TA Coach Membership Extension (Instructions)

In late April, we communicated with coach members advising of Tennis Australia's decision to extend all 2019-2020 Coach Memberships until 31 December 2020.

In order to activate this extension we require all Coach Members to complete a Member Protection Declaration, (an annual requirement of TA Coach Membership).

To action this please follow the two simple steps below:

1. Login to [MyTennis](#) using your MyTennis ID and password. If you do not know your MyTennis ID, please contact the Customer Support Team at play@tennis.com.au.
2. Follow the prompts to complete the Member Protection Declaration. The form will be the first thing you see when you log in.

If you don't remember your password, you can reset it by entering your MyTennis ID and email address [here](#).

We require all Coach Members to complete their Member Protection Declaration by **31 July 2020** to maintain current membership. Should we require any further information about your declaration we will contact you.

Remember, in order to maintain current membership and associated insurance cover you must uphold current screening documents including a Working with Children Check (or state/territory equivalent), National Police Check and First Aid Certificate (Business & Qualified Members only). For specific information about these requirements please visit the Coach Membership Policies page on the [Tennis Australia Website](#).

The Terms and Conditions of the Tennis Australia Coach Membership Program are applicable for the duration of the 6 month extension. To view the terms and conditions please visit the [Tennis Australia Website](#).

For any further questions please contact the Coach Membership team at play@tennis.com.au.
