Note – Australian Pro Tour events, National Junior Championships and Junior ITF's are subject to change outside of the above timelines. Please continue to monitor www.tennis.com.au for up to date information. Tennis Australia aims to keep this calendar as up-to-date and as accurate as possible, however we recommend that when entering tournaments you refer to the details listed on <http://www.tennis.com.au/tournaments> and on the tournament fact sheet. Alternatively, contact the tournament director directly to confirm further tournament specific details.

2) **PLATINUM AND GOLD LEVELS TO RETAIN 2012 DRAW FORMATS / QUALIFYING EVENT SEPARATION**

In 2014, it will only be mandatory for Platinum and Gold AMTs and OJTs to implement the qualifying event format, with the Silver, Bronze and White level events free to choose whether they would like to implement separated main draw & qualifying events (e.g. 16, 24, 32, 48 or 64 players with qualifying thereafter) or return to "open" draws. Platinum or Gold Australian Money Tournaments will accept either 16 or 24 players into the main draw, with tournaments apart from the Junior Tour permitted to accept 16 or 32 players into the main draw. Players that miss out on direct acceptance into the main draw will be required to play in the qualifying event, where if successful, they will be placed into the main draw. There will continue to be AR points available on the qualifying events, with qualifiers obtaining both the points earned for qualifying into the main draw along with points earned in the main draw. The complete 2014 Australian Ranking regulations will be available later in the year on <http://www.tennis.com.au/tournaments/officials/regulations>

3) **MANDATORY ONLINE ENTRY & MY TENNIS MEMBERSHIP REQUIREMENT**

It will continue to be compulsory for all players wishing to enter an Australian Ranking tournament (Australian Money Tournament or Junior Tour tournament) to submit and pay their entry online via <http://tournaments.tennis.com.au>

It will also be a mandatory requirement for all players to have a valid My Tennis membership number, which are the new 11-digit membership numbers that start with "61". To find out your My Tennis membership number, please contact your club or relevant Member Association. If you are not currently registered, you can do so via <http://www.tennis.com.au/clubs/my-tennis/players>

Submitting entries online and ensuring every player is registered with a unique identifier will allow Tennis Australia to automate a number of tournament systems, including the Australian Rankings. Failure to submit your entry online or be registered with a valid My Tennis membership number may result in rejection of your entry or non-awarding of Australian Ranking points.

4) **AUSTRALIAN RANKINGS STATUS LEVELS**

2014 will see a continuation of the colour branded tournaments pathway, with easy to follow levels for both junior and open tournaments. Each AR tournament listed in the calendar on the following pages has been assigned an AR points level. These levels will correspond to the 2014 Australian Ranking points table, with the results from the previous month's tournaments released by the 8th day of the following month via <http://rankings.tennis.com.au>

5) **JUNIOR TOUR**

The tournaments under the Junior Tour will offer points across the 12/u, 14/u and 16/u age groups. Select tournaments will also offer points in the 18/u age group. The top level of tournament is the Australian Junior Championships in December and the State Junior Championships in Victoria, New South Wales and Queensland, classified in the points table as Platinum events. The level of points then depreciate to Gold, Silver, Bronze and White, which offers the lowest amount of points within each age group.

6) **AUSTRALIAN MONEY TOURNAMENTS**

The hugely popular AMTs will continue to be spread across five tiers - Platinum, Gold, Silver, Bronze and White Series AMT's. The Platinum level tournaments will be the original \$10,000 AMTs that first joined the national tennis calendar in 2006, and the Gold, Silver, Bronze and White Series AMTs. In addition, a new level has been added in 2014, with 10 tournaments offering \$15,000 in total prizemoney at their AMT Platinum level event. Each tier of AMT must adhere to strict prizemoney distributions. Select tournaments will also offer points in the 18/u age group, but no prizemoney.

7) **DECEMBER SHOWDOWN 12/U & 14/U STATE QUALIFYING EVENTS**

Since its inception in 2008, the December Showdown has grown to become an integral part of the Australian tennis season with the purpose to offer an important competitive opportunity for athletes within each age group to showcase their abilities for the tennis community. In 2014, there will be additional opportunities for 12/u and 14/u athletes around the country to earn a place into this prestigious event, by qualifying within their state.

The closed state qualifying events will not offer AR points or doubles or consolation events. Victoria, New South Wales and Queensland will offer draw sizes of 64 players, while South Australia and Western Australia will offer 32 positions into their state qualifying events. Athletes will only be permitted to compete in their state of residency. More details and entries into these events will be available on the <http://tournaments.tennis.com.au> website

8) **FAST4 TOURNAMENTS**

To ensure that tennis tournaments remain an attractive product for all types of tennis players, Tennis Australia and its Member Associations will be piloting a shortened tournament format at select events in 2014. The scoring format has been branded Fast4 with some of you seeing or experiencing the format during the Asia-Pacific Tennis League matches. The objective of the Fast4 tournaments is to offer a product that reduces the commitment for everyone involved in what is a time-poor society.

The Fast4 tournaments will still offer Australian Ranking points as well as prizemoney, but we know it won't be a format that will suit everyone. We hope a number of you will experience the pilot events and provide feedback.
