TOURNAMENTS UPDATE

Although tennis remains a very safe sport to play at both community and professional levels, the current restrictions and our priority of ensuring the health and safety of everyone involved, has led to the cancellation of a number of upcoming national and international tournaments through to the end of the year.

The **December Showdown** (Melbourne Park, 5-20 December) and the **12/u and 14/u Australian Grasscourt Championships** (Cottesloe Tennis Club, 6-11 October) will not be held due to ongoing restrictions in place.

UTR State Performance and Participation tournaments will continue in the absence of Australian Ranking Tournaments until the end of the year and the Australian Rankings will continue to remain suspended until Australian Ranking Tournaments can return.

The two **ITF World Tennis Tour Junior tournaments** scheduled to be hosted in Adelaide from 12-25 September have now been cancelled.

All **Australian Pro Tour** tournaments for the remainder of the 2020 season have been cancelled. This decision has been made based on ITF and ATP Return to Tournament Play protocols requiring the host nation to have international and domestic borders open.

No Australian Ranking Tournaments will be held prior to 31 December 2020.

UTR State Performance tournaments will continue in the absence of Australian Ranking Tournaments until the end of the year and the Australian Rankings will continue to remain suspended until Australian Ranking Tournaments can return.

The two **ITF Seniors Tour** tournaments scheduled to be hosted in Victoria in November have been cancelled in conjunction with Tennis Seniors Australia.

The **National Wheelchair Tennis Championships** scheduled for Melbourne from 13-15 November have now been cancelled, along with the two **ITF Wheelchair Futures tournaments** in Sydney (late September) and Canberra (early October). These decisions have been made based on the ITF Return to Tournament Play protocols requiring the host nation to have international and domestic borders open.

Localised **Wheelchair Performance Series** events in Brisbane, Sydney and Melbourne are being planned for the coming months, with more information to come.

The Western Australian calendar will be conducted under the state phase restrictions in place at the time of the events, as follows:
