

Expression of Interest - Workshops

Tennis Australia Coach Development are committed to the professional development of tennis coaches across the country. As an additional service within Australian Capital Territory, this EOI document allows the team to more specifically understand the up-skilling requirements of different coaching businesses. Where prerequisites are met, the team may be able to deliver personalized workshops at the coaching business. *This can also take place in an online capacity if available.* After submitting this document, a member of the ACT Coach Development team will be in contact to discuss next steps.
