

AO PRIDE

Friday 24 January 2025

AO Pride Day is the Australian Open's opportunity to be loud about our values of being welcoming and inclusive for the LGBTQIA+ community. We know some members in the LGBTQIA+ community have not historically felt safe and included in sporting environments and we are committed to changing this narrative.

Pride Day is our chance to brighten up the AO in rainbow colours as well as offer a range of activations to show our support for the LGBTQIA+ community.
