Tennis Australia Intro to MLC Tennis Hot Shots Coaching Course

The Intro to MLC Tennis Hot Shots Coaching Course offers a three hour introduction and orientation to the field of coaching tennis. It is designed for teachers, coaches, club officials, active after school care staff or anyone interested in coaching tennis. It is designed to develop the skills of junior players aged 4 – 12 years old, with a focus on enjoyment and learner success.

It explores activities that introduce players to modified equipment, maximum participation and keeping kids active whilst enjoying and learning tennis. It is an on-court coaching course, where participants get active and learn the activities whilst doing them. Furthermore, you will learn activities in tennis that can be done with little equipment, but are great for the introduction of multiple tennis skills.

The Tennis Australia Intro to MLC Tennis Hot Shots has been developed by the Tennis Australia Coach Development Department in conjunction with a range of educational stakeholders. It is supported by the Australian Sports Commission (ASC) but is not part of the National Coaching Accreditation Scheme (NCAS) because it is not considered a qualification as there is no assessment.
