

## **EXPRESSIONS OF INTEREST TO JOIN THE TENNIS WEST COMPETITION COMMITTEE**

In line with the Tennis West Governance Policy, encouraging rotation of Competition Committee (CC) members, **three vacancies exist on the CC, which provides direction and oversight to the Tennis League and Tournament operations of Tennis West, in accordance with the organisation's Strategic Plan.**

Nominations are for a two (2) year term. The CC comprises at least three (3) Tennis West League Operations staff (including the Competition Manager as Chair) and three (3) club representatives (for which nominations are herein requested).

Committee members should preferably have knowledge and experience in a particular area of the Tennis League competition (eg Junior League, State League, Night League etc) and/ or Tournaments.

CC members need to be prepared to attend an average of four meetings per year, and be willing to respond to other urgent matters promptly by email.

Tennis West is asking clubs to nominate suitably qualified and enthusiastic club members who would be willing to be considered for appointment to the CC.
