

Grand Slam Ballot Frequently Asked Questions (FAQ)

Q. What are the Grand Slam Ticket Ballots?

Every year Tennis Australia is offered the opportunity to purchase a small allocation of tickets to the US Open. Tickets are offered to various stakeholders at face value and sold in \$AUD, converted at the time Tennis Australia purchased the tickets. Due to demand a ballot is conducted to ensure there is a fair and equitable distribution of tickets. As applications exceed supply there is no guarantee applicants will receive tickets, however every endeavour is made to accommodate as many applicants as possible.

Q. How does the Grand Slam Ticket Ballot process work?

Tennis Australia conducts separate ballots for each tournament.

1. All eligible members will be sent a link to complete an Expression of Interest to enter the ballot. The form **MUST** be completed and submitted online. No written applications will be accepted; please do not send written requests to Tennis Australia as these will not be included in the ballot.
2. Once the Expressions of Interest close, each person that has completed the form will then be given a unique code to enter the ballot along with the online link for the ballot. The US Open ballot will be accessible from Friday 6th July and close at 9:00am (AEST) Monday 16th July.
3. All authentic ballot applications will be randomised and tickets will be allocated in order of available preference.
4. All successful applicants will be sent an online allocation acceptance form, which will detail the ticket offer, the amount the applicant will be charged (including payment details), the preferred method of ticket delivery and the names of all attending patrons. Please note all successful applicants will be charged a once-off fee to cover the cost of postage and processing. This fee is currently \$35 per ticket application. If the applicant wishes to proceed with the tickets offered to them, they must accept the offer online.
5. All applicants who accept their ticket allocation will be charged the amount detailed in their email of offer.
6. Tickets that are not accepted by applicants will be reallocated in a second round offer to applicants who were not successful in the first round.
7. US Open tickets will be distributed in Mobile ticket format to the name and contact details provided in the acceptance email. Please ensure that all names of recipients are correct and email/mobile contact details are accurate.
