and representatives including Andrew Embley, Josh Kennedy, Ashley Hanson and Beau Waters from the West Coast Eagles. The WA leg of the tour than wrapped up at Reabold Tennis Centre, with a public viewing and function of the trophies.

West Coast Eagles Players with the AO Trophies in Kings Park

COMMUNITY TENNIS DAYS

Tennis West actively participated in a number of Community Tennis Days and events around the state to promote and encourage people to play tennis. Tennis West provided a Tennis information stand and "have a go" station to engage the public in tennis. These community events capture a wide audience, with people attending from all over WA. There were over 2500 participants across a number of community days, including large scale event such as: Seniors Recreation Day, Christmas Pageant, Hopman Cup Family Day/Interactive Zone and the World Sports Expo.

MLC Tennis Hot Shots Promo at the 2011 Hopman Cup

NATIONAL ACADEMY

International Tours

The National Academy (NA) continues to service a group of highly committed athletes in all areas of their tennis development. Through the National Academy an overwhelming majority of athletes have now gained international tennis experience via various overseas tours. The NA will continue to provide international opportunities wherever possible as these experiences have proven to be very influential in an athlete's tennis development, both on and off the court. Two National Academy athletes (Maddison Inglis and Scott Jones) had the privilege of being the first two players to train on centre court at Roland Garros for 2011. Roland Garros is typically closed to the public around the French Open, however Maddison and Scott were provided this rare opportunity when in Paris on a Tennis Australia tour.

In September 2010, Storm Sanders departed Perth bound for Mexico where she represented Australia in the World Finals of the Junior Federation Cup. Prior to the event she had training in California with the team under the guidance of Mark Woodforde and Nicole Bradtke. Likewise, Scott Jones also had the privilege of being a part of the Davis Cup preparation in Cairns. Scott, along with several of the other leading juniors, were flown to Cairns to integrate with Australia's Davis Cup team in their lead-up to their tie against Belgium. The juniors trained on court for several days with John Fitzgerald before watching the tie courtside.

Ben Dallinger has also spent time in Europe, Anja Dokic competed for Australia in the World Junior Teams Event in Malaysia, and Storm Sanders spent 6 weeks in the USA playing Pro-Tour events. Maddison Inglis and Scott Jones were also lucky enough to represent Australia at the "1998 European Tour, consisting of one week of clay-court training followed by three weeks of Clay Court tournaments in Italy.

At present 75% of the National Academy athletes have been involved with international Tennis Australia tours.

Scott Jones (centre) with Maddison Inglis (right) & National Academy Manager Michael Robertson (far left) on the '1998 European Tour' of Italy.

Parent Information Seminars

Each term the parents of NA athletes are provided with the opportunity to interact with the Academy's Sports Psychologist through a Parent Information Seminar. Each seminar focuses on a relevant topic and allows parents to discuss their role in assisting the tennis development of the child/children. The sharing of information between all stakeholders has been pivotal for the academy in establishing relationships and ensuring everyone is moving in the same direction. This will remain a priority in the future.

Off-Court Camp

In June 2011, National Academy athletes completed a comprehensive 'off-court camp' where they underwent an array of tests. The camp involved fitness testing, nutrition screenings, psychological profiling and injury prevention. These tests were administered by staff specialising in these areas, with the results to be used in shaping players training programs for the coming months. The camp culminated in a seminar for players and parents which focused on pre and post match routines that are consistent with elite professional athletes. Education of players, parents and all surrounding stakeholders is an integral part of junior tennis and the NA remains committed to this process.

High Performance Coaching Qualification

To ensure coaching staff in WA are leading the way in terms of coaching qualifications and current knowledge, a high internal priority is placed on all staff completing Tennis Australia's High Performance Coaching Qualification. This qualification is the highest offered through Tennis Australia as part of its educational courses and is recognized by the International Tennis Federation. The course is an 18 month minimum investment which covers all aspects of high-performance coaching (biomechanics, strength and conditioning, nutrition, psychology and coaching philosophies). Tennis West Talent Development Coach, Andrew Roberts and Athlete Development Manager, Callum Beale both completed the course, whilst Len Cannell is enrolled in the August intake. At present there are only 3 coaches in WA who have completed this course since the year 2000 (National Academy Head Coach, Michael Robertson, Andrew Roberts and Callum Beale).

TENNIS WEST STATE ACADEMY

The Tennis West Academy (TWA) is a program that assists in the development of elite juniors, aligned closely with the National Academy (NA). This program plays several important roles with respect to the athlete development pathway. The primary goal of the TWA is to transition players into the NA by fulfilling the necessary criteria. It also acts as the next progression for athletes graduating from the Talent Development Squad (TDS). Athletes up to the age of 16 can transition into the NA; however the TWA still provides a training environment for those athletes beyond this age who may continue to pursue a professional tennis career or endeavour to play college tennis in the US.

The TWA is headed by Len Cannell, who is also the strength and conditioning coach for all three academies. This ensures a seamless transition from one academy to the next with respect to the athlete's physical development. This year the State Academy has directly benefited from the establishment of the Talent Development program. Having an underpinning junior program has ensured a constant flow of juniors moving through the pathway and into the State Squad, which in turn increases the chances of players moving even further through into the National Academy.

Term 1 of 2011 saw the resurrection of 'Camp Courage' (CC). Milo Bradley originally introduced CC as a selection camp back in 2003 and it continued for the next 4 years. CC has now evolved into 'cult status' with stories of previous years filtering through the academies. The main objective of CC is to expose athletes to what life can be like as a travelling tennis player and to equip them with skills that allow them to better handle adversity. There are many messages delivered through CC – not all are expected to be absorbed immediately, however over time we hope to create independent, responsible athletes that become 'master and commander'.

Term 2 of 2011 saw the introduction of regular weekend training sessions for both State and National Academy athletes. Two of the biggest constraints preventing players from reaching adequate training volume are school commitments and travel time. Through offering weekend sessions the academy hopes to navigate around these two influences and ensure each player's training needs are satisfied.

The State Academy continues to be an important link in the player development pathway and is already producing promising results at local events. A number of academy players claimed titles at the Nedlands Open, Brixton Street tournament and the North and South of the River events, which is a great reward for their recent training efforts.

TALENT DEVELOPMENT PROGRAM

The Talent Development Program is a joint program between Tennis Australia and Tennis West. It has been established to identify and develop athletes between the ages of 7 and 12 years old. The program consists of a Talent Development Squad, Match Play days and Talent Development Camps. The day to day operations of the program are run by Tennis West employee Andrew Roberts.

By design the Talent Development Squad brings together 8 to 12 of the most talented u/12 year olds in a centralised environment with the aim to produce NA or TWA scholarship holders. The squad trains at the State Tennis Centre three times per week and offers holistic development through the use of Tennis Australia's core skills and drills, along with strength and conditioning. Athletes are selected through their Australian Ranking, results at State and National events and can be recommended by their private coach. Tennis West offers a match play session each week where talented athletes are invited to participate in competitive matches within the Talent Development Squad. Private Coaches are invited to attend these sessions where they can provide feedback to their players.

A critical component in the area of Talent Search and Development is the involvement of the private coach. The training program offered at the State Tennis Centre is designed to work in conjunction with the individual coach of each player to ensure the developmental needs are been met. Each private coach is invited to play an active role in the training session. In late 2010 an extra match play session was made available for all athletes in the program to support the needs of an aspiring player. The weekly match-play session integrates all levels of the Tennis West pathway – National Academy, State Squad and Talent Development program.

Individual player/parent meetings were a new initiative added to the Talent Development Squad in Term 3, 2011. Similar to the National Academy and State Squad, the purpose of these meetings are to inform key stakeholders of the athlete's development, training and tournament schedules and discussion on areas for improvement.

Also during Term 3, Joe McCarthy was appointed assistant coach for the Talent Development Squad. This position works in conjunction with his current role in Tournaments at Tennis West and bridges and gap that previously existed between Player Development and Tournaments.

In 2010 Tennis Australia assisted six Talent Development Coaches to travel to national events to watch their athletes compete through a travel grant initiative. This is an enormous benefit to both coach and player as it allows the coach to

further recognize areas for improvement in the player and to observe the national benchmark in performance. Further to this, national events offer professional development opportunities for coaches through various seminars such as strength and conditioning and sports psychology.

The Talent Development program continued to evolve through the initial months of 2011. A major change related to the inclusion of a Wednesday morning training session at the State Tennis Centre directed and delivered by each player's private coach. This initiative is designed to further engage private coaches in the Talent Development area and strengthen their relationship with Tennis West. Importantly these sessions provide a focused and intense training environment for players and an opportunity to train amongst their peers.

Four Talent Development Camps are conducted each year as part of the Talent Development Program. In April 2011 the leaders of the leaders of Talent Development for Tennis Australia, Kim Kachel and Rob Leeds were in attendance for a camp at the State Tennis Centre, as were 42 athletes, 9 private coaches and 4 player development staff. The camp focused on 'Coaching Male vs Female Players' where coaches were all involved in discussions that centred around the many variables that need to be considered when coaching a male player in comparison to a female player. Parents of the players in attendance were involved in two information sessions, one relating to the development of 'independent' athletes, and another discussing training methods and tournament pathways. The goal of local camps remain on impacting all key stakeholders surrounding a players development (athlete, coach, parent/s).

Collectively we thank you for your support throughout 2010-11 and look forward to more success in 2011-12.

COACH DEVELOPMENT

Coach Development remained under the wing of Tennis Australia in 2010/11, directed by Coach Development Coordinator Ryan Popovsky. Ryan is responsible for coordinating Tennis Australia coach education courses and professional development opportunities. Ryan also assists with club coaching contracts and supervises the Tennis Australia Coach Membership program. A summary of the events, results and outcomes from the above mentioned areas are outlined below:

PROFESSIONAL DEVELOPMENT

Cardio Tennis Workshop

A Cardio Tennis Workshop was held on 25 May at the State Tennis Centre. Fifty coach members attended this workshop presented by Belinda Colaneri, Coach Education & Professional Development Coordinator at Tennis Australia. Assisting Belinda was Christina Ladyman, who was one of two WA coaches chosen to pilot the Cardio Tennis program in WA throughout Term 1, 2012. Both Christina and Greenwood Tennis Coach, Glen Popovsky will be using the pilot to identify issues that the US Cardio program may have with Australian consumers and coaches.

The Cardio Tennis Workshop highlighted the key components of the program and provided an opportunity for coaches to view the program on-court and provide feedback that will help with the launch of the Australian Cardio program in Term 1, 2012.

Fundamental Perceptual Motor Skills Workshop

A Fundamental Perceptual Motor Skills (FPMS) workshop was held on 8 April at the State Tennis Centre. Thirty five coaches attended this session presented by Gail Aitken who provided an on-court showing of FPMS activities with a group of six four year olds. Off court, she highlighted the key milestones of her program (mpower minis) and suggested program considerations for coaches.

Tennis Australia Grand Slam Coaches Conference

Twenty one WA coaches attended the Annual Tennis Australia Grand Slam Coaches Conference (AGSCC) held in Melbourne prior to the Australian Open. This was the largest WA contingent who have attended the AGSCC, up from 16 in 2010.

Mike Barrell Workshop: Demands of Red, Orange & Green Court Tennis

Mike Barrell, director of evolve9 in the UK and a world renowned expert in the area of children's tennis delivered the 'demands of red, orange and green, it's not just about smaller courts and slower balls' Workshop at the State Tennis Centre on 12 August. Fifty two coaches, including nine regional coaches attended this on-court workshop, which showcased examples of activities for children in these Learning-to-Play stages which is closely linked to the MLC Tennis Hot Shots program.

FPMS Program Workshop with Gail Aitken

Club Professional Coaching Course at the STC

MEMBERSHIP

The number of Tennis Australia (TA) Coach Members in Western Australia has grown significantly in the last three financial years. After a 10% growth in 2009/10, there has been a further 24% increase in membership numbers, resulting in a total of 245 TA Coach Members for 2010/1

COURSES

Tennis Australia High Performance Qualification

The Tennis Australia High Performance (TAHP) coaching qualification aims to prepare coaches to work at the high performance level. Potential high performance coaches will be provided with a structured intensive learning program over two years to further develop their knowledge and skills.

Two West Australian coaches completed the Tennis Australia High Performance Qualification in 2010/11 – Tennis West Academy Coach Andrew Roberts and Tennis Australia National Development Manager, Callum Beale.

Tennis Australia Club Professional Course

The Tennis Australia Club Professional Coaching Qualification is designed to train coaches to become head coaching professionals at tennis clubs/centres.

A Club Professional Course commenced in March 2011, with 6 participants due to complete the course in late July 2011.

Tennis Australia Junior Development Course

The Tennis Australia Junior Development Coaching Qualification is designed to train coaches to develop the skills of junior tennis players aged 4-12 years

A Junior Development qualification course was conducted from March 2011 to July 2011. Ten participants, including regional coaches from Broome, Esperance and Bunbury enrolled in, and completed this qualification.

Tennis Australia Trainee Course

The Tennis Australia Trainee Coaching Course (TCC) was designed by the Tennis Australia Coach Development Department and selected educational providers to train coaches to develop the skills of junior tennis players.

Two Trainee short courses were run at the State Tennis Centre during September 2010 and March 2011, with 9 and 5 participants enrolled in each course respectively.

Introduction to MLC Tennis Hot Shots Course

Intro to MLC Tennis Hot Shots coaching courses are introductory coaching courses produced by Tennis Australia and supported by the Australian Sports Commission (ASC).

An Intro to MLC Tennis Hot Shots coaching course is particularly relevant for people working with children; however, it is also relevant to beginner coaches of any age group. Course content is directed at children's sport and covers basic sport skills, group organisation, planning, child development, safety aspects, modified games and activities as well as administration of junior programs.

A combined total of 56 participants took part in Introduction to MLC Tennis Hotshots course across the following venues: Central TAFE, St Stephens Carramar, Perth, Albany, Kalgoorlie, Cowaramup, Esperance, Geraldton and Busselton.

TENNIS WEST 100 CLUB

The 100 Club is a Tennis West initiative to raise funds for WA's talented and promising junior tennis players, to help meet costs and assist their development in the game. The 100 Club seeks donations of \$100 (or more) from individuals or groups, including WA's tennis clubs. In 2010/11 there were a total of eighty one 100 Club Members.

In 2010/11 100 Club scholarships were awarded to the following athletes:

Storm Sanders	Sasha Bollweg
Scott Jones	Rhys Johnson
Maddison Inglis	Anja Dokic
Ben Dallinger	Ben Webster
Robert Allen	Daniel Alameh
Aswin Sharma	Jack Lyttle
Astra Sharma	Dominic Bechard
Erika Bollweg	Vuk Velickovic
Tsige Lacey	

We have seen some exciting results from our scholarship holders over the past twelve months, including:

Jack Lyttle

- Represented Australia at the "1997 European Tour" (Paris, Slovenia, Italy)
- Winner: 14/U WA State Closed Hardcourts, October 2010
- Winner: 14/U Sungold Junior Grasscourt Open, Victoria, December 2010 (Doubles)
- Finalist: Optus 12's National Claycourt Championships, Ipswich, April 2010 (Doubles)

Scott Jones

- Part of the Davis Cup Preparations in Cairns – Trained with Australia's Davis Cup Team in the lead-up to their tie against Belgium
- Represented Australia at the "1998 European Tour" (Italy)
- Winner: 12/U WA Junior Open, October 2010
- Winner: 12/U South Australia Junior Open, December 2010
- Winner: Optus 12's Australian Championships, Melbourne Park, December 2010 (Doubles)

Anja Dokic

- Represented Australia at the "1997 European Tour" (Paris, Slovenia, Italy)
- Winner: 16/U WA State Open Age, July 2010
- Winner: 14/U Sorrento Junior Hardcourts, September 2010

Storm Sanders

- Represented Australia in the World Finals of the Junior Fed Cup in Mexico
- Finalist: AMT Platinum #2, Melbourne Park, December 2010

Last year Tennis West held two functions for 100 Club members - the Tennis West Academy Training & BBQ and the Legends Breakfast, which were both very successful and helped to raise additional funds for the 100 Club. The 100 Club raffle was also another successful project which contributed an extra \$3,300 of financial support for WA juniors.

Throughout 2010/11 we awarded over \$11,950 in funding to assist our WA athletes in travelling interstate and overseas for competition. We are always looking to improve on this amount and continue to grow and give our WA athletes the best possible opportunity to reach their potential. Every dollar raised through the 100 Club goes directly to player development in WA.

2010/11 100 CLUB MEMBERS

Graeme Allan	Bill Price
Loretta Baker	Ted Reiss
John Bougher	Peter Rigg
Milo Bradley	Dene Rundle
Janet Brown	June Rundle
Joan Carney	Peter & Andrea Rundle
James Cameron	Barry Sanders
Colin Clark	Cathy Smith
Fiona Clark	Andrew Stanbury
Margaret Court	John Thorpe
Rick Cullen	Allan Wall
Jim Davies	Rob Webster
Graham & Treffina Dowland	Clive Wilderspin
Peter Eyres	Michael Webware
Collins Family	Dean Williams
Peter Field	Women in Tennis
Wayne Firms	Tennis Officials WA
B.S. Francis	

John Genovese	<u>Tennis Clubs</u>

Hedley O'Neil	Wembley Downs Tennis Club
Noel Pearse	
Gary Penberthy	
Harry Phillips	

100 Club Academy Training and BBQ Night

REGIONAL TENNIS ZONES

The numbers of Regional Tennis West Affiliated clubs and their members have continued to decline in 2010/2011 with 121 clubs, 7288 members from 128 clubs, and 7315 members in 2009/2010. Despite the decrease in Tennis West affiliated clubs and declining membership numbers, there were some positives to note in country tennis during the 2010/2011 year.

Tennis West continued to attend the Regional Tennis Zone Annual General Meetings, which was a great opportunity to discuss current club issues, successes, concerns and future plans. The GEMBA research along with the supporting resource, the Tennis Toolkit was presented at each zone AGM and was well received by each zone and their respective clubs. By attending these meetings, it also allowed Tennis West to assist these zones through the process of becoming incorporated. All zones that met the requirements have now been approved as incorporated bodies, which is a great achievement by the committee and volunteers.

Country zone committees remain strong, with a number of dedicated volunteers at the zone and club level. The Regional Development Administrators (RDA's) have remained in the positions and remained enthusiastic, despite an increase in workload.

ZONE	RDA
Central Districts	Julie Mussared
Eastern Districts	Wendy Hooper
Goldfields	Erin Bond
Great Southern	Kim Taylor
Lower Great Southern	Eileen Bairstow
Midwest	Janniel Harris
Moore Districts	Julie Taylor
Upper Great Southern	Dianne Warburton
South West	Alison Kirk
South Coast	Jo Scheer

SUNSMART COUNTRY CLINICS

In 2010/11 thirteen clubs successfully applied for the \$200 Country SunSmart Grant (\$250 as of 01/01/2011) to fund and support events such as Mother-Daughter Competitions, Group Coaching, Challenge Events and Junior Tournaments. In total, all of these events exposed over 500 people to the sport of tennis and the SunSmart message.

The following clubs were successful in their application for a Country SunSmart Grant: Toodyay, Kindinin, Moorine Rock, Kulin, Kalannie, Ardath, Tarcoola Park, Gnowangerup, Harvey, Dudinin, Wagin, Ravensthorpe and the Upper Great Southern Zone.

SunSmart Event at Harvey Tennis Club

WOMEN IN TENNIS ACTIVE GIRLS LIVE-IN CAMP

The annual Women in Tennis Active Girls Live-in Camp took place on 9-11 July, 2010. The Camp is a three day live-in-camp open to girls aged 9-16 from country WA. The focus of the camp is to provide coaching and social opportunities for junior female tennis players. This year, 37 girls attended the camp from all over regional WA, with some travelling from as far as Esperance, Albany, Kalgoorlie, Bunbury and Geraldton.

The camp featured a large range of social and physical activities, including ten-pin bowling, indoor multi-sports, fitness tests and movies, along with over 10 hours of on-court coaching sessions.

On the final day of the camp the girls participated in a mini-tournament, allowing them to put their newly acquired skills to the test. The camp concluded with a presentation and sausage sizzle attended by all coaches, participants, family and friends.

2010 Women in Tennis Active Girls Live in Camp

SUNSMART TENNIS IN SCHOOLS PROGRAM

This year's Country Tennis in Schools Program followed the National tennis in schools program Tennis Hot Shots, which ensured that the 2142 children that participated in this program were part of a National initiative. The program received positive feedback from coaches, teachers and students with several evaluation forms stating "we want more tennis". The majority of schools have since purchased the Tennis Hot Shots equipment and continued delivery the program, which will continue to keep the children active through tennis.

There were 31 primary schools involved in the program, these included: Kukerin, Wandering, Babakin, Bruce Rock, Corrigin, Kondinin, Kulin, Hyden, Narembreen, Mount Manypeaks, Kendenup, Borden, Parklands, Moora, Toodyay, Calingri, Bolgart, Bindoon, Yealering, Wickepin, Frankland River, Mt Lockyer, Rangeway, Beachlands, Mt Tarcoola, East Narrogin, Nyabing, Binnu, Great Southern Grammar, Three Springs and Esperance.

COUNTRY ROADSHOWS

Roadshows within regional Western Australia are a valuable way to promote tennis participation, and are always very popular with local clubs, schools and the wider community.

In 2010/11 the Tennis West Community Tennis Team, with the financial support of the D'Arcy Slater Foundation, delivered Roadshows to three regional zones across WA– the Pilbara, Moore Districts and the South West.

MLC Tennis Hot Shots Clinics were delivered to a total of 17 schools, allowing over 1000 students to be exposed to the sport of tennis.

Schools visited as part of the Roadshows were as follows:

Pilbara:

South Hedland Primary School
St Cecillas Primary School
Cassia Education Support Centre

Moore Districts:

Goomalling Primary School
Bolgart Primary School
Wongan Hills Primary School
Yerecoin Primary School
Miling Primary School
Dandaragan Primary School
Badgingara Primary School
Jurien Bay Primary School

South West:

Australind Primary School
Margaret River Primary School
Yallingup Steiner School
Karridale Primary School
Augusta Primary School
Bridgetown Primary School
St Mary's Catholic Primary School, Boyup Brook

Hot Shots Clinic at Dandaragan Primary School

Hot Shots Clinic at St Mary's Catholic Primary School

COMMUNITY ENGAGEMENT PROGRAM

In 2010 the Department of Sport and Recreation, through the Community Sport Enrichment Scheme, provided the Tennis West Community Tennis Team with the opportunity to deliver Roadshows as part of the Community Action Plan which ran alongside Tennis Australia's Pro Tour Events in Kalgoorlie and Esperance.

The Roadshow, coordinated by Brooke Koenig and Paul Oldfield, allowed over 1,500 school children to participate in organised tennis clinics and activities. The school program was a particular success, with 8 schools in Kalgoorlie, and 12 schools in Esperance taking part in MLC Tennis Hot Shots Clinics and other tennis related activities. The children also had the opportunity to meet some tour players and watch matches featuring local heroes Alicia Molik and Brydan Klein.

Esperance School Children with Alicia Molik

Hot Shots Clinics at Esperance Tennis Club

CBH COUNTRY ZONE CHALLENGE

This year's event was contested by 8 Regions with a total of 32 Junior Teams and 7 Senior Teams with over 150 players in all. Apart from a set back of a few showers on the first day the weather was glorious throughout the event. Robertson Park Tennis Centre was made available for the Junior Teams. "Southwest" were the champions this year taking first or second place in all individual events.

Thanks you to The CBH Group for their continued support by sponsoring this event for the 5th year running and during the presentations Lee Oliver, Business Systems Manager for CBH, confirmed their sponsorship will continue.

SCHOOLS CLASSIC – REGIONAL

The 2011 Country Schools Classic saw 124 teams play off at the following country clubs around the State: Merrifield Park, Quairading, Cunderdin, Geraldton, Katanning, Narrogin, Narembeen and Busselton. This was an increase of 14 teams from 2010, which is an encouraging sign for tennis in country WA.

Twenty of these teams qualified for the Finals Event held in Perth on Sunday April 17. The Academy Plate (Primary) was contested amongst 8 teams at the State Tennis Centre, whilst the Boys and Girls Herbert Edwards Cup and Mursell Shield Finals were held at the Nollamara Tennis Club. The number of teams in attendance at this year's Final was particularly low, predominantly due to clashes with other sporting events and school holidays in the Midwest Zone.

The results of the 2011 Country School Classic Final are as follows:

Academy Plate:	St Josephs Primary School
Herbert Edwards Cup (Boys):	Great Southern Grammar
Herbert Edwards Cup (Girls):	Great Southern Grammar
Mursell Shield (Boys):	Bunbury Catholic College
Mursell Shield (Girls):	Mackillop Catholic College

The tennis throughout the play-offs and the Finals was of an exceptional standard, and all participants, teachers and parents were organized, enthusiastic and above all, passionate about their tennis.

Girls Country School Classic Teams at Nollamara Tennis Club

D'ARCY SLATER CUP

This event has been previously known as the Boys Regional Cup, and it's fantastic that the D'Arcy Slater Foundation has come on as the event sponsor. The D'Arcy Slater Cup was held in Geraldton from Thursday 29th – Saturday 31st October 2010. The state's best 13 and under regional male tennis players made the journey to Geraldton to what's become a very important event in the calendar.

This event followed the same format was the Women in Tennis Foundation Cup, with a round robin double events and an Australian Ranking (AR) Singles event. For those who lost in the early rounds of the singles event, a D'Arcy Cup Classic event was held, giving all players plenty of tennis. The singles and doubles results contributed to the final placing of each of the teams.

With the singles and doubles results contributing to the final placing of each team, the eventual winners were Midwest 1 on 172 points, with South West 1 in second place on 146 points.

Local boy and number 1 seed of the singles event, Josh Bowen defeated Matthew Taylor in a great match 6-3 6-2.

The WA D'Arcy Slater Cup Team travelled to Sydney in January 2011. Members of the WA team were as follows: Josh Bowen (Midwest), Matthew Taylor (Moore Districts), Thomas Vellios (South West) and Michael Offerman (Lower Great Southern). Tennis West's Community Tennis Officer Paul Oldfield, was the Team Manager.

WA D'Arcy Slater Cup Team: (From left) Paul Oldfield (Manager), Josh Bowen, Michael Offerman, Thomas Vellios & Matthew Taylor

WOMEN IN TENNIS FOUNDATION CUP

The 2010 Women in Tennis Foundation Cup was held in Geraldton from the 25th -27th October with 13 teams, 64 participants from around regional WA. This is a prestigious event for young girls and receives praise from zone administrators, coaches, parents and participants each year.

The Women in Tennis committee once again generously sponsored the event and were able to send a representative from the committee to officially open the event and present the trophies at the closing ceremony and trophy presentation on the final day.

The event was competitive with the girls competing in a round robin doubles event and an Australia Ranking (AR) singles event. It was a tough fought three days with the eventual winners being South West 1 on 167 points over Lower Great Southern 1 on 156 points. Sally Partington defeated Emily Hannell 7-6 6-4 in a fantastic display of tennis during the singles final.

The WA Women in Tennis Foundation Cup team that travelled to Sydney in January were: Sally Partington (LGS), Emily Hannell (SW), Phoebe Vlahov (Midwest) and Samara Williams (LGS) and Team Manager Brooke Koenig.

WA Foundation Cup Team: (from left) Brooke Koenig, Emily Hannell, Samara Williams, Sally Partington & Phoebe Vlahov

REGIONAL ACADEMY

The Department of Sport & Recreation WA continued their funding of the Tennis West Regional Academy for 2010/11.

The program consisted of:

- 1) Midwest Regional Academy
- 2) Individual Scholarship
- 3) SWAS training camp & Camp Courage

Mid West Academy

The Midwest Academy completed its fifth year of the program, with ten athletes selected to take part in three training sessions; Skills, Match play and physical training per week.

Individual Scholarships

Eleven regional athletes travelled to Tasmania and competed in two Australian Ranking (AR) Tournaments as part of a ten day tour during June 2011 with Brooke Koenig and Paul Oldfield, Tennis West Community Tennis Team, as team managers. Many of the team picked up points and lifted the trophies in their divisions thus improving their Australian Rankings.

The following athletes met the criteria and were awarded Individual Scholarships

Corey Bavin (South West)
Sam Galati (South West)
Matthew Haynes (Mid West)
Matthew Taylor (Mid West)
Michael Offerman (Lower Great Southern)
Kevin Banwell (South West)
Louis Asser (South West)
Thomas Vellios (South West)
Mirante Ryder (South West)
Madeline Muller Hughes (South West)
Phoebe Vlahov (Mid West)
Tsige Lacey (Moore District)
Hayley McAlpine (Moore District)

*Interstate Tasmania Tour Team with team managers
Brooke Koenig and Paul Oldfield*

SWAS Camp

July '11, six members of the South West Academy of Sport (SWAS) joined the State and National Academies for a training camp in preparation of tournaments over school holidays. The camp, conducted by Tennis West State Academy Coach, Len Cannell and SWAS Head Coach, Christina Ladyman involved matchplay, training drills and physical preparation. The six athletes were; Louis Asser, Sam Galati, Corey Bavin, Thomas Vellios, Emily Hannell and Johaline Enslin.

Camp Courage

In March 2011 both Mid West and South West athletes and coaches were invited to Margaret River to take part in Camp Courage. Phoebe Vlahov from the Mid West along with Corey Bavin, Sam Galati, Louis Asser and Thomas Vellios from the South West attended the grueling boot camp program produced by Tennis West State Academy Coach, Len Cannell.

TENNIS LEAGUE

Tennis West Tennis League Operations was saddened to see the departure of long time servant Ms. Deanne Maloney who chose to pursue interests closer to home after eight years in her role. However, Deanne was replaced most competently by Ms. Suzanne Kingston. Sue demonstrates considerable knowledge of Tennis League, both as a player and as past President of Bayswater Tennis Club.

Tennis West welcomed and acknowledges the support of Brikmakers – new naming rights sponsor of Tennis League.

Brikmakers Tennis West Tennis League, with 69 clubs, 824 teams and circa 5,500 participants, remains the largest tennis league association in Australia.

Whilst several competition sectors have demonstrated growth (Junior Boys 10 and 12 Years, Junior Girls 12 Years, Tuesday Mixed Night, Wednesday Men's Night and Women's Grasscourt 55), the majority of competitions are down on participation rates over the past twelve months.

In an attempt to attract new players to Tennis League through a more flexible season, Tennis West split the existing sixteen week Saturday Open season into two shorter eight week seasons. The trial was reviewed and rejected by stakeholders as part of a wide reaching end of season survey.

Brikmakers 2011 Premier State League Winners were:

Men's	Hensman Park Tennis Club
Women's	Cottesloe Tennis Club
Junior Boys	UWA Tennis Club
Junior Girls	Reabold Tennis Club

Tennis West Competitions Committee (with a mandate to guide both Tennis League and Tournaments policy) will continue to seek strategies to address declining engagement rates in particular competition sectors. The proposed pilot of a National Tennis League in 2011 by Tennis Australia may present such an opportunity.

TOURNAMENTS

Tennis West Tournament Operations (Jan Budden, Joe McCarthy and Shane Smedley) has worked diligently over the past twelve months to create a more relevant tournament offering for our tournament players.

The 2010 Strategic Airlines WA Open Super AMT was aligned with Pro Tour events in Kalgoorlie and Esperance to capture some of Australia's leading professional players as a lead in to their ATP/WTa circuit.

The 2010 Player Points Race was established to entice some of Western Australia's leading players back into tournament tennis. \$66,500 in prize money was offered over Tennis West's 2010 Summer Tournament Circuit, which comprised Australian Money Tournaments, Optus Junior Tour events and I.T.N Banded events. This strategy provided most welcome income opportunities for both senior and junior players. However, this initiative failed to attract our senior players, perhaps largely as a consequence of the strength of Tennis League in this state.

In consultation with Tennis West/Tennis Australia Player Development and Club League Coordinators, it was agreed that junior tournaments would be limited to school holiday periods

and other "open" events would not be scheduled at the same time as Tennis League fixtures.

Tennis West has witnessed a massive surge in the popularity of junior Australian Ranking's points (Optus Junior Tour) events. It appears that for the majority of junior tournament players, the quest for a higher national ranking is paramount. This fact has seen the demise of a number of non Australian Ranking's points (Junior Development Series) events due to dwindling player entries. It appears that such JDS players prefer Tennis League where they are guaranteed of playing every week in a graded ability competition with their friends.

Tennis West is now committed to improving the service offering of tournaments around the state, rather than merely increasing event numbers. Tournament TV and Player Behaviour Management are strategies Tennis West shall invest in more heavily as we move forward.

PRO TOUR

Strategic Airlines WA Open

The Strategic Airlines WA Open was re-energised with one of the strongest fields recorded in recent times, as well as a new sponsor - Strategic Airlines. The Open attracted a highly competitive international field, presenting a serious obstacle for highly regarded top seeded locals Jessica Moore and Brydan Klein.

Klein put in a solid effort to make it to the Semi-Finals, however he was ultimately defeated by fellow Australian Adam Feeney 4-6, 6-3, 7-6(3).

The internationals ultimately dominated their local opponents, with number 2 seed and big hitting Canadian, Erik Chvojka, taking the honors over Feeney 4-6, 6-4, 6-2 in the Final. Likewise in the Women's event, French number 3 seed Victoria Larriere defeated Isabella Holland 6-0, 1-6, 6-1 in a capricious final match.

Goldfields St Ives International

The international victories continued at the Australian Pro Tour event in Kalgoorlie, Western Australia.

Canadian number 7 seed Erik Chvojka and Julia Glushko of Israel won the men's and women's titles, defeating number 1 seed Brydan Klein (WA) and Queenslander Isabella Holland respectively.

In the Men's Doubles Final, Australian duo Joel Lindner & Matt Red defeated fellow Australians Colin Ebelthite & Adam Feeney. In the Women's Doubles Final, Daniella Dominikovic and local talent Jessica Moore defeated Timea Babos (Hungary) & Monika Wejnart (Australia).

Goldfields St Ives AMT #2

In conjunction with the Pro Tour, Tennis West also ran an Australian Money Tournament. The purpose of this event was to offer match-play to those players who lost in the Qualifying event, as well as the opportunity to accumulate points and prize money.

The Women's Singles saw the top seed Anna Zaja from Germany easily conquer Australian Anneliese Tepper in the final 6-0, 6-4, with local West Australian Daniel Alameh claiming glory in the Men's Final over fellow Aussie Alex Pattison 6-1, 3-6, 4-6.

Tennis League & Tournaments

Tennis West would like to thank Shane Power and his team at the Goldfields Tennis Club for once again putting in an enormous amount of work to ensure the Pro Tour, AMT and community events could all be hosted at the club.

Cliffs Esperance Tennis International

The last leg of the Pro Tour took players to Esperance for the Cliffs Esperance Tennis International.

Local talent Brydan Klein (WA) reached his second Pro Tour final in as many weeks, but was ultimately defeated in straight sets by No.2 seed Sebastian Rieschick of Germany. Both players produced outstanding tennis featuring many searching baseline rallies to the enjoyment of over 500 spectators.

In the women's draw, Sacha Jones of New Zealand dropped only one set throughout the tournament and breezed to an easy victory over Cagla Buyukakcay (TUR) in the Final.

In the Men's Doubles Final Australian duo Brydan Klein & Nima Roshan defeated fellow Australian's Colin Ebelthite & Adam Feeney.

In the Women's Doubles Final, the Australians continued their winning streak with Daniella Dominikovic & Jessica Moore defeating the Japanese team of Remi Tezuka & Chiaki Okadaue.

Tennis West extends a big thank you to Ann and Neville Welke, Kathy Ashby, Jo Scheer, David Campbell and all the other wonderful volunteers at the Esperance Tennis Club for their work in staging an event that really captures the imagination of the local community and the players

As part of the Community Action Plan, Brooke Koenig organised bus transportation for all players taking part in the Tour. The Plan also included group coaching for members of the community, School Hot Shot Clinics, and Community demonstrations.

PRO TOUR FINAL RESULTS

Strategic Airlines WA Open Super AMT#1

Men's Winner Erik Chvojka (Canada)
Women's Winner Victoria Larriere (France)

Goldfields St Ives International

Men's Winner Erik Chvojka (Canada)
Women's Winner Julia Glushko (Israel)

Brydan Klein at the Finals Presentation in Esperance

Female players at the Esperance Tennis International

Community Engagement program at Kalgoorlie

PLAYERS POINTS RACE

Players were able to collect Race Points during the 2010 Summer Tournament Circuit (September – December). Events included in the Series were AR, AMT and ITN Based events. Players could only accrue points for the Division in which they competed. And points could not be transferred between an ITN Restricted Singles Event and a Masters Division, and vice versa.

A Player's ranking was calculated on their best 4 results and a player had to physically win a match to receive Race points. The Open Events were awarded prize money from 8th position through to the winner and the Juniors received trophies, certificates and Hopman Cup 2012 tickets.. See below for list of winners.

Boys Doubles	Daniel Ibbitson	Steven Francis
Girls Doubles	Caitlin Cridland	Kristy Jones

Tennis League & Tournaments

SCHOOLS CLASSIC METRO

The Metro Schools Classic was held over 7 days in Term one of the School Calendar. Last year, a record 128 teams entered the event, and this year that figure increased to 136 teams across 28 different schools.

Belmont Park Tennis Club was again used as a second venue in order to accommodate the large number of entries.

The Girls Academy Plate was a round robin format consisting of 7 teams from 6 different schools. Brentwood Primary School was the eventual winner of the Plate. All players received a certificate of participation and a medallion, with the winners and runners up receiving trophies.

To accommodate the substantial increase in teams, the Boys Academy Plate event employed a Compass Draw to allow the boys to finish in the one day at the same venue. A total of 19 teams from 13 different schools competed in this event, with Winthrop Primary School taking home the trophy.

The Girls Herbert Edwards Cup (Years 8 & 9) was made up of 16 teams from 9 different schools. Division 1 of this event was won by Applecross Senior High School, with Shenton College winning the Division 2 trophy for the first time in a number of years.

The Boys Herbert Edwards Cup (Years 8 & 9) had a total of 28 teams from 10 schools all vying for the trophy. Applecross Senior High School emerged victorious in the Division 1 event, with Perth Modern School taking the honours over CBC Fremantle in the Division 2 event.

The Girls Mursell/ Slazenger Cup had a total of 24 teams from 12 schools entered in the event. Using the same format as the Herbert Edwards Cup, the winners progressed to the Slazenger Cup Finals and the second placed teams played off for the Mursell Shield. Applecross Senior High School continued their winning form by taking out both events.

The Boys Mursell/ Slazenger Cup had a record number of 43 teams from 15 separate schools entered in the event. The Slazenger Cup was won once again by Applecross Senior High School, with Carine Senior High School taking the honours in the Mursell Shield after a tightly contested match against Applecross SHS.

By securing wins in the Boys and Girls events, Applecross SHS now have the opportunity to represent WA in the National Schools Sport Teams Competition in Wagga Wagga

Girls Slazenger Cup Champions: Applecross SHS

Boys Slazenger Cup Champions: Applecross SHS

Facilities & Tennis 2020 Initiative

The 2010/11 financial year for Facilities saw Western Australia making notable movements forward in the Regional Tennis Centre initiative as well as club infrastructure improvements, successful grant applications and our first representation within the My Tennis application.

TENNIS 2020

Tennis 2020: facility development and management framework for Australian tennis outlines Tennis Australia's vision and approach to nurturing and advancing the prospects of tennis and its facilities in partnership with the state and territory Member Associations, clubs, government and other stakeholders.

The Tennis 2020 document integrates TA's vision and strategies to deliver a sustainable and vibrant environment for tennis facilities and clubs for the period 2008 to the year 2020.

THE HIERARCHY STRUCTURE

Included in the 2020 strategy was a Facilities Hierarchy Structure as outlined below:

National Tennis Centres
20 Courts +

Regional Tennis Centres
16 Courts +

Sub Regional Tennis Centres
12 Courts +

Medium Tennis Centres
8 Courts +

Local Tennis Centres
4 Courts +

Each of these individual tiers have a list of selection criteria attached to them.

WESTERN AUSTRALIA'S REGIONAL TENNIS CENTRES

METROPOLITAN

- North Metropolitan Region:
 - SORRENTO Tennis Club
- Central West Metropolitan Region:
 - REABOLD Tennis Club
- Central East Metropolitan Region:
 - ALEXANDER PARK Tennis Club
- East Metropolitan Region:
 - MIDLAND LAWN Tennis Club
- South Metropolitan Region:
 - BLUE GUM PARK Tennis Club

COUNTRY

- Mid West Region:
 - GERALDTON Tennis Club
- Wheatbelt Region:
 - GOLDFIELDS Tennis Club
- Great South West Region:
 - BUSSELTON Tennis Club

WESTERN AUSTRALIA'S SUB REGIONAL TENNIS CENTRES

- North Metropolitan Region:
 - WEMBLEY DOWNS Tennis Club
- Central West Metropolitan Region:
 - DALKEITH Tennis Club
 - NEDLANDS Tennis Club
- Central East Metropolitan Region:
 - BAYSWATER Tennis Club
 - MT LAWLEY Tennis Club
- East Metropolitan Region:
 - LESMURDIE Tennis Club
- South Metropolitan Region:
 - HENSMAN PARK Tennis Club
 - EAST FREMANTLE Tennis Club
 - MELVILLE/PALMYRA Tennis Club

PROGRESS

This year we have seen the final Regional Tennis Centre come on board - Busselton Tennis Club as the RTC for the Great South West Region. This means that Western Australia is now the only state to have their full contingent of Regional Tennis Centres on board.

We continue to move ahead in leading the pack and WA was host to the first and only RTC strategic planning session in March 2011. Delegates from Tennis Australia, Tennis West and the Regional Tennis Centres ensured that all aspects of tennis were represented.

We have 3 – 4 RTC meetings annually which are highly productive sessions. Some of the RTCs have received grants for new initiatives they are rolling out showing a lot of forward thinking and investment in grass roots and community tennis.

Some of our centres have brought on full-time managers taking that one step further to creating and sustaining a viable tennis infrastructure.

In the 2011/12 financial year we are planning on more forward momentum for the Regional Tennis Centres and for their regions.

Australian Open Trophy Tour at Reabold Tennis Centre

Sponsor Acknowledgements

TENNIS AUSTRALIA

Tennis Australia continued to be Tennis West's largest source of funding and support. The national body contributes to three Tennis West employees, and Athlete Development is substantially managed by Tennis Australia in WA.

Assistance is provided by Tennis Australia in various areas including programming, IT support, accounts, staff employment, and marketing, all of which is crucial to the continued success of Tennis West's work in Western Australia.

HEALTHWAY

Healthway continued to be a major, and much appreciated, sponsor of Tennis West, continuing to contribute greatly to our regional activities. Healthway plays a pivotal role in our program development for grass-roots tennis, providing exposure to the game, and to the healthy messages that we promote alongside it, to thousands of kids throughout Western Australia.

Tennis West, through Health Policies targeted at the club system, continued to promote healthy eating, positive exercise experiences, no smoking, SunSmart and controlled drinking practices. The Association is linked to Healthway through a three year funding agreement, providing welcome stability to the regional and participation program areas.

DEPARTMENT OF SPORT AND RECREATION

The Department of Sport & Recreation (DSR) remains a valued partner and supporter of Tennis West. The Sports Lotteries funding of Tennis West's business plan is essential to the sustainability of our participation and player development programs, and assists in organisational development and governance.

The Department of Sport and Recreation remains committed to Tennis West's High Performance program, with a 3 year funding agreement that will enable us to continue to provide added value services and equipment to our athletes and staff. Funding for The Regional Academy of Sport Program complements this and continues to provide opportunities for regional athletes in their development.

BRIKMAKERS

Tennis West would like to officially welcome Brikmakers on board as the Major Sponsor of Australia's largest Tennis League competition, with over 5,500 summer participants.

Brikmakers have signed on as major sponsors for a 3 year term, and we look forward to a promising and prosperous relationship with them.

The ongoing commitment from our sponsors has ensured the continued development of our sport and we extend our thanks to them all.

Department of
Sport and Recreation

It is with great pleasure and pride that I once again have the honour of presenting our very informative report for season 2010-2011.

This year has been a very busy year for committee members Bev Leighton, Bobbie Edwards, Pam Smith, Julie Green, Gaye Hayes, Kerry Edwards, Wendy Bloor, Deanne Maloney, Delys Dear and myself Trish Ross.

SPONSORSHIPS

Women in Tennis (WIT) is a not-for-profit committee dedicated to raising funds for the benefit of up-and-coming young female tennis players. This year, some of the funds raised have gone towards the travel expenses of the Pizzey Cup Team who represented WA in Bendigo, Victoria in May. Captain of the team, Caitlin Cridland, was undefeated throughout the tournament and was named in the All-Australian Team. The WA team was commended for its great sportsmanship and enthusiasm and the WIT committee is proud to have sponsored the team.

Individual scholarships were also awarded to Academy Athletes Storm Sanders and Astra Sharma to fund interstate and international travel expenses.

ANNUAL GALA DAY

Our annual Gala Day was held on 13 October, 2010 across five venues - City Beach TC, Belmont TC, Claremont TC, Maylands TC and Robertson Park Tennis Centre. The Gala Day is one of the Committee's major fundraising events, and many thanks must go to all clubs and volunteers who did a sterling job with various tasks to make sure their day ran smoothly.

We would like to take this opportunity to thank our very generous sponsors - Hyundai Hopman Cup, Tennis West and Usana Nutritional Products. These sponsors have contributed considerably to the Gala Day and because of this we are able to pay the generosity forward by way of team and individual sponsorships throughout the year.

The 2011 Gala Day is scheduled for Wednesday 19 October, 2011 and entry forms are available on the Women in Tennis website.

FOUNDATION CUP

The Women in Tennis Committee annually sponsors the Girls Foundation Cup, a 3 day tournament for 13 and under female junior tennis players from regional WA. This year the event was held in Geraldton from 25-27 October, 2010. The tournament attracted 13 teams and 64 participants from around the State who were all actively competing for their Zone. Thanks must go to WIT Treasurer Pam Smith for attending and officially opening the event.

The best players from the Geraldton Tournament formed a WA representative team, who competed in Sydney from 10-14 January, 2011. The girls played some hard fought tennis, defeating South Australia but ultimately going down to the tough Victorian and NSW teams.

LEGENDS BREAKFAST

Women in Tennis, in conjunction with Tennis West, once again hosted the annual Tennis Legends Breakfast on 3 January, 2011 at the Astral Ballroom, Burswood. This year the event merged past and present day legends with Liz Smylie and Alicia Molik combining on stage to share their experience and stories about life on the tour. Hyundai Hopman Cup Tournament Director, and Wimbledon Doubles Champion, Paul McNamee also made an impromptu appearance on stage to reminisce with Liz about their time in the game and their association over the years. Alicia Molik spoke respectively about what the game has given her, and talked of her childhood and present day friendship with Hopman Cup doubles partner, Lleyton Hewitt.

A big thank you to Tennis West and the WIT committee for the scrumptious and entertaining breakfast and all the hard work put into running the very successful morning.

HELEN WATERS DOUBLES CHAMPIONSHIPS

On Wednesday 13 April 2011 the 11th Annual WIT Helen Waters Doubles Championships was held at Robertson Park Tennis Centre. The day was a huge success with 90 pairs (180 players) competing at the event. A wonderful luncheon was also supplied, as well as afternoon nibbles and all-day tea and coffee. Everyone enjoyed the day and we would like to extend our thanks to Andrew Stanbury - CEO of Tennis West, Robertson Park senior ladies, Tournament Director Leon Dhu, Referee Dawn Hay, and the ladies on the WIT Committee.

We would also like to give thanks to Reg Hall who supplied the tennis balls for the event. We had 8 divisions playing off in the final. The overall winners of the day were Deb Taylor and Denise Cramer from the Floreat Park Tennis Club, who will have their names engraved on the perpetual Helen Waters Trophy.

I would like to take this opportunity to thank our very generous sponsors for their support of our events throughout the year. Our major sponsor for the Gala Day was Gordon Davies of Were Wines, who presented prizes on the day. Other generous sponsors included Hayden Gibson from Tennis Only, Sienas Restaurant and The Wine and Truffle Co. Champagne was donated by Tennis Seniors and Australian Open towels were donated by Tennis West.

Winning duo Denise Cramer & Deb Taylor with Gordon Davis of Were Wines

TENNIS INDUSTRY AWARDS NIGHT

On Friday May 6, 2011 Bobbie Edwards and husband attended the 2011 Tennis Industry Awards Night at the South of Perth Yacht Club. Acknowledgement was made on the night to WIT committee member Deanne Maloney, who resigned from Tennis West after 8 years of service. She will be sadly missed. Deanne has agreed to stay on the WIT committee.

ACTIVE GIRLS LIVE IN CAMP

The 9th annual WIT Active Girls Live in Camp was held this year from July 9-11. Thirty seven girls from regional towns across the State, including as far north as Kununurra, made the trip to Perth for the three-day camp. The camp is an annual event open to girls aged 9-16 from regional WA, and is aimed at providing social and coaching opportunities for junior tennis players. Five female coaches from regional WA lived-in with the girls for the duration of the camp.

Women in Tennis have been sponsoring this event since its inception, and are pleased to offer such a great opportunity for young regional female tennis player.

WIT Active Girls Live in Camp participants

Camp participants undertaking fitness drills

The WIT Committee are available throughout the year to sponsor country clubs to assist with the coaching costs of young girls in the country regions. Applications can be made online through the WIT website.

I would sincerely like to thank the WIT committee and the staff at Tennis West for all their hard work throughout the year and their willingness to help wherever possible in all matters. It has been an absolute pleasure to work with you all.

The WIT committee will genuinely miss the services and friendship of two retiring members of Tennis West - Andrew Stanbury, CEO, and Deanne Maloney, Tennis League Coordinator. Their enthusiasm and diligence in all matters has been beyond the call of duty. We thank them very much and wish them both every success in the future.

To conclude, I would like to welcome any new members to our Committee – I know you will find it an extremely rewarding experience. And finally, to retiring committee members, a big thank you for all your efforts this year and we wish you well for the future.

Thank you

Trish Ross
President: WIT Committee

As another hectic season draws to a close, we take this opportunity to reflect on the highs and lows of the season. Fortunately, a sign of a good year, there were more highs than lows!

In recognition of her outstanding service to the association, Sue Tribe received an Honour Badge at this year's Australian Open. Honour Badges are not handed out lightly, and Sue can be very proud of her efforts over a number of years. We also congratulate the following umpires for receiving certificates for continuous service: Troy Hancock and Chris Lawton (15 years); Richard Kingsley (20 years); Dawn Hay (30 years). Special congratulations must be given to Richard and Dawn for their outstanding achievement. I would also like to convey my thanks to all of our long-serving members who continue to attend many local events, year after year. Your selfless dedication to our association and officiating in WA is very much appreciated, and together, you truly are the 'heart and soul' of our officiating family.

The high quality of our officials has continued to get recognition, with a number of our members selected to officiate at high level tournaments around Australia. Some of these include:

- Patsy Harmer and Sue Tribe officiating at the Burnie Challenger.
- Josh Carter chair umpiring at professional circuit events.
- Jeromy Jones and Matt Hayes selected for Fed Cup.
- Troy Hancock selected for Davis Cup.
- Several WA umpires officiating at Australian Open, including first-timers Chris Crosby and Trevor Mitchell.

Easily the best achievement of the year goes to Josh Carter, for successfully obtaining his ITF White Badge Chair Umpire certification. The opportunity of Australian officials to attend a White Badge Chair course has been few and far between in recent years, and ever the opportunist, Josh was selected to attend the Thailand course in November last year.

On the other end of the spectrum, we welcome all of our new officials this year. For a second year in a row, we have been very pleased with the performance and attitude of our newer members, and look excitedly to the future. Congratulations to those trainee officials who have been elevated to full members this season.

Along with the new members, we have had several officials try their hand at different officiating pathways. Several courses for chair umpires, court supervisors and referees were conducted here in WA, and some WA members were selected to attend courses in other states. Our association and Tennis Australia will continue to support all development pathways for our officials who have the desire to reach their officiating goals.

This year was also the first year that Cathy Smith didn't captain our Hopman Cup ship as Chief of Umpires, and we welcomed Geof Palmer to the role, along with a number of interstate and international officials. Our showcase event continues to draw big names and big crowds, and we are lucky to have such a high quality event to officiate at in WA.

Tennis Officiating around the country received a significant funding boost this year from Tennis Australia, providing more opportunities for training and development of new and upcoming officials. Additionally, we saw the appointment of five 'Officiating Development Officers' across the country. WA was lucky enough to have a dedicated officer appointed by Tennis Australia, in Sharon Kirkaldy. The Board welcomed this appointment and has appreciated all of Sharon's efforts to date. Sharon has been able to address some of the issues and pressures that have generally been faced by our volunteer Board, and has also provided fresh ideas and initiatives for training and recruitment. We look forward to a continued strong relationship between Sharon and TOAWA.

At a local level, the TOAWA Board had a busy year. This season we reinstated a minimum work policy for acceptance to Australian Open and Hopman Cup, and the Board is currently negotiating a new 3-year agreement for the Hopman Cup. The Board also tackled some interesting challenges this season, including several complaints and protests from members of the tennis industry. It is important to emphasize that our Association exists primarily to support the membership. This includes representation, support, advice, training and feedback. Whatever challenge we face, you can be assured that the well-being of our members is our number one priority, and that any actions or strategies that the Board implements following an incident or difficult match/tournament, are implemented to get the best out of our officials. Only then we can achieve a positive outcome for the tennis industry, while ensuring a positive outcome for the official(s) involved.

I would like to congratulate this season's award winners for excellence in officiating in Western Australia.

- Official of the Year:
Josh Carter
- Excellence in the Chair (Norm Cunningham Shield):
Lucian Jonescu
- Service to the Association (Hay Tray):
Richard Kingsley
- Novice of the Year (Alf Chave Trophy):
Jack Davis

A wonderful season was had by all our award winners, and we hope that their achievements are seen by our newer members as something that they can aspire to.

Award winners (from left) Lucian Jonescu, Richard Kingsley, Josh Carter & Jack Davies were recognised at the 2011 Tennis Industry Awards Night

This season we farewell Christine Humble as she moves to Queensland, and Leanne O'Farrell as she moves to Melbourne. We wish you both the very best.

At a Board level, we had some new faces and new roles this year. With Cathy Smith's departure prior to last year's AGM, Sue Tribe picked up the Treasurer position, and Trevor Mitchell dived courageously into the Secretary role. Troy Hancock joined the Board last year, only to leave the board for personal reasons mid-season. The Board then welcomed back Des Michael as Troy's replacement. Well done also to Josh (and Troy initially) for reinvigorating the WA newsletter and producing three editions this season. We look forward to the next edition of "Let's Play!"

As I have previously announced, this is my last report as President, as I step down from the role to get some more time back for my family. I will continue to officiate and will remain on the Board for a year as Immediate Past President, and will likely return to the Board of Management in some capacity in a few years. I wish the new President all the best and I am sure that whoever fulfils that role will have the same passion and commitment for the association that I have felt over the last three years. I also hope that newer members consider joining the Board is the future. Appointment on the BOM for TOAWA is a wonderful opportunity to learn about and contribute to all aspects of Tennis Officiating programs, policy and discussion items, both at the state and national level.

I would like to thank all the members of the Board of Management this season for their wonderful support. Thanks to Des for your work this year as our chief evaluator and for jumping on board mid-season. Jill, Dawn and Josh have continued to provide valuable support and advice over the year, whilst juggling busy lives outside of TOAWA. I also thank Trevor Mitchell for having the courage to fill Sue's relatively big shoes as Secretary. Not only did you step up to the plate, but you did a marvellous job and made your own mark in the position.

Finally, I would like to pay special tribute to Sue Tribe. Over the last three years, Sue has supported me through thick and thin, and has tirelessly contributed to our association. I don't think anyone works harder for our association than Sue, and she quietly goes about her business in what is often a thankless call of duty. For your dedication and selfless commitment, for your tireless support for my role, and for being a wonderful colleague and friend, I extend my heartfelt thanks!

I wish all of our members every success for the coming season, and thank them for their continued support of the association.

Matt Hayes
President - TOAWA

Once again your elected committee has been progressively working through its agenda endeavouring to stabilise and grow for the future.

Because we in WA have a tennis centre as a home base, we must continue to have a membership base and grow our numbers accordingly.

Maximum use of our facilities by playing in pennants and event style tournaments will help us achieve our goal.

Tennis Seniors in WA cannot afford to dismantle its membership role and rely on tournament entry fees and handouts from various parties to survive, as do some other states. This focus does not always parallel Tennis Seniors Australia operational plans but we believe that with a consultative approach a mutually beneficial result is achievable.

TENNIS SENIORS AUSTRALIAN CHAMPIONSHIPS

Under the chairmanship of Michael Harris, this committee has covered all areas in the lead up to next January. We are looking for sponsorship monies or good to help this event and any help from members will be appreciated. All the preliminary work is just about finalised and we now await our WA members and players 35+ to nominate for the teams and individual events.

FINANCE

David Legge and his subcommittee have again diligently managed the financial side of Tennis Seniors WA. Despite adverse pressures we have returned a small profit and with patronage of Robertson Park continuing to climb the future looks promising.

MEMBERSHIP

This year Margaret Smith and Pam Smith have undertaken this area and it appears we have halted the past persistent decline of membership numbers. Many new members have joined and numerous ex-members have rejoined and the committee look optimistically for this to continue.

PENNANTS

Colin Griffin has taken over this portfolio and after a first season of summer pennants run by Tennis West we had 12 teams of 4, (2 men and 2 women). Since Christmas the seniors resumed running our own pennants and the numbers increased to 16 teams. We also have 13 teams in the current winter season. Sponsorship of our summer pennants is by Tyrepower Marketing and Kevin and Jo Wren of Tyrepower Pinjarra sponsor our winter pennants. We appreciate their support and ask all members to use the Tyrepower brand wherever possible.

GROUNDS

Led by our Vice President Rob Comley this section operates at optimum levels for the benefit of our members.

SECRETARY

New Committee member Isobel Lockyer has enthusiastically embraced her role. She diligently gets things done and this provides better comfort and enjoyment for our tennis members. Isobel also helps out in other areas of committee work.

SCHOOL MATCHES

Rob Ockerby took over this role and continues the seniors winning run against the private school teams. Other matches are in the pipeline so listen for more information.

SPONSORSHIP

This is always a hard job. Rob Ockerby continues to promote our cause. Tiger Turf is a main sponsor and we thank them for their continued support. I ask all members to advise if they have any thoughts or prospects for future sponsors.

SOCIAL MATCHES

These matches against various clubs and organisations have been capably organised by Pam and Cec Gardiner and Bob and Heather Gardner. These matches help promote Tennis Seniors and are a valuable tool in our move forward.

Bob and Heather, after many years of unselfish commitment stood down this year to follow other dreams like driving and caravanning. Pam and Cec have also expressed a desire to 'retire' from the position, and we greatly acknowledge their contribution to Tennis Seniors. This means we are seeking volunteers to step up and takeover this area.

TOURNAMENTS

The 2010 State Championships were initially a joint production between Tennis West and Tennis Seniors, however Tennis Seniors took over sole responsibility due to financial reasons.

As the first tournament open to non-members, it had very limited success. A change from October to November/December and a clash with Tennis West Pennants did not help.

The 2011 State Championships will be an ITF Grade 3 event so it is hoped that numbers will increase further. The shift back to October will also help. Other tournaments and special event days continue to promote Tennis Seniors and we aim to introduce at least 2 more events this year.

SOCIAL & CATERING

Rhonda Fletcher leads this portfolio and continues to introduce different 'eats' to the menu. Social events and special event days continue to return a financial dividend for seniors and our thanks go to Rhonda and her many helpers for the job they carry out.

WEBSITE

Tennis Seniors WA have changed our website and can now be located on Tennis Seniors Australia and Tennis West sites. Go to www.tennis.com.au/seniorswa and follow the prompts.

VETSCENE

Bobbie Edwards accepted this task and has progressively adapted to the position. We have seen our Vetscene change from a printed and posted at cost version, to an electronic version thankfully organised by Tennis West. This means we only post out to those members not on email. This is a great saving to Tennis Seniors. All concerned, the helpful staff at Tennis West, Debra Kirk in our office and Bobbie Edwards, please take a bow, as the end product is greatly appreciated.

BAR

This year we appointed two bar managers, Jhil Taylor and Rhonda Fletcher, to take control of the facility. Both have done a fantastic job and have increased bar takings. The range of stock has expanded and members have often been heard commenting favourably on prices and presentation.

A grant from Bendigo Bank in North Perth provided the bar with a cash register and this has helped in the successful running of the bar.

The extra opening hours volunteered by Jhil and Rhonda are greatly appreciated and the committee and members thank you both for the financial benefits you have brought to the Association.

TENNIS WEST

Tennis West through CEO Andrew Stanbury have been extremely helpful in many areas, particularly the Vetscene and the website. We wish to continue working with them in a friendly and helpful manner in areas where we can improve our performance or procedures. Their support is most welcome and thankfully accepted.

COURT MANAGEMENT

This past year Michael Maartensz from Turf Care took over this contract from Leon Dhu and has continued to present the centre in a professional way, which brings credit to himself and Tennis Seniors. His many staff are helpful and obliging and Tennis Seniors are thankful for their support.

SECRETARY

This year John Amor took over this position and brought immediate change. Coming from a business background and not being 'well known' among the membership, John has gone about his role with enthusiasm. He walked into a 'brick wall' for the first 5-6 months working on systems etc that were eventually thrown out by TSA. This steeled him for anything that may arise. He has worked extremely well with all committee members and his 'fatherly' advice is usually heeded. Thank you John!

SENIOR OF THE YEAR

Senior of the Year for 2010-11 was announced at the last AGM. Rhonda Fletcher was a unanimous choice for the award. Catering for most events, selling raffle tickets etc are all in a day's work!

Making a large boiler of soup for 50-60 players on pennant nights in winter has increased the number of players who come into the function room at 10 or 11pm to reminisce and maybe have a red or white. All of this is done cheerfully and willing BUT if you don't wash up, clean up and put away then watch out!

Rhonda your honour was richly deserved!

CONCLUSION

This year has been quite tumultuous in many ways. A reasonably new committee has endeavoured to promote Tennis Seniors WA at all times. This is achieved only by the help/volunteering of our members to help wherever possible. A big thank you for all their support.

I wish to acknowledge the support of Rhonda for her many extra chore she has accomplished during the past year and still maintained her household position.

Once again, grateful thanks to all for this past year and I wish everyone every success for 2011-12.

Kevin Fletcher
President – Tennis Seniors WA

Reporting on the State Tennis Centre could not begin without commenting on the intense speculation during 2010-11 as to whether the centre has a future at all.

The year was punctuated with regular media comment on the likelihood that the Barnett Liberal government would seek to locate WA's new oval stadium in the Burswood Peninsula, home of the centre. This speculation became reality when, in June, the announcement was made that Burswood will be the site of the stadium, although the exact location is yet to be decided. This puts the future of the State Tennis Centre (STC) very much in doubt, and the Tennis West Board has been in regular contact with the government and begun considering alternatives for Tennis West, in preparation should the government express its interest in moving Tennis West from the site.

The STC again hosted the opening round 'State League Blockbuster', featuring all the Men's and Women's State League teams. WA's home of tennis as usual staged a myriad of other tennis events, large and small, from Harmony Day to Country Zone Challenge, the School Children's Classic, and a series of Hot Shots Challenges. It is a venue that juniors in particular love to come to.

In February the centre hosted a group of talented juniors and a large entourage of officials and coaches on a Beijing International Group tour, representing China Tennis. This followed on from the inaugural such tour the previous year. Joe McCarthy again coordinated a 2 week program of coaching, match-play and tournament participation for the group. This really was a great success once again and China Tennis is keen to expand the relationship for years to come.

The centre again played host to a number of Hopman Cup events, including the annual Pro Am event that sees the stars of the Hopman Cup play alongside local sponsors and other stakeholders. It is also used as the practice venue for the players through the course of Hopman Cup.

The completion of the Country Zone Challenge in April saw the centre host Tennis West's Volunteer Cocktail Party, bringing together and recognising nearly 300 of our State's tennis volunteers in a social setting. There was a small distraction in the form of the Royal Wedding but this added to festive feel. A prize of an expenses paid trip to the Australian Open was won on the night by Diane Warburton (Upper Great Southern RDA), and Motive Travel generously donated a travel and accommodation package.

We remain pleased that the centre is used regularly by a number of schools, notably Trinity College who base a full tennis program at the venue in terms 1 and 4, that utilises the courts up to 6 days a week.

The functions business at the STC enjoyed a busy year, following a difficult 2009-10. Julie Wilson, Functions Manager, oversaw a net financial result that exceeded the budgeted result, which was very pleasing. We have a range of corporate clients, many of whom have been booking the centre for a number of years. Constellation Wines continued their sponsorship of the STC, and we thank them for their support.

A second phase of court re-surfacing was undertaken to remedy those courts that were not part of the previous year's extensive work. Tennis Australia's National Court Rebate Scheme and the Department of Sport and Recreation (DSR) both assisted with funding. In addition the DSR supported the installation of a new irrigation system at the behest of the Burswood Park Board, there being a need to move the centre on to a system independent of the adjacent golf course. The STC is now over 14 years old and showing its age. If it is to remain further extensive capital and maintenance works will be required, BUT this is by no means guaranteed

Joe McCarthy with the 2011 China Tennis Tour group participants

MINELECT WA STATE HARDCOURTS (GOLDFIELDS TC)

*Due to wet weather this event was incomplete.
Points and prize money were awarded according to the OJT & AMT
2011 Australian Guidelines*

I hereby present the Tennis West Financial Summary Report for the 2010-11 financial year.

The 2010-11 financial year saw Tennis West (TW) post another surplus, with a healthy annual net surplus of \$133,915 recorded, against a forecast budget surplus of \$10,512. This result was pleasing following on, as it did, from a surplus in the previous year, after three difficult years before that. Tennis West has restored its balance sheet to the healthy position enjoyed before the funding cuts from Tennis Australia three years ago. Net assets shown on the Balance Sheet grew from \$904,558 to \$1,038,473 over the year, and cash on the hand was \$802,179 at 30 June 2011, against \$772,457 at 30 June 2010.

The strong financial performance was driven by a number of factors. By far the most significant was the larger than budgeted grant income, from Tennis Australia and the Department of Sport and Recreation (DSR) in particular. Tennis Australia grant income was boosted by a full year of the Community Tennis grant designed to invest in people on the ground, as well as a new Local Area Marketing grant. DSR grants exceeded last year's levels, largely due to funds received for a new irrigation system, but assistance was also provided for court resurfacing at the STC.

Affiliation and related income (Tennis League fees, Tournament Sanction fees etc) was close to budgeted levels. This reflected only a slight drop off in affiliation numbers from 20,150 to 20,025, a satisfactory result in view of declining club membership across most sports. Tennis League entry fees missed budget expectations by over \$8,000 reflecting slightly lower team entries and decreased income from a shortened State League season.

State Tennis Centre (STC) functions income improved on the previous year and was close to budgeted levels. The pick-up in activity resulted from the general improvement in the economy after the crisis of the previous year. Commercial sponsorship, however, did not meet our budget, the loss of the Wilson Ball sponsorship being the main reason. We were unable to sign a deal anything like comparable with the earlier Wilson deal.

It should be noted that effective expense control was again a feature of the net result.

Salaries, the main expenditure item in what is a service business, were over budget, but that reflected greater use of full and part time employed people than budgeted (at the expense of casual employees), as well as increased remuneration facilitated by TA grant support for this purpose. Maintenance expenditure on the State Tennis Centre was significantly higher than forecast, at \$69,417, reflecting the fact that the courts, in particular, are approaching end of their typical surface life-cycle.

Tennis West remains grateful to its main funding partners – Tennis Australia, DSR and Healthway – as well as all its commercial sponsors. The world remained in the grip of uncertainty – with concerns over government debt levels in particular affecting markets - but Tennis West managed to get through unscathed, managing its investments prudently and continuing to replenish its reserves.

Typically, however, the expenses that can be controlled were controlled relatively well. Printing costs is one such area. The combination of a better deal on our print equipment, more in-house printing on this improved machine and a much greater use of electronic communication has seen print expenses trend lower in the last 3 years.

Tennis West's investment approach was again conservative, with most of its funds available for investment held in major bank Term Deposits, yielding interest income for the year of \$50,774. Limited capital expenditure was undertaken, in part due to the uncertainty in relation to the future of the STC, and this contributed to the increase in the cash position at year end.

In summary, the Association enjoyed another relatively strong year from a financial perspective. Tennis Australia invested more in our Community Tennis activities and this is likely to continue in the foreseeable future, appropriately in our view. The Association's Balance Sheet is strong and investment policy will remain prudent. This means Tennis West is well positioned to continue its investment in developing the game in WA in coming years.

Bill Price

W.A. Tennis Association Incorporated
Statement of cash flows
For the year ended 30 June 2011

	Note	2011	2010
Cash flows from operating activities			
Cash receipts from customers		1,891,848	1,833,071
Cash paid to suppliers and employees		(2,381,383)	(2,058,306)
Interest received		55,319	26,184
Cash receipts from government grants		565,877	417,395
Net cash (used in)/from operating activities	22	131,661	218,344
Cash flows from investing activities			
Acquisition of property, plant and equipment	14	(101,939)	(16,301)
Net cash (used in)/from investing activities		(101,939)	(16,301)
Cash flows from financing activities			
Net cash (used in)/from financing activities		-	-
Net increase/(decrease) in cash and cash equivalents		29,722	202,043
Cash and cash equivalents at 1 July		772,457	570,414
Cash and cash equivalents at 30 June	11	802,179	772,457

The statement of cash flows is to be read in conjunction with the notes to the financial statements set out on pages 5 to 22

W.A. Tennis Association Incorporated Notes to the financial statements

1. Reporting entity

The W.A. Tennis Association Incorporated ('Association') is an Association domiciled in Australia. The Association is Incorporated under the Associations Incorporation Act 1987. The address of the Association's registered office is;

State Tennis Centre
Victoria Park Drive
Burswood WA 6100.

The principal activities of the Association during the course of the financial year were the promotion and development of the game of tennis in Western Australia.

2. Basis of preparation

The financial statements were approved by the Members of the Committee (the "Board of Directors") on 6th September 2011.

(a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ('AASBs') (including Australian Interpretations) adopted by the Australian Accounting Standards Board (AASB).

(b) Basis of measurement

The financial report has been prepared on the historical cost basis.

(c) Functional and presentation currency

The financial report is presented in Australian dollars, which is the Association's functional currency.

(d) Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are described in the following note:

- Note 14 – property, plant and equipment (impairment assessment and determination of useful lives)

W.A. Tennis Association Incorporated Notes to the financial statements

3. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements. Certain comparative amounts have been reclassified to conform with the current year's presentation.

(a) Financial instruments

(i) Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other receivables, cash and cash equivalents and trade and other payables.

Non-derivative financial instruments are recognised initially at fair value. Subsequent to initial recognition non-derivative financial instruments are measured as described below.

A financial instrument is recognised if the Association becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Association's contractual rights to the cash flows from the financial assets expire or if the Association transfers the financial asset to another party without retaining control or substantially all risks and rewards of the asset. Financial liabilities are derecognised if the Association's obligations specified in the contract expire or are discharged or cancelled.

Cash and cash equivalents comprise cash balances and call deposits.

(ii) Loans and receivables

Other non-derivative financial instruments are measured at amortised cost using the effective interest method, less any impairment losses.

(b) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost or deemed cost less accumulated depreciation (see below) and impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour, the initial estimate, where relevant, of the costs of dismantling and removing the items and restoring the site on which they are located, and an appropriate proportion of production overheads. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

(ii) Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Association and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(iii) Depreciation

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment.

The estimated useful lives in the current and comparative periods are as follows:

• Leasehold Improvements	50 years
• Plant and equipment	3-10 years
• Courts	43-45 years

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

W.A. Tennis Association Incorporated Notes to the financial statements

3. Significant accounting policies (continued)

- (c) Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories and bringing them to their existing location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(d) Impairment

(i) Financial assets (including receivables)

A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate.

Individual significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

All impairment losses are recognised in profit or loss.

An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised, and this reversal is recognised in profit or loss.

(ii) Non-financial assets

The carrying amounts of the Association's non-financial assets, other than inventories, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit (group of units) on a *pro rata* basis.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(e) Employee benefits

(i) Long-term employee benefits

The Association's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using the rates attached to the Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the Association's obligations.

(ii) Short-term benefits

Liabilities for employee benefits for wages, salaries and annual leave represent present obligations resulting from employees' services provided to reporting date and are calculated at undiscounted amounts based on wage and salary rates that the Association expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

A provision is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Association has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

W.A. Tennis Association Incorporated Notes to the financial statements

3. Significant accounting policies (continued)

(f) Provisions

A provision is recognised if, as a result of a past event, the Association has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(g) Revenue and other income

(i) Goods sold

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and there is no continuing management involvement with the goods.

(ii) Services

Revenue from services rendered is recognised in the profit or loss in proportion to the stage of completion of the transaction at reporting date. The stage of completion is assessed by reference to surveys of work performed.

Revenue received in advance relating to the promotion of tennis at the State Tennis Centre has been deferred and is recognised on a straight-line basis over the period that the services are rendered.

(iii) Grants

Reciprocal grants

Grants received on the condition that specified services should be delivered or conditions fulfilled are considered reciprocal. Such grants are initially recognised as a liability and revenue recognised as services are performed or conditions fulfilled.

Non-reciprocal grants

Where a grant is received where there is no performance obligation or return obligation, revenue is recognised when the grant is received or receivable.

(h) Lease payments

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

(i) Finance income and expenses

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues, using the effective interest method.

Finance expenses comprise interest paid on borrowings

(j) Income tax

The Association's income relates to its activities as an Association established for the encouragement of sport. In following the Income Tax Assessment Act of 1997 Div 50 s.50-45, the Associations income is therefore considered exempt from income tax.

Withholding tax from other jurisdictions is provided when the liability is due and payable.

W.A. Tennis Association Incorporated Notes to the financial statements

3. Significant accounting policies (continued)

(k) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the Australian Taxation Office are classified as operating cash flows.

(l) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2010, and have not been applied in preparing these financial statements. None of these are expected to have a significant effect on the financials statements of the Association, except AASB 9 *Financial Instruments*, which becomes mandatory for the Association's 2014 financial statements and could change the classification and measurement of financial assets. The Association does not plan to adopt this standard early and the extent of the impact has not been determined.

4. Determination of fair values

A number of the Association's accounting policies and disclosures require the determination of fair value, for both financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods. Where applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

(i) Trade and other receivables

For receivables with a remaining useful life of less than one year, the notional amount is deemed to reflect the fair value. All other receivables are discounted to determine the fair value.

W.A. Tennis Association Incorporated Notes to the financial statements

5. Financial risk management

The Association has exposure to the following risks from their use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk
- Operational risk

This note presents information about the Association's exposure to each of the above risks, their objectives, policies and processes for measuring and managing risk, and the management of capital. Further quantitative disclosures are included throughout this financial report.

The Board of Directors have overall responsibility for the establishment and oversight of the risk management framework.

Risk management policies are established to identify and analyse the risks faced by the Association, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Association's activities. The Association, through their training and management standards and procedures, aim to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

Credit risk

Credit risk is the risk of financial loss to the Association if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Association's receivables from customers and investment securities.

Trade and other receivables

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Association's customer base, including the default risk of the industry and country, in which customers operate, has less of an influence on credit risk. Approximately 21 percent (2010:19 percent) of the Association's revenue is attributable to transactions with a single customer.

The Association has established an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments. The main components of this allowance are a specific loss component that relates to individual exposures. The collective loss allowance is determined based on historical data of payment statistics for similar financial assets.

The majority of the Association's customers have been transacting with the Association for a number of years, and losses have been minimal.

Liquidity risk

Liquidity risk is the risk that the Association will not be able to meet its financial obligations as they fall due. The Association's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Association's reputation.

Typically the Association ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days, including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

W.A. Tennis Association Incorporated Notes to the financial statements

5. Financial risk management (continued)

Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Association's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The Association is not exposed to currency risk on sales, purchases and borrowings as they only transact in their denominated currency the Australian dollar (AUD).

Interest Risk

The Association adopts a policy of ensuring that between 60 and 80 percent of its exposure to changes in interest rates on borrowings is on a fixed-rate basis, taking into account assets with exposure to changes in interest rates.

Operational risk

Operational risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the Association's processes, personnel, technology and infrastructure, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behaviour. Operational risks arise from all of the Association's operations.

The Association's objective is to manage the operations risk so as to balance the avoidance of financial losses and damage to the Association's reputation with overall cost effectiveness and to avoid control procedures that restrict initiative and creativity.

The primary responsibility for the development and implementation of controls to address operational risk is assigned to senior management within each business unit. This responsibility is supported by the development of overall Association's standards for the management of operational risk in the following areas:

- Requirements for appropriate segregation of duties, including independent authorisation of transactions;
- Requirements for the reconciliation and monitoring of transactions;
- Compliance with regulatory and other legal requirements;
- Requirements for the periodic assessment of operational risks faced, and the adequacy of controls and procedures to address the risks identified;
- Requirements for the reporting of operational losses and proposed remedial action
- Development of contingency plans
- Training and professional development
- Ethical and business standards; and
- Risk mitigation, including insurance where this is effective.

Capital management

The Association is not subject to externally imposed capital requirements.

W.A. Tennis Association Incorporated Notes to the financial statements

6. Revenue

	2011	2010
Player development revenue		
- Tennis Australia grants	56,499	61,277
- Entry fees	17,300	12,227
- Other income	48,113	32,150
	<u>121,912</u>	<u>105,654</u>
Tennis competitions revenue		
- Tennis Australia grants	10,000	10,000
- Entry fees	221,013	195,222
- Sponsorship	45,206	40,045
- Other income	22,842	23,579
	<u>299,061</u>	<u>268,846</u>
Tennis business revenue		
- Catering income	82,665	83,416
- Room hire income	95,500	79,859
- Equipment sales	14,135	25,677
- Sponsorship	34,932	41,808
- Other income	102,628	108,967
	<u>329,860</u>	<u>339,727</u>
Tennis clubs & community revenue		
- Tennis Australia grants	423,469	336,669
- Other income	78,151	41,181
	<u>501,620</u>	<u>377,850</u>
Marketing revenue		
- Sponsorship	1,200	5,445
- Fundraising income	15,750	9,874
- Ticket sales income	20,503	27,638
- Other income	1,415	-
	<u>38,868</u>	<u>42,957</u>
Total revenue	<u>1,291,321</u>	<u>1,135,034</u>

7. Other income

	2011	2010
Affiliation fees	387,484	373,096
Recovery of insurance costs	97,224	94,506
Tennis Australia grants	-	25,395
Healthway grant	130,150	150,000
Other government grants	509,788	354,954
Sundry income	10,524	8,431
Total other income	<u>1,135,170</u>	<u>1,006,382</u>

Government grants

The Association has been awarded government grants from the WA Department of Sport and Recreation (DSR) and Healthway. The DSR grants cover the Associations business plan funding, a Pro Circuit community action programme, high performance funding and an indigenous program grant for a dedicated indigenous program.

The Healthway grant was provided to fund various programs mainly focused on participation and junior development programs.

W.A. Tennis Association Incorporated Notes to the financial statements

8. Other expenses

The Association has the following key expenses:

	2011	2010
Depreciation expense		
- leasehold improvements	105,752	105,752
- plant and equipment	37,061	39,810
- courts	25,480	25,480
Cost of goods sold		
- cost of inventories	108,918	105,859
Movement in provision for employee benefits	5,235	19,972
Insurance expense	65,699	71,627
Operating lease rental expense	200	425

9. Finance income and expense

	2011	2010
Interest income on bank deposits	50,774	34,085
Finance income	50,774	34,085
Finance expense	-	-
Net finance income and expense	50,774	34,085

No finance income and expenses are recognised through equity. This is consistent with the statement of changes in equity on page 2

10. Auditors' remuneration

	2011	2010
Audit services		
Auditors of the Association		
<i>KPMG Australia:</i>		
Audit and review of financial reports	11,000	11,000
	11,000	11,000
Other services		
Auditors of the Association		
<i>KPMG Australia:</i>	12,500	1,500
	12,500	1,500

W.A. Tennis Association Incorporated Notes to the financial statements

18. Capital and reserves

National Registration Levy

The National Registration Levy reserve amount of \$30,024 was no longer required for the purpose it was established, being the need to meet sanction fee requirements of Tennis Australia. In 2010, this amount was reallocated to the Player Development Fund by the Board of Directors, endorsed by Council.

State Tennis Player Development Trust

The former State Player Development Trust amount of \$63,870 was reallocated to the Player Development Fund in 2010, there being very similar purposes in the establishment of both funds. The Player Development Fund was established to support, for the purposes of player development, individuals and initiatives, the main beneficiaries being junior tennis players.

Brian Morrell Bequeath

In 2010 The Brian Morrell Bequest amount of \$12,273 was reallocated to the Player Development Fund, the purpose of each being to support individuals and initiatives for the benefit of player development. There was no specific condition upon the bequeath of funds, however at the time the Board resolved to use the funds for player development.

Player Development Fund

This reserve was established to combine amounts in the above reserves, with the purposes of development and enhancement of players in Western Australia.

100 Club

In the past, this fund included sanction fees (IOVF) applied to entries of qualifying tournaments. This now has funds allocated to it from fundraising efforts of the 100 club and the funds are to be used for player development.

Asset Replacement Reserve

These are reserves set aside for the replacement and improvement of assets at the State Tennis Centre.

Members Equity

The Association is incorporated under the Associations Incorporation Act 1987.

In the event of the Association being wound up the liability of members is determined by its rules.

W.A. Tennis Association Incorporated Notes to the financial statements

19. Financial instruments

Credit Risk

Exposure to credit risk

The carrying amount of the Association's financial assets represents the maximum credit exposure. The Association's maximum exposure to credit risk at the reporting date was:

	Note	Carrying amount	
		2011	2010
Trade and other receivables (less prepayments)	12	83,029	53,347
Cash and cash equivalents	11	802,179	772,457
		<u>885,208</u>	<u>825,804</u>

The Association's maximum exposure to credit risk for trade and other receivables (less prepayments) at the reporting date by geographic region was \$83,029 in Australia (2010: \$53,347).

The Association's most significant customer accounts for 62.16% or \$30,001 of the trade receivables carrying amount at 30 June 2010. (2010: 19.3% or \$4,056).

Impairment losses

The aging of the Association's trade receivables at the reporting date was:

	Gross 2011	Gross 2010
Not past due	36,753	7,603
Past due 31-60 days	751	8,212
Past due 61-90 days	8,179	2,230
Past due 90 days	2,681	3,641
	<u>48,364</u>	<u>21,686</u>

The movement in the allowance for impairment in respect of trade receivables during the year was as follows:

	2011	2010
Balance at 1 July	(182)	(1,265)
Impairment (loss)/gain recognised	86	1,083
Balance at 30 June	<u>(96)</u>	<u>(182)</u>

W.A. Tennis Association Incorporated Notes to the financial statements

20. Financial instruments (continued) Liquidity Risk

The following are the contractual maturities of financial liabilities, including interest.

30 June 2011

	Note	Carrying amount	Contractual cash flows	6 mths or less
Non-derivative financial liabilities				
Trade and other payables	15	159,525	(159,525)	(159,525)
		<u>159,525</u>	<u>(159,525)</u>	<u>(159,525)</u>

30 June 2010

		Carrying amount	Contractual cash flows	6 mths or less
Non-derivative financial liabilities				
Trade and other payables	15	163,937	(163,937)	(163,937)
		<u>163,937</u>	<u>(163,937)</u>	<u>(163,937)</u>

There are no non-derivative financial liabilities with contractual maturities greater than 6 months.
Refer to note 5 for details on the Association's approach to managing liquidity risk.

Interest Rate Risk

Profile

At the reporting date the interest rate profile of the Association's interest-bearing financial instruments were:

	Association	
	Carrying amount	
	2011	2010
Fixed rate instruments		
Financial assets – Bank of Queensland investment	146,924	138,356
Financial assets – Bank of Queensland investment	15,150	14,266
Financial assets – Bank of Queensland investment	159,368	150,000
Financial assets – Macquarie investment account	-	163,367
Financial assets – Macquarie investment account	53,045	100,000
Financial assets – Macquarie investment account	-	50,000
	<u>374,487</u>	<u>615,989</u>
Variable rate instruments		
Financial assets – CBA Saver bank account	327,212	1,201
Financial assets – CBA bank account	99,780	153,962
	<u>426,992</u>	<u>155,163</u>

W.A. Tennis Association Incorporated Notes to the financial statements

20. Financial instruments (continued)

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased/(decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis was performed on the same basis for 2010.

	Profit or loss		Equity	
	100bp increase	100bp decrease	100bp increase	100bp decrease
30 June 2011				
Variable rate instruments	4,270	(4,270)	-	-
Cash flow sensitivity (net)	4,270	(4,270)	-	-
	Profit or loss		Equity	
	100bp increase	100bp decrease	100bp increase	100bp decrease
30 June 2010				
Variable rate instruments	1,552	(1,552)	-	-
Cash flow sensitivity (net)	1,552	(1,552)	-	-

Fair values versus carrying amounts

The carrying amount of assets and liabilities shown in the balance sheet approximate their fair value

W.A. Tennis Association Incorporated Notes to the financial statements

21. Operating leases

Leases as lessee

Non-cancellable operating lease rentals are payable as follows

	2011	2010
Less than one year	200	200
Between one and five years	800	800
More than five years	6,400	6,600
	<u>7,400</u>	<u>7,600</u>

The Association leases property under non-cancellable operating leases with terms from 2-50 years. Leases generally provide the Association with a right of renewal at which time all terms are renegotiated.

Under the terms and conditions of the funds received from the State Government towards the construction costs and the land associated with the State Tennis Centre, the Association is required to comply with certain terms and conditions in connection with the operation of the State Tennis Centre. The directors believe all terms and conditions have been met during the period.

During the financial year ended 30 June 2011, \$200 was recognised as an expense in the statement of comprehensive income in respect of operating leases (2010: \$425).

22. Reconciliation of cash flows from operating activities

	Note	2011	2010
Cash flows from operating activities			
Surplus/(deficit) for the period		133,915	63,644
Adjusted for:			
Depreciation	14	168,293	171,042
Operating profit before changes in working capital and provisions		<u>302,208</u>	<u>234,686</u>
(Increase)/decrease in trade and other receivables		(14,445)	1,945
(Increase)/decrease in inventories		1,455	1,857
(Decrease)/increase in trade and other payables		(4,412)	76,746
(Decrease)/increase in provisions and employee benefits		5,235	19,972
(Decrease)/increase in income received in advance		(158,360)	(116,862)
Net cash from operating activities		<u>131,661</u>	<u>218,344</u>

W.A. Tennis Association Incorporated Notes to the financial statements

23. Other related party transactions

The Association being an Associate member of Tennis Australia (TA) receives shared services benefits from TA. These benefits include accounting and information technology resources.

The names of each person holding the position of officer of the Association during the financial year were: Dean Williams, Michael Lee, Bill Price, Ray Collins, Jim Davies, Wayne Fims, Hayden Gibson, Siobhan Drake Brockman and Loretta Hughes. Directors of the Association are acting on an honorary basis.

The key management personnel for Tennis West include the following employees:
Andrew Stanbury, Brooke Koenig and Shane Smedley.

Key management personnel compensation

<i>In AUD</i>	2011	2010
Short-term employee benefits	238,268	219,476
Post employment benefits	20,880	19,051
Total compensation	259,148	238,527

24. Economic dependence

The Association receives grant funding from Tennis Australia Limited, the DSR and Healthways, that forms an integral part of the funding required for the Association to achieve its short and long term objectives.

It is the view of the Board that the Association would still be able to continue meeting the above objectives regardless of this funding being received in the future, albeit to a lesser extent.

25. Subsequent events

There have been no events subsequent to balance date which would have a material effect on the Association's financial statements.

W.A. Tennis Association Incorporated Statement by the directors

In the opinion of the directors of W.A. Tennis Association Incorporated ('the Association'):

- (a) the financial statements and notes set out on pages 1 to 22, are in accordance with the Associations Incorporation Act 1987, including:
 - (i) giving a true and fair view of the financial position of the Association as at 30 June 2011 and of their performance, for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards and the Associations Incorporation Act 1987;
- (b) there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

Dated at Perth 6th day of Sept 2011.

Signed in accordance with a resolution of the directors:

D. Williams
President

H.T.S. Price
Treasurer & Director

Independent auditor's report to the members of W.A. Tennis Association Incorporated

Report on the financial report

We have audited the accompanying financial report of W.A. Tennis Association Incorporated (the Association), which comprises the statement of financial position as at 30 June 2011, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes 1 to 25 comprising a summary of significant accounting policies and other explanatory information and the officers' declaration.

Officers' responsibility for the financial report

The officers of the Association are responsible for the preparation of the financial report that give a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Associations Incorporation Act 1987* and for such internal control as the officers determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report provides a true and fair view, in accordance with the *Associations Incorporation Act 1987* and Australian Accounting Standards (including the Australian Accounting Interpretations), a fair view which is consistent with our understanding of the Company's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Auditor's opinion

In our opinion the financial report of W.A. Tennis Association Incorporated is in accordance with the *Associations Incorporation Act 1987*, including:

- (i) giving a fair presentation of the Association's financial position as at 30 June 2011 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations).
